PROVIDING for the filing of an application by the City of Pittsburgh with the Commonwealth of Pennsylvania, Department of Community Affairs, for a grant in connection with the Schenley Park Oval Development Project, providing for the execution of a Grant Contract and for the filing of requisitions and other data; approving the Schenley Park Oval Development Project, providing for

required assurances; providing for execution of payment vouchers on Letter of Credit and for certification of authorized signatures.

WHEREAS, the City of Pittsburgh, after thorough consideration and study, has determined that the Schenley Park Oval Development Project is desirable and in the public interest; and

WHEREAS, under the terms of Act No. 443 of the 1967 session of the General Assembly of Pennsylvania and Public Law 88-578 enacted by the Congress of the United States September 3, 1964, the Pennsylvania Department of Community Affairs has authorized the making of grants to public bodies to aid in financing such projects; and

WHEREAS, the City of Pittsburgh considers it to be in the public interest and to its benefit to file an application under said Act and to authorize the actions in connection therewith; and

WHEREAS, the City of Pittsburgh is duly authorized under and pursuant to the Constitution and Laws of the Commonwealth of Pennsylvania to undertake and carry out said Project.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. The Mayor of the City of Pittsburgh is hereby authorized to file an application in form required by the Pennsylvania Department of Community Affairs for a grant to be made by the Pennsylvania Department of Community Affairs to the City of Pittsburgh in connection with the Schenley Park Oval Development Project.

SECTION 2. In the event that the Pennsylvania Department of Community Affairs approves said application and tenders to the City of Pittsburgh a Grant Contract in connection therewith, the Mayor of the City of Pittsburgh, on behalf of said City, is hereby authorized to execute said Contract, which contract shall be in a form approved by the City Solicitor.

SECTION 3 The Schenley Park Oval Development Project, including the projects and activities set forth in the aforesaid application, is hereby approved.

SECTION 4. The City of Pittsburgh assumes full responsibility for assuring that all grant funds which may be received for said Project will be used in an economical and efficient manner in carrying out the Project and assures the necessary non-federal share of the cost of the Project.

SECTION 5 The Director of the Department of Parks and Recreation is hereby designated as the authorized representative of the City of Pittsburgh for the purpose of furnishing to the Pennsylvania Department of Community Affairs such information, data and documents pertaining to said application and Project as may be required and to take such other actions as may be necessary to enable the City of Pittsburgh to qualify for said Contract, including the filing of any necessary requisitions.

SECTION 6. Any two of the following four officers are hereby authorized to execute payment vouchers on Letter of Credit in connection with said Project:

Richard S. Caliguiri	Mayor, City of Pittsburgh
John E. McGrady	City Controller
Joseph L. Cosetti	City Treasurer
Louise R. Brown	Director, Department of Parks and Recreation

SECTION 7 The City Clerk is hereby authorized and directed to certify the authenticity of the signatures of the officers designated in the preceding section, in connection with the Schenley Park Oval Development Project.

SECTION 8. The City Treasurer is hereby authorized and directed to deposit the funds referred to in this Resolution in the Capital Fund, Project P377-26, Department of Parks and Recreation.

SECTION 9. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution

No. 1309

PROVIDING for a contract or contracts with Prudential Insurance Company of America for a group insurance plan to provide life insurance and certain additional benefits to certain City employees; providing for the payment of the premium; and specifically repealing certain ordinances.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. The Mayor and the City Treasurer, on behalf of the City of Pittsburgh, are hereby authorized to enter into a contract or contracts with Prudential Insurance Company of America for a group insurance plan, hereinafter called "The Plan," to provide life insurance and certain additional benefits for all City employees who normally work at least 30 hours a week, in form approved by the City Solicitor.

SECTION 2. EMPLOYEE'S COVERAGE

- a. The Plan shall provide life insurance for active employees under the age of 65 who normally work at least 30 hours per week in an amount equal to one times the employee's annual earnings rounded to the next highest \$100, provided, however, that the amount of insurance for the following classes of City employees shall be in the amount indicated hereafter:

School Crossing Guards	\$8,000.00
Refuse "Extra" Drivers and Helpers	\$5,000.00

The Plan shall also provide certain additional benefits for accidental death and dismemberment.

- b. The Plan shall also provide double the face amount for accidental death; and for dismemberment as provided in the following schedule:

FOR LOSS OF	APPLICABLE AMOUNT

- c. The Plan shall provide life insurance in the amount of \$4,000.00 for each participating active employee who is 65 years of age or over at the time of entering into The Plan or who reaches age 65 after having entered The Plan.

SECTION 3. RETIRED EMPLOYEE BENEFITS.

- a. The Plan shall provide that upon the retirement of any participating employee who is not a member of the Police or Fire

bargaining units, life insurance only shall be provided in the amount of \$4,000.00. Each such retired employee shall contribute \$1.60 per month toward the monthly premium and the City shall contribute the balance of the monthly premium. The payments of the contributions by such retired employees shall be made in accordance with rules and regulations adopted by the City Treasurer.

- b. The Plan shall further provide that members of the Police and Fire bargaining units who retired prior to January 1, 1973, and after June 1, 1965, shall continue to have the \$2,000.00 life insurance policy previously provided. Each such retired employee shall contribute 80¢ per month toward the monthly premium and the City shall contribute the balance of the monthly premium. The payments of the contributions by such retired employees shall be made in accordance with the rules and regulations adopted by the City Treasurer.

- c. In accordance with certain labor agreements, Police and Fire bargaining unit employees who retired after January 1, 1973 will receive \$4,000.00 as a death benefit at no cost to the retiree, this benefit being contingent upon said labor agreements.

SECTION 4. The City Treasurer is authorized to pay from time to time to the Insurance Company required contributions toward the monthly premiums and to charge the same to Code Account No. 54, Group Insurance Plan-Municipal Employees; and to fund upon retirement the benefit described in Section 3, subsection c. of this Resolution and to charge the same to Retired Police and Fire Employees' Death Benefit Trust Fund and/or to Code Account No. 54, Group Insurance Plan-Municipal Employees.

SECTION 5. The City Treasurer shall administer the Plan and adopt rules and regulations to carry out the provisions of this Resolution.

GRANTING unto the Pennsylvania Association for Retarded Citizens, Inc., 1001 Brighton Road, Pittsburgh, Pennsylvania 15233, its successors or assigns, the right and privilege to construct, maintain and use, at its own cost and expense, a ramp for the handicapped on the westerly sidewalk of Brighton Road.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That the Pennsylvania Association for Retarded Citizens, Incorporated, 1001 Brighton Road, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a ramp for the handicapped on the westerly sidewalk of Brighton Road.

The ramp to be constructed by virtue of this Resolution is described as follows:

Beginning at the corner of the building at the intersection of the northerly line of Beech Avenue and the westerly line of Brighton Road; thence along said westerly line of Brighton Road in a northerly direction for a distance of 42-feet; thence at a right angle to said westerly line of Brighton Road for a distance of 6-feet; thence in a southerly direction and at a perpendicular distance of 6-feet from the westerly line of Brighton Road for a distance of 42-feet to a point on the northerly line of Beech Avenue produced; thence westwardly along said northerly line of Beech Street produced for a distance of 6-feet to the place of beginning.

The said ramp shall conform to the provisions of this Resolution and in accordance with the Plan identified as Accession No. B-953 on file in the Division of Surveys, Department of Public Works.

SECTION 2 The said Grantee prior to the beginning of the construction of said ramp shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans, in triplicate, showing the location and all details of said construction. Said plans and said construction shall be subject to the approval and supervision of the Director of the Department of Public Works.

SECTION 3 The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City Streets, and also to ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances/resolutions which have been or may be hereafter passed relating to said construction, maintenance and its use on City streets and compensation for same.

Upon completion of the construction, said Association shall thereafter maintain and repair said ramp at its own cost and expense. All such work shall be done in such manner at such times as the Director of the Department of Public Works may order, and shall be subject to his approval, inspection and supervision.

SECTION 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewer, waterlines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said construction. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

SECTION 5. The rights and privileges granted by this Resolution are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said construction upon giving to the said Grantee at least six (6) months written notice through the proper officers, pursuant to a Resolution or Ordinance of Council, to the said Pennsylvania Association for Retarded Citizens, its successors or assigns, to that effect and that the said Grantee shall, when so notified, at the expiration of the said six (6) months forthwith remove said construction and replace street to its original condition at its own cost and expense.

SECTION 6. The Pennsylvania Association for Retarded Citizens, its successors and assigns, shall be responsible for and shall assume all liability, either of said Pennsylvania Association for Retarded Citizens or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said ramp; and it is a condition of this grant that the City of Pittsburgh assumes no liability for damage to either persons or property on account of this grant, and that the Pennsylvania Association for Retarded Citizens, for itself, its successors and assigns, shall, by accepting the terms of this Resolution, hereby indemnify, save harmless and defend the City

of Pittsburgh from any and all damages and claims for damages arising by reason of said construction, maintenance and use.

The Pennsylvania Association for Retarded Citizens shall maintain, in effect, during the entire period of this license the following insurance for the protection of the City of Pittsburgh, all premiums being at the expense of the licensee, which insurance shall be non-cancellable except upon thirty (30) days written notice to said City and which insurance shall cover and name said City as an additional insured:

Public Liability	\$100,000.00—\$300,000.00
Property Damage	\$50,000.00 \$50,000.00

Prior to commencement of this license and as required by said City, from time to time, licensee shall submit proof of the above insurance in the form of a certificate, duly attested by the proper officers or authorized representatives of a responsible insurance company.

SECTION 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Resolution shall become null and void unless within sixty (60) days after its approval, the said Pennsylvania Association for Retarded Citizens, its successors or assigns, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the said Pennsylvania Association for Retarded Citizens.

SECTION 8. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution

No. 1348

A RESOLUTION—Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1978.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That the revenues of said City derived from taxes and other sources for the fiscal year beginning January 1, 1978 and ending December 31, 1978, including therein cash surplus on hand at the close of business on December 31, 1977, are hereby appropriated in the General Fund the sum of \$119,399,365.00, and the Water Fund in the amount of \$7,452,248.00, an additional \$12,250,000.00 Police and Fire salaries and Department of City Treasurer-Audit, to be paid from Revenue Sharing Trust Fund, and additional \$7,860,000.00—Police-Fire and Environmental Services Salaries to be paid from Counter-Cyclical Fund, and additional \$250,000.00 to pay City Development salaries to be paid from Economic Development Program Fund, making a total Budget of \$147,211,613.00, to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1978 and ending December 31, 1978, as well as all encumbrances incurred prior to January 1, 1978 for which services have not actually been rendered, or supplies, materials or equipment actually delivered prior to December 31, 1977 and so reported to the City Controller. Said encumbrances shall be charged to the proper appropriation accounts against which encumbrances have been originally charged, and all unexpended balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year 1977, shall be and the same are hereby ordered to be cancelled, except such amounts as shall be required for payments for services actually rendered or supplies, materials or equipment actually delivered prior to December 31, 1977 and so reported to the City Controller, or such amounts as shall be directed to be carried over to the fiscal year 1978 by resolution or ordinance of Council.

SECTION 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation item shall be administered subject to and in conformity with the following terms and conditions:

- (a) Data required for preparation of payrolls shall be submitted to the City Treasurer in such form, and at such time as he may prescribe, this data to include records of employment, time worked, whether compensation is based upon hours or days worked, quantity of work performed, or upon a monthly or annual salary basis, and such other records or reports with reference to personal service as may be required
- (b) Payrolls shall be prepared by the City Treasurer upon the basis of such records or reports, and submitted by him to the respective directors or heads of departments or offices for approval and certification in such forms as he may prescribe
- (c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of Council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance unencumbered and available in the appropriation item from which the transfer is to be made.

SECTION 3. No obligation shall be incurred by any department of the City government other than for salaries or wages, or for necessary expenses of employees when engaged upon City business, except through the issue of an order, stating the service to be rendered, work performed or supplies, materials or equipment to be furnished together with the estimated cost of the same.

The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such depart-

ment; provided, however, that no requisition of any department shall be filled by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts hereinafter appropriated thereof respectively. Purchase made by the Director of the Department of Supplies to go into stores shall be paid from the fund provided for such purposes, and when as directed by the City Controller; said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

SECTION 4. Council may, by resolution of the Finance Committee from time to time, restrict expenditures from the appropriations made hereby, both as to amounts of expenditures and the periods within which such expenditures may be made, and also, by Resolution of the Finance Committee at any time cancel in whole or part any unencumbered balance of any said appropriations.

SECTION 5. For purposes of administration and accounting control, the code numbers indicated herein shall be considered as part of the appropriation titles.

CITY COUNCIL

The Council of the City of Pittsburgh consists of nine members elected at large to serve a term of four years. It is the City's legislative body and is divided into nine committees, which include Finance; Public Works; Public Service and Surveys; Planning and Redevelopment; Public Safety; Water; Parks; Recreation and Libraries; Lands and Buildings; and Hearings. Each committee has its chairperson appointed by the President of Council and the President is elected by the members of Council. In addition to the regular committees of Council, sub-committees are appointed by the President as business coming before Council necessitates. Members are also appointed to Carnegie Library of Pittsburgh, Buhl Planetarium, and the Zoological Commission of Pittsburgh.

City Council meets twice weekly—Mondays and Wednesdays. The legislative session is held on Monday for presentation and final action on matters governing the City of Pittsburgh. Standing committees of Council meet on Wednesdays to deliberate action on bills that have been presented in the Monday meetings. Public hearings are held on proposed legislation and investigations are made of complaints and problems that the citizens of the City bring to Council's attention.

Council makes the laws governing the City of Pittsburgh; appropriates the money for the operation of the City; approves Mayoral

appointments; reviews the proposed Operating, Capital Improvement and Salary Budgets, as submitted by the Mayor, and enacts enabling legislation; regulates revenue and expenditures; incurs debt; and carries out its duties as established by the Home Rule Charter and state laws

Council has a staff including the Budget Controller Office under the direction of the City Clerk. The City Clerk is elected by the members of City Council, who is responsible for the due, proper and faithful performance of all matters and things done and performed for the operation of City Council

MAYOR'S OFFICE

The Mayor's Office includes the elected and ceremonial functions of the Office of the Mayor and the administrative functions of governing the City. Additionally, the Mayor's Service Center and the City Information System Office are under the Mayor's Office.

The administrative functions of governing the City involve the time of all members of the Mayor's staff to some degree. In addition

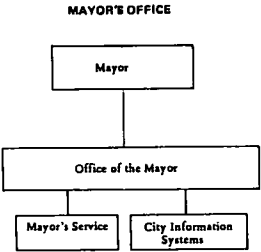

to general supervision of all departments, the responsibilities of this section also include budget preparation and monitoring, labor relations and collective bargaining, inter-governmental coordination and consumer advocacy

The Mayor's Service Center acts as the Mayor's ombudsman for all citizen service

problems and provides assistance in dealing with City agencies.

The City Information System Office operates the City's computer system which

serves a number of other departments. This system handles the billing and payment of City taxes, payroll and a number of other programs designed to help in the management of the City.

MUNICIPAL COURTS

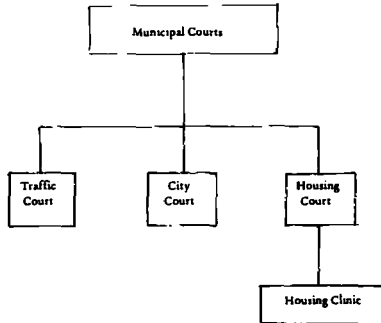

The Municipal Courts include the City Court, Traffic Court and Housing Court. These courts are charged with hearing cases involving the violation of various State laws or City ordinances. All City Magistrates serve for fixed terms and are appointed by the Mayor upon approval of City Council.

In City Court, arraignments and preliminary hearings are held on criminal matters brought by the City Police.

Traffic Court hears cases involving violations of the motor vehicle code and the City's parking ordinances.

Housing Court hears cases involving violations of the City's Building and Fire Prevention Codes and also the County Health Code. It also supervises the work of the Housing Clinic which acts as a probation officer for the court.

COMMISSION ON HUMAN RELATIONS

The Commission exists to administer the City's Human Relations Ordinance. Primarily, this involves processing complaints of discrimination on the basis of race, color, religion, ancestry, national origin or place of birth and sex, in employment, housing or public accommodations. Such complaints are designated as "formal" and may be filed by any individual or organization claiming to be aggrieved by an alleged unlawful discriminatory act. The Commission is also empowered to initiate complaints in its own name.

Formal complaints are investigated by the staff and reported to the Commission for decisions. Where discrimination is found to exist, attempts are made to seek a satisfactory adjustment by voluntary conciliation. When conciliation fails, the Commission may hold public hearings, issue orders and otherwise seek legal enforcement of its decision.

In addition to formal complaints, the Commission is mandated to study and investigate conditions having an adverse

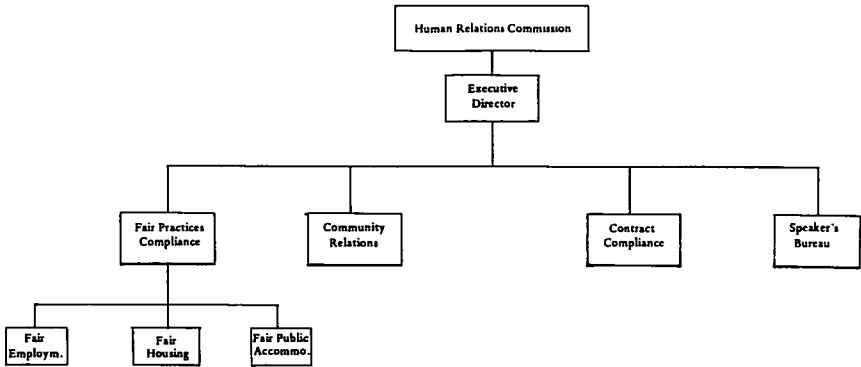

effect on intergroup relations in the City of Pittsburgh. Accordingly, the Commission maintains projects in community relations to attempt amelioration of disputes or problems involving prejudice, intolerance or intergroup tension.

The Commission, through its Contract Compliance Specialist, monitors bidders for construction contracts with the City to determine whether or not they comply with equal opportunity and affirmative action provisions required by law.

In the course of its activities, the Commission is approached often by persons who have problems related to our jurisdiction but not formally within it. Some such matters are processed fully by the staff while others are ultimately referred to another more appropriate agency.

Commission members and staff participate in speaking engagements and similar public information and technical assistance activities to effectuate the goals of the Human Relations Ordinance.

DEPARTMENT OF CITY CONTROLLER

The City Controller is an elected official serving a four year term.

The Controller's duties include audits of all units of the City government; auditing preliminary accounts of campaign contributions and expenses in connection with every election to City office; approving the form of accounting and reporting of dollar amounts;

approving and countersigning all contracts and agreements for the City; maintaining control of all appropriation, trust and bond accounts; checking all invoices, claims and demands for payment; and preparing monthly, quarterly and annual reports on revenues, expenditures, debt and the City's financial condition.

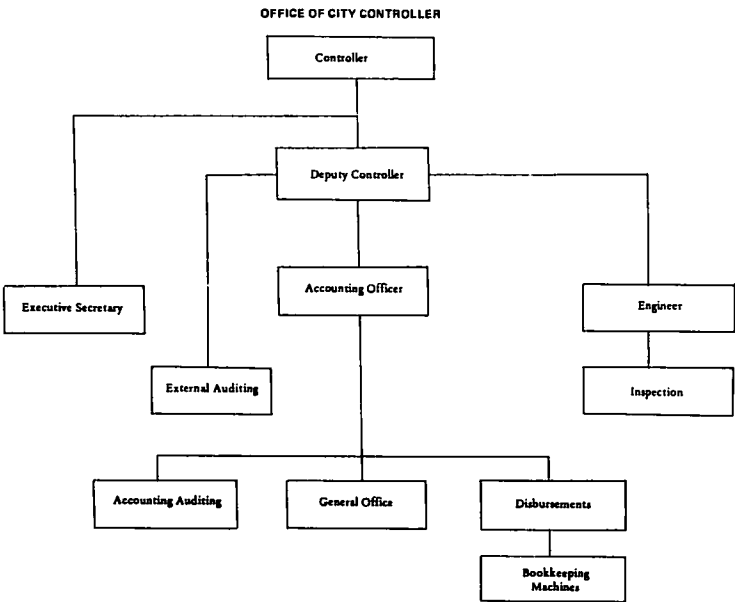

The City Controller is also the Controller for the Board of Public Education, Secretary

of the Sinking Fund Commission and a Director of each of the City's three Pension Funds.

SINKING FUND COMMISSION

The Sinking Fund Commission consists of five persons appointed by the Mayor and approved by City Council. The Commission is responsible for overseeing the repayment of the City's debt. If there are funds available,

the Commission can reduce the requested appropriation from the City's General Fund. The staff of the Commission is provided by the Department of City Controller.

DEPARTMENT OF CITY TREASURER

The City Treasurer is also the School Treasurer and oversees the collection of taxes and revenues due both the School District and the City. The Treasurer is also responsible for short term investing of all City Funds and the Sinking Fund.

The Treasurer's tax collection function includes informing the public, registering new business and new individual taxpayers, preparing, mailing, and processing forms, recording tax collections, refunding overpayments, investigating and auditing taxpayers' returns, and filing suit for non-compliance.

The Registration Section registers new businesses and issues Mercantile Licenses. The Business Tax Section prepares, mails, processes and records returns from various businesses. They also conduct investigations of delinquent taxpayers. The Wage Tax Section collects the 1% Wage Tax imposed by the School and City on the wages of employed persons who reside within the City of Pittsburgh. The Audit Section audits returns of taxpayers which result in additional assessments at times.

The Billing and Tax Information Section supervises the collection of Water, Real Estate and Personal Property Taxes, prepares and mails tax bills, prepares duplicate tax bills at the taxpayer's request and answers taxpayer's questions. The Bookkeeping Section records Water and Real Estate Tax and Personal Property Tax billings and payments. The Treasurer's Sale Section conducts delinquent tax sales.

The Cashier Section receives City funds in cash and checks, in person, and through mail for taxes and for other City revenue such as Federal grants, license fees, etc. Pittsburghers are also permitted to make their water and real estate payments at Pittsburgh National Bank and their real estate payment at Equibank.

The City Payroll Section prepares and distributes paychecks to all City employees every two weeks for approximately 5,000 City employees and 1,900 Federally funded Manpower personnel. The Payroll Section also administers Workmen's Compensation and various fringe benefits.

In addition to these typical Treasurer functions, the Treasurer supervises the operation of Parking Income and Services which includes the control and management of the Tow Pound, the maintenance and installation of parking meters, and the supervision of the Meter Patrol that enforces parking violations.

Also, the Treasurer acts as auditor for outside contractors that receive CETA monies and supervises the Fiscal Division of the Community Development Program.

DEPARTMENT OF LAW

The Department of Law acts as attorney for the City and its officials. It is headed by the City Solicitor who supervises a staff of attorneys, investigators, stenographers and clerks. Its activities involved all branches of City government. The Department renders legal opinions and advice to the Mayor, City Council and the various City departments.

The Law Department represents the City in court actions involving damage claims against the City and in other kinds of actions, including the defense of ordinances against allegations of unconstitutionality; civil rights actions, suits for collection of taxes, enforcement of such ordinances as the Zoning, Building and Traffic Codes, damage claims by the City against persons who have damaged City property or equipment; eminent domain cases dealing with the taking of property for public purposes; and intervention in tax assessment matters to help insure fair valuation of taxable real estate. The Department

participates in Workmen's Compensation and Civil Service cases, as well as police and fire trial boards.

The Law Department represents the interests of citizens in proceedings before such regulatory agencies as the Public Utility Commission and the Milk Marketing Board. It seeks to protect the City and its citizens against excessive gas and electric utility rates, milk prices and the like. The Department has opposed efforts by railroads to reduce essential service to the City.

Through its Claims Division, the Department processes claims and recommends payment or settlement in proper cases. The Law Department is responsible for the filing and revival of liens and for the drafting or approval of proposed ordinances, resolutions, deeds, leases, contracts, legal pleadings and briefs.

DEPARTMENT OF PERSONNEL AND CIVIL SERVICE COMMISSION

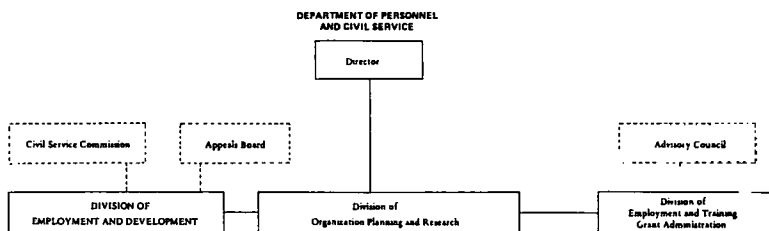

This newly created department merges and expands the City's personnel operation by organization along three functional divisions.

The Division of Employment and Development will incorporate the responsibilities of the Civil Service Commission, i.e. recruitment, affirmative action, EEO reporting, investigations, records maintenance, physical examinations, test preparation and administration and the additional responsibilities of training, job analysis, performance evaluation system and safety. This division will also insure that the City is in compliance with all local state and federal legislation and court decisions regarding employment practices. The division will administer these personnel functions for all employees of the City including federal funded employees.

The Division of Employment and Training Grant Administration will be responsible for providing training and employment to unemployed and underemployed residents

of the City including the planning, development and administration of the CETA Program, all training, public service employment, and job development and placement. This division will be responsible for preparation of proposals and plans for federal funding, insuring compliance with federal laws and regulations, fiscal control and auditing, preparation, maintenance and reporting of statistics, negotiating and monitoring of employment and training projects, and reviewing public service employment and training agencies.

The Division of Organization, Planning and Research will be responsible for the development and administration of the Pay and Classification Plan, work force planning, personnel research, and employee benefits administration. This division will also be responsible for labor contract administration as well as the preparation of statistics and information for labor negotiations and arbitration.

DEPARTMENT OF CITY PLANNING

The Department of City Planning functions under a nine-member City Planning Commission which is appointed by the Mayor. Planning Commissioners serve without pay for six-year staggered terms. The main function of the Department of City Planning

is to recommend to the Mayor and Council on the allocation of resources to promote the orderly development and redevelopment of the City. The resources with which the department deals primarily are private land, which is controlled through zoning and

subdivision regulations, and public funds for physical construction, which are controlled through the Capital Program.

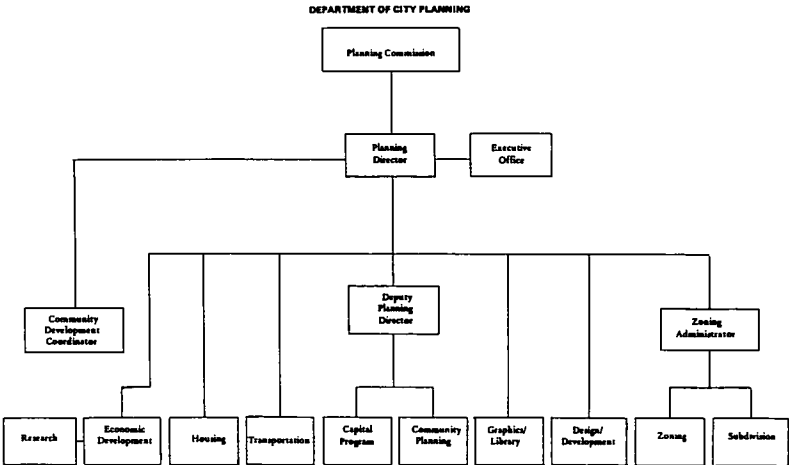

The Commission is required by law to prepare and adopt a Master Plan. This requirement is met through the bi-annual publication of a Six-Year Development Program, which combines in a single document the long-range plans for the City, the current policies and programs for implementing those plans, and a recommended Six-Year Capital Program of specific projects. In addition to the Six-Year Development Program, the department also assists the Mayor in the preparation of an annual Capital Budget and the Community Development Program.

The department has local legislative responsibilities for administering the zoning ordinance and the subdivision regulations. Development proposals requiring zone changes are reviewed by the planning staff and recommendations are made to the Planning Commission for its consideration. The Zoning Administrator has certain direct responsibilities for the administration of the zoning ordinance. The design and development staff are involved in the review process, reviewing both public and private development proposals for their design quality and to determine their benefit to the City. The

staff is also responsible for the development of proposals for City sponsorship.

The department undertakes planning studies in various functional areas, including housing, transportation, recreation and economic development. This work includes liaison with other city and governmental agencies and the monitoring of consultant studies. In conjunction with the development of the six-year Capital Program and the annual Community Development Block Grant (CDBG) Program, the department also has been responsible for the development of specific programs.

The department provides an ongoing mechanism for community participation through its community planning program. A professional planner is assigned on a full-time basis, to each of a number of the large residential districts within the City. This planner serves as prime liaison between the local community and the City Planning Department, as technical assistant to local neighborhood groups, and as development coordinator and expeditor of public activities within the community. This mechanism has permitted community groups and individuals to have a voice in the most important recommendations made by the City Planning Commission, including those on the Capital Budget and on the Community Development Block Grant Program.

DEPARTMENT OF SUPPLIES

The Department of Supplies is responsible for furnishing all goods and services required by the various City departments. The department is also responsible for the administration of the Bureau of Automotive Equipment, Tests, Print and Photography Shops, and Towing.

The General Office advertises for prospective suppliers, tabulates the bids received, and awards the contract to the lowest responsible bidder. The Department seeks to acquire the needed goods and services at the lowest cost compatible with high standards of quality by promoting vigorous competition through newspaper advertising and maintenance of lists of vendors who are notified of impending City purchases and rentals.

The Bureau of Automotive Equipment maintains and repairs the City's fleet,

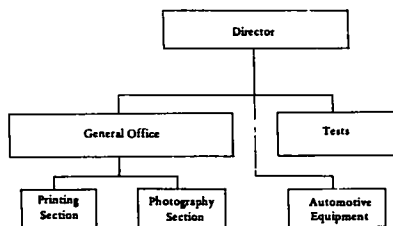

consisting of over 1,200 vehicles. Additionally, the Bureau is responsible for fueling of all City-owned vehicles. In 1977, over 1.8 million gallons of fuel were dispensed at the two City-operated fueling facilities.

The Photography and Print Shops perform the various duplicating, lithographing, and photography services required by the City.

The Bureau of Tests is responsible for assuring that all prospective purchases meet or exceed the City's specifications. The Bureau of Tests is also responsible for the street lighting system of over 42,000 lamps

The continuing goal of the Department of Supplies is the maintenance of City services at desired levels at the lowest cost possible.

DEPARTMENT OF ENVIRONMENTAL SERVICES

The Environmental Services Department is responsible for helping City residents maintain a clean, healthful and fuel efficient environment. To this end it provides four basic services: the collection and disposition of all residential solid waste, Animal Control, Environmental Control and Winterizing Homes in Pittsburgh (W.H.I.P.).

The Refuse Division collects solid waste on a weekly basis from the premises of all residences in the City.

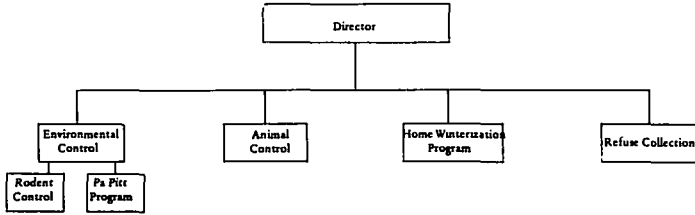

The Animal Control Division is responsible for the enforcement of the ordinances

governing the conditions imposed upon the animal population and their owners.

The Environmental Control Division includes the annual "Pa-Pitt" neighborhood clean-up campaign and also the rodent baiting and citizen information portions of the Rodent Control Program.

The W.H.I.P Program is a free service to eligible Pittsburgh area homeowners designed to achieve greater comfort and energy efficiency by lessening fuel consumption in area homes.

DEPARTMENT OF LANDS AND BUILDINGS

The Department of Lands and Buildings has the responsibility for all properties owned or controlled by the City of Pittsburgh.

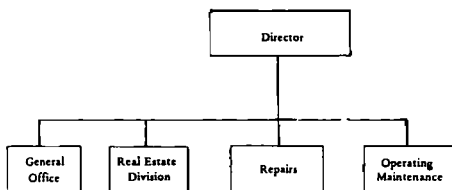

The department is also responsible for the purchase of properties for use by the City and the sale of properties no longer required by City government.

The Real Estate Section of the department is comprised of a real estate supervisor and a working staff. The supervisor appraises properties and prepares agreements for the purchase and sale of same. This section

functions as a liaison for the School District, Allegheny County and the City by selling and leasing properties under control of the three taxing bodies. They prepare leases for space needed by various City agencies in specific geographic areas.

The department also has two divisions whose functions are concerned with properties owned outright by the City. The Bureau of Operating Maintenance is responsible for housekeeping within the various buildings. The Bureau of Repairs is responsible for building upkeep and minor renovations.

DEPARTMENT OF HOUSING

The Department of Housing is the City department responsible for all housing and housing related matters including federal and local housing development programs, code enforcement, and housing assistance and rehabilitation programs.

The department aims at stimulating new housing construction by working with and assisting private developers build conventionally financed and subsidized housing on the city. The department is also responsible for policy development of City programs aimed

at housing rehabilitation. The department works toward abandonment prevention through the urban homesteading program and an active demolition program.

The department includes the Bureau of Building Inspection, and has key relationships with the Urban Redevelopment Authority and the Housing Authority which implement programs under the direction of citizen boards. On housing related matters, the Director of the Department of Housing serves as liaison for the City with these matters.

DEPARTMENT OF EMERGENCY MEDICAL SERVICES

This Department provides, to the citizens of Pittsburgh, an Emergency Medical Services System, capable of administering the ultimate in emergency medical care to the critically ill and injured. The protection of the life and health of the people is done through the

utilization of highly trained paramedics who use the most advanced techniques in emergency care and are capable of administering life sustaining treatment to the victim of an accident or sudden illness.

During the last year, the program has replaced its fleet of ambulances with new modular vehicles and has expanded the number from five to ten. Two new paramedic rescue trucks have also been added as well as fifty new paramedics for a total of 118 employees. By the end of 1977, the program

will have responded to approximately 30,000 calls for medical aid and will be responsible for saving over 400 lives. Plans for 1978 include the addition of two more paramedic ambulances. Although, the program is only two years old, it is recognized nationally as one of the finest in the country.

DEPARTMENT OF POLICE

The traditional responsibilities of protection of life and property, enforcement of criminal and traffic laws, prevention of crimes, preservation of the public peace and the apprehension of criminals all fall to the Department of Police. In addition, the department provides crossing guards to protect the public at busy intersections and children going to and from school, and issues a variety of licenses and permits.

The Superintendent of Police is the chief administrator and oversees the functions of all branches, divisions and sections of the Department of Police.

The Administrative Branch is the regulative and managerial arm of the department and is responsible for: INTERNAL AFFAIRS

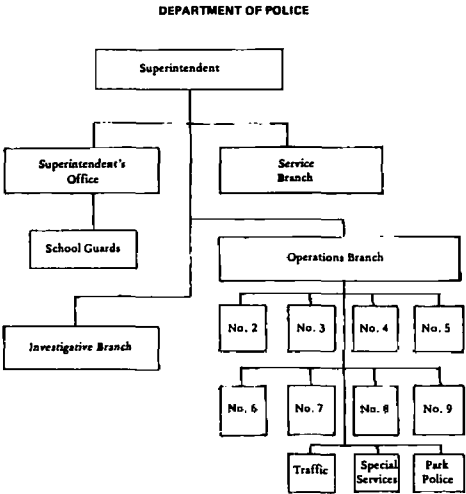

SECTION whose mission it is to ensure the overall good conduct and integrity of the department; PLANNING AND RESEARCH INCLUDING WRITTEN DIRECTIVES whose responsibility it is to design and disseminate departmental procedures and programs; PERSONNEL AND FINANCE SECTION to maintain personnel records, assure that all contractual services rendered are expeditiously invoiced for payment and ensure that all payroll functions are accomplished accurately and promptly; TRAINING SECTION is responsible for the development and supervision of all training programs; the LEGAL ADVISORS who advise top administrators as to the legal aspects of our operating policies and to counsel and assist police officers in the pre-

paration of criminal cases; and SCHOOL CROSSING GUARDS who provide protection for children when travelling to and from school.

The Operations Branch is responsible for the functioning of uniformed police officers on patrol throughout the City, including the City's parks, and the control of vehicular traffic and enforcement of traffic laws and City Ordinances.

The investigation of crime and the prosecution of those suspected of committing crimes is the responsibility of the Investigations Branch. This unit also investigates missing persons and administers polygraph tests.

The Service Branch maintains the voluminous records of the department, provides the communications system, issues permits and is responsible for the processing and detention of prisoners.

DEPARTMENT OF FIRE

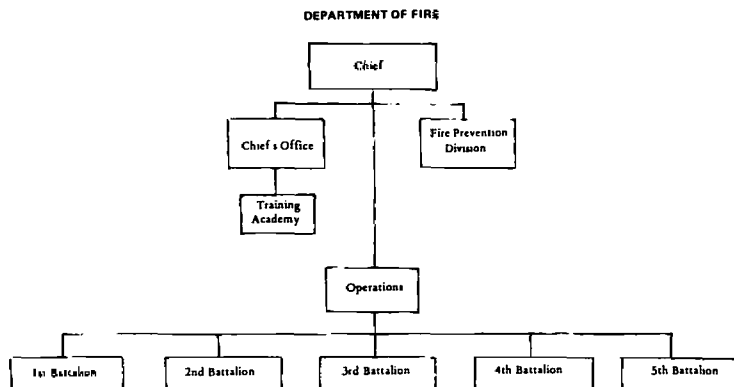

It is the responsibility of the Fire Department to provide fire protection and fire prevention services to the citizens of Pittsburgh. For this purpose 41 fire stations, strategically located and housing 69 firefighting units, are available.

The firefighting units are equipped with modern equipment in order to provide an effective and efficient firefighting force. In addition to their basic function of fire suppression, the firefighting units have a fire prevention commitment as mandated by the National Fire Prevention and Control Commission. To this end a block inspection program was initiated whereby fire companies inspect local residential and commercial buildings for fire hazards. Firefighters also clean and maintain their equipment; assist

in arson investigations; carry out rescue operations; and conduct evacuation drills in schools, hospitals, and other institutions in cooperation with the Fire Prevention Division.

The Fire Prevention Division inspects special highly hazardous situations in large commercial, industrial, and institutional structures for fire hazards; reviews building plans for compliance with the fire prevention code; and investigates complaints from the public relating to fire hazards.

The Fire Chief's office is the administrative center of the Department and also oversees the Fire Academy where new firefighters are trained in the basic fundamentals of firefighting and companies are trained in the team concept of firefighting.

DEPARTMENT OF PUBLIC WORKS

The Department of Public Works is responsible for two major areas of work which help make the City of Pittsburgh a better place to live, work and play. The Bureau of Engineering is responsible for the design and engineering, either in-house or by contract with outside consultants, of the entire City Capital Improvements Program. It is also responsible for administering the actual construction contracts and providing the field engineers and inspectors who serve to supervise construction for the City. The Bureau of Operations is broken down into divisions which are responsible for maintaining the City's streets, roads, sewers, communications, signs, and all the other items which are necessary to the functioning of a great City.

The Construction Division contains special work crews that are capable of undertaking all kinds of special and regular maintenance projects that would be more expensive to do with outside contractors.

Many small projects can be built quickly by this division where regular maintenance is not sufficient.

The Street and Sewer Maintenance Division is responsible for maintaining the City's streets, sewers, catch basins and other items. Besides, the six (6) maintenance sections, it also supervises the Heavy Equipment section, Street Repair program and part of the Rodent Control program.

Traffic Control and Communications Division maintains the City's traffic control system and operates and maintains the Fire Alarm system.

Finally, the Painting Division paints all of the lines on City streets and produces all of the traffic control signs. It is also responsible for the painting of the City's bridges and a variety of equipment which the City uses and maintains.

**DEPARTMENT OF PARKS AND
RECREATION**

The Department of Parks and Recreation continues to broaden the traditional definition of the word "recreation" by responding to the needs of Pittsburghers of all ages. Over twenty-two key services are performed ranging from free theatrical performances to park maintenance. All services are offered with the same goal: to better the life of every resident and to enhance Pittsburgh's environment. To accomplish this goal,—balanced and staffed recreational programs are provided throughout the year. In addition to training and assigning staff to community centers, schools and summer playgrounds, the department also has developed special programs and facilities to serve Senior Citizens and special populations.

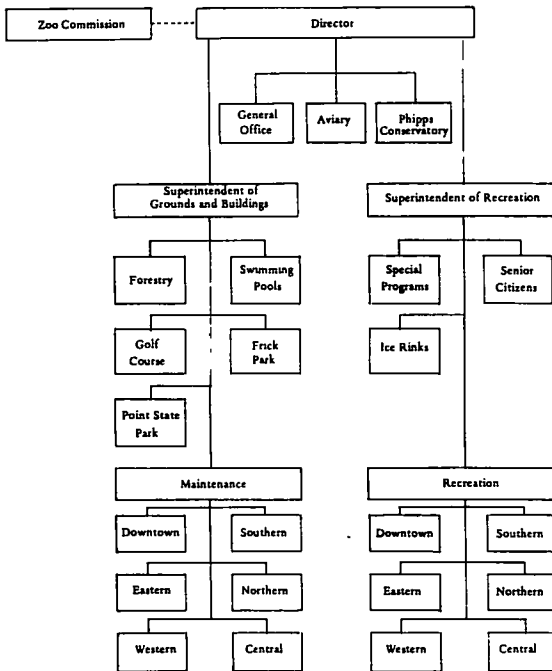

Special city-wide activities are sponsored in the Arts, Theatre, Music, Environmental Education, Athletics and Swimming. Diversion and diversity is evident in the 4th of July celebration, Common Market and Flea Market, Neighborhood Festivals and the GREAT RACE.

The Pittsburgh Parks System boasts unique facilities such as Phipps Conservatory, the Aviary/Conservatory, the Schenley

and Southside Skating Rinks and Mini-golf courses, the Allegheny Community Theatre and Schenley Golf Course. These City of Pittsburgh facilities serve as a regional resource and as an educational center as does the Pittsburgh Zoo. The Zoological Park Commission is chaired by the Director of the Department of Parks and Recreation and continues to try to provide natural environments for all Zoo species and improved services to visitors.

In addition, the department performs a number of critical functions that many people take for granted because they form the backdrop for other department efforts. Such services include daily maintenance of our 2,600 acres of park land, picnic shelters, ballfields, plazas, and squares, as well as the planting and maintenance of park and street trees. The department is responsible for the planning and development of new recreational and park facilities and for assuring that they do meet the needs of the communities. Expanded efforts also have been placed on public information services so that Pittsburghers are made aware of the many facilities and programs available.

DEPARTMENT OF CITY DEVELOPMENT

The newly created Department of City Development is responsible for economic development in the City, with the objectives of creating jobs within the City and expanding the municipal tax base. Funded by a grant from the U.S. Department of Commerce, the Department acts as the coordinator for industrial and commercial development projects within the City. Projects in which the department is presently involved include the development of the former Aspinwall Waterworks site, improvement and development of Herr's Island and the Strip District, industrial loans to several Pittsburgh firms, fostering more minority entrepreneurs, and strengthening the Labor-Management Council. Intertwined with these and other activities, the department also seeks funds from various federal government agencies to help finance these projects.

The Department has also started an Ombudsman program to provide City businesses with a one stop agency in dealing with local government. One of the most important services performed by the department is assisting businesses to locate, relocate, or expand within the City. The department works closely with the industrial realtors in this respect and maintains property and building inventories for prompt service. It also assists businesses to obtain long-term, low-interest financing. The department cooperates with civic organizations, labor, and other City departments to achieve its primary goals of providing more JOBS to City residents, and obtaining more TAXES for the City from new or expanded plants.

LIQUID FUELS TAX FUND

The Director of the Department of Public Works is authorized to purchase or contract for miscellaneous services, supplies, materials, repairs, salt, and rental of equipment, payable from the liquid fuels tax fund, which is a trust fund, designated as L.F.T., authorized by Ordinance No. 122, approved April 9, 1964.

DEPARTMENT OF WATER

The Department of Water is relied upon to draw raw water from the Allegheny River at the Ross Pump Station and through the Department's various functions, deliver a safe water supply to the water consumer, including an adequate capacity to insure fire protection.

During the course of a year's time, approximately 24 billion gallons of water will be chemically treated, to safeguard the potability of the water supply to the consumer.

In order to have a continuous supply of water available for human needs and for fire protection, it is necessary to pump water to high elevation storage sites. This is accomplished through nine (9) pumping stations located in various parts of the water system. Storage facilities include seven (7) open reservoirs and six (6) tank sites with storage capacity of approximately 440,000,000 gallons of water.

As part of the department's compliance with existing Federal and State regulations, there is a continuous daily laboratory analyses, sampling and testing of water quality. The department has maintained a level of consistency, equal to, and at times, exceeding Federal and State standards.

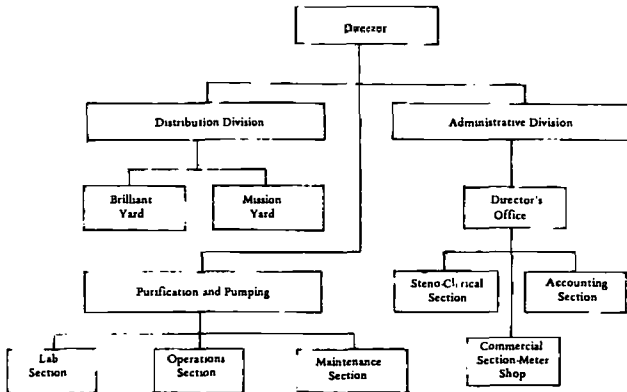

In the Department of Water there are more than 85,000 water meters. Maintenance, repair and replacement of water meters is managed through the Central Meter Shop. A typical year's activity will reflect the installation and repair of approximately 2,500 water meters.

The distribution system of the Department of Water is comprised of more than 900 miles of water mains and includes more than 7,500 fire hydrants and 30,000 gate valves. During 1977 leaks repaired will total almost 400.

As part of the operation of the Purification and Pumping Division there is a system of trouble cards and job order reports involved with the maintenance and repairs. During 1977 approximately 2,000 job orders will have been processed.

Heretofore, the property owner was responsible for the maintenance and repair of its water lines, from his/her property to the main line (in many cases in or across the street.) By action of the City Council, in 1978, the responsibility has been reduced to— from the property to the curb box

No. 1349

RESOLUTION—Fixing the number of officers and employees of the City of Pittsburgh, and the rate of compensation thereof, and setting minimum levels for designated positions.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That from and after the first day of January, 1978, the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, shall be and the same are hereby fixed and established as herein set forth

SECTION 2. To ensure the capacity of the city to provide an effective level of municipal services which will meet the economic, physical and social needs of its citizens, residents, visitors and neighborhoods during the fiscal year for which this Resolution shall be in force, those positions designated by Section 3 of this Resolution shall remain filled for the entire fiscal year, subject to any reasonable time periods required to replace existing officers or employees who leave city employment for any reason during that fiscal year. There shall be no reduction in the number of filled positions so designated unless authorized by a resolution amending this budget resolution, in accordance with Section 507 of the Home Rule Charter of Pittsburgh. In adopting this Resolution it is the intention of Council to provide funding for the annual budget at a level which will enable all departments and units of City government so designated to be staffed, equipped and maintained at the levels mandated herein. If, during the fiscal year, the executive branch determines that the number of employees so mandated in any program can be reduced without substantially effecting the level of services to be provided, the Mayor may request an amendment to this Resolution to accomplish that reduction, and shall include with any request of that nature the reasons for the reduction and evidence as to the impact of that reduction upon the level of services provided

SECTION 3. The minimum levels are established for the following positions:

RESOLUTION—adopting the 1978 Capital Budget; allocating and setting aside amounts in connection therewith; creating Capital Funds; transferring Bond Funds to said Capital Funds.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. The 1978 Capital Budget set forth in Exhibit 1 attached hereto and made part hereof, is hereby adopted and the Projects listed therein are hereby approved.

SECTION 2. The total amounts indicated opposite the departmental allocations in said Exhibit 1 are hereby allocated and set aside in appropriate Capital Fund Accounts within the Capital Project Fund to be established by the City Controller for the 1978 Capital Improvements Program.

SECTION 3. The City Controller is hereby authorized and directed to create Capital Fund Accounts for each of the Projects listed in said Exhibit 1, excluding personnel, interest, materials, repairs, and capital financing costs, said Trust Funds to be designated as indicated on said Exhibit 1.

SECTION 4. The City Treasurer is hereby authorized to deposit the Capital Funds referred to in Section 3 of this Resolution in a bank or banks to be selected by him.

SECTION 5. The City Controller is hereby authorized and directed to transfer sums from prior year existing Bond and Capital Funds and from the Funds established for the 1978 indebtedness described in Section 8 hereof, to each of the aforesaid Capital Funds in the amount indicated on said Exhibit 1, for Project costs, excluding personnel, interest, materials, repairs and capital financing costs.

SECTION 6. The City Controller is hereby authorized to deposit in or transfer to the appropriate Capital Fund money received from Grant Contracts with the Federal or State Governments.

SECTION 7. Any reimbursement received from the Commonwealth of Pennsylvania or the United States of America with respect to projects financed with short-term notes authorized pursuant to Section 8 hereof, shall initially be deposited to the Capital Fund Account for all participating projects and the City Controller is hereby authorized to transfer said reimbursement funds from the Capital Fund to any Sinking Fund established for any short-term notes.

SECTION 8. The Mayor, City Treasurer and City Controller of the City are hereby authorized to institute proceedings for the increase of the indebtedness of the City of Pittsburgh, Allegheny County, Pennsylvania by an amount sufficient to pay the cost of the above-described Projects.

No. 2

AMENDING Section 2 of Ordinance No. 41, passed in Council over the Mayor's veto August 16, 1976, entitled "An Ordinance governing the existence of a minimum of 1500 Uniformed Police Officer Force of the Department of Police, City of Pittsburgh," by increasing the Uniformed Police Officer Force of the Department of Police at a minimum of 1528.

WHEREAS, maintenance of the minimum number of 1528 Uniformed Police Officers is in accordance with the administrative policy decision reflected in the City Budget for 1977 and is essential to the achievement of the City's aims for excellent safety.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. That Section 2 of Ordinance No. 41, passed in Council over the Mayor's veto August 16, 1976, entitled "An Ordinance governing the existence of a minimum of 1500 Uniformed Police Officer Force of the Department of Police, City of Pittsburgh" which reads:

"SECTION 2. Until such time as this minimum strength is achieved, the City will hire the necessary prospective police officers to increase the uniformed force according to the following compliance schedule:

- (a) by January 1, 1977 the City will employ 1400 uniformed police officers to serve the citizens of Pittsburgh
- (b) by January 1, 1978 the City will employ 1450 uniformed police officers to serve the citizens of Pittsburgh, and
- (c) by January 1, 1979 and thereafter, the city will employ a minimum of 1500 uniformed police officers to serve the citizens of Pittsburgh.

The above-stated manning shall be the minimum provided "

Is hereby amended to read:

SECTION 2. Until such time as this minimum strength is achieved, the City will hire the necessary prospective police officers to increase the uniformed force according to the following compliance schedule:

- (a) by January 1, 1977 the City will employ 1428 uniformed police officers to serve the citizens of Pittsburgh.
- (b) by January 1, 1978 the City will employ 1478 uniformed police officers to serve the citizens of Pittsburgh, and
- (c) by January 1, 1979 and thereafter, the city will employ a minimum of 1528 uniformed police officers to serve the citizens of Pittsburgh.

The above-stated manning shall be the minimum provided.

SECTION 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed January 31, 1977.

Effective February 17, 1977.

Ordinance Book 76, Page 160.

Pittsburgh, Pa. Feb. 15, 1977

I do hereby certify that the foregoing ordinance duly engrossed and certified, was delivered by me to the Mayor for his approval or disapproval and that the Mayor failed to approve or disapprove the same, whereupon it became a law without his approval, under the provisions of the Act of Assembly in such case made and provided.

Michael Perry
Clerk of Council

No. 4

AMENDING Ordinance No 139, approved April 17, 1964 as amended entitled "An Ordinance-Regulating the parking, loading and unloading of vehicles on the streets and highways of the City of Pittsburgh, and providing penalties for the violation thereof," by clarifying provisions dealing with issuance of citations and notices of violations for parking offenses.

WHEREAS, Questions have arisen concerning whether parking patrol persons have authority to issue citations and notice of violations for parking offenses; and

WHEREAS, Council desires to clarify the situation.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1.

SECTION 4 of Ordinance No. 139 approved April 17, 1964 entitled "An Ordinance-Regulating the parking, loading and unloading of vehicles on the streets and highways of the City of Pittsburgh and providing penalties for the violation thereof," as amended by Ordinance No. 339 approved June 28, 1973 which presently reads as follows:

"SECTION 4 Notice of violation of this ordinance may be given by Police Officers and such other employees of the Department of Public Safety of the City of Pittsburgh as shall be designated and authorized to do so by the Mayor or Director of the Department of Public Safety, by affixing a violation notice in a prominent place on the vehicle; such form to bear the license number of the vehicle, the date, time and place of the violation, a schedule of the penalties for violations, and a place for signature of the owner of such vehicle.

The owner of the vehicle notified of having violated this ordinance may, if he so desires, pay to the Traffic Court of the City of Pittsburgh before the time for hearing has expired, the fine specified on the violation notice form. Otherwise, he shall appear for hearing in Traffic Court within fifteen (15) days from the date of the notice of violation."

Is hereby amended to read as follows:

SECTION 4. Notices of Violation of this ordinance may be given by Police Officers and such other employees of the Department of Police of the City of Pittsburgh as shall be designated and authorized to do so by the Mayor or the Superintendent of Police, and by parking patrol persons designated and authorized to do so by the Mayor or the City Treasurer, by affixing a violation notice or citation in a prominent place on the vehicle; such form to bear the license number of the vehicle, the date, time and place of the violation, a schedule of the penalties for violations, and a place for signature of the owner of such vehicle.

The owner of the vehicle notified of having violated this ordinance may, if he so desires, pay to the Traffic Court of the City of Pittsburgh before the time for hearing has expired, the fine specified on the violation notice form. Otherwise, he shall appear for hearing in Traffic Court within fifteen (15) days from the date of the notice of violation."

SECTION 2. In all other respects Ordinance No. 139 approved April 17, 1964, as amended by Ordinance No. 339 approved June 28, 1973, shall remain unchanged and in full force and effect.

SECTION 3. Prior to any employee or persons, other than police officers, mentioned in Section 4, above shall give notice of citation, under this Section and Ordinance, such designation and their full scope of authority, shall be in writing, and submitted to City Council.

SECTION 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 12

REQUIRING expenditures on certain buildings or structures for ornamental or other fine art additions in the City of Pittsburgh

WHEREAS, some cities have inaugurated plans to create more beautiful public edifices by means of the inclusion of works of art, and have demonstrated a great deal of acknowledged success to date; and

WHEREAS, it has been acknowledged that unless an allocation for fine arts is a mandatory clause of all public construction contracts, this tendency to eliminate fine arts will increase, resulting in buildings being constructed lacking the traditions and beauty incident to the City of Pittsburgh; and

WHEREAS, the addition of architectural sculpture, mosaics, frescoes, and the like after a building is completed is more apt to appear as an appendage because it is an afterthought, and thereby result in a lack of overall harmony and thus destroy much of the architectural beauty, with resultant lack of aesthetic appeal; and

WHEREAS, great works of architecture have always been distinguished by the inclusion of the fine arts; and

WHEREAS, decorative fountains, murals, sculptural friezes, and the like would add greatly to the aesthetic appeal of the structures being built in the City of Pittsburgh; and

WHEREAS, Edward Durell Stone, distinguished architect for the National Cultural Center in Washington, D.C. has said that "in this period of prosperity and overabundance, the American people can afford everything but beauty . . . we have yet to demonstrate that a democracy can produce a beautiful environment . . . we simply have not taken the time to reflect on whether we are creating a beautiful environment or not," and

WHEREAS, recent public opinion in the City of Pittsburgh has called for such funding for the arts.

**THE COUNCIL OF THE CITY OF
PITTSBURGH HEREBY ENACTS AS
FOLLOWS:**

SECTION 1. That 1% of the total estimated cost of any municipal construction or renovation be reserved for the inclusion of fine arts fixtures as approved by the City Art Commission.

- a) The City of Pittsburgh Art Commission (hereafter referred to as Commission) is hereby designated as the authority for 1% art projects.
- b) In every construction or renovation contract for a municipal project in the City of Pittsburgh financed wholly or in part by the Mayor and City Council of Pittsburgh, the City agency or department in charge of said project together with the architect or engineer employed for said project shall, in

first instance, determine whether or not in their judgment ornamentation is desirable in the public interest. If so desirable, the City agency or department shall include such ornamentation in the plans and specifications of the project.

- c) All final plans and specifications, together with the City's estimate of cost, shall be submitted to the Commission and the Commission's recommendation received prior to approval of the contract documents
- d) Within thirty (30) days after said plans are submitted to the Commission it shall determine, by majority vote of the members present at any regular meeting or special meeting called for the purpose, whether it agrees with the decision of the City agency in charge of the project as to the desirability of ornamentation and that said ornamentation is fitting and appropriate to the function and location of the structure. If ornamentation is not included and the Commission is of the opinion that ornamentation will be in the public interest, it shall return the plans to the City agency with such a recommendation. Said agency has thirty (30) days in which to re-submit plans with desired ornamentation included. If however, the Commission approves of the plans it shall so indicate by returning such plans duly approved. If the Commission fails to act on such a submission within the 30 day period the City agency may then proceed as if the Commission's approval had been given.
- e) For the purposes of this Ordinance, fine arts shall include but not be limited to, sculpture, monuments, mosaics, frescoes, murals, stained glass, fountains or other decorations, both interior and exterior.
- f) The sum of money allocated for said fine arts fixtures in the case of projects suitable therefor as herein provided shall be a minimum of one percent (1%) of the total estimated construction or renovation cost of municipal

projects. If said sum is less than \$1,500.00, easel paintings or the acquisition of an already completed work will be permissible upon approval of the Art Commission.

- g) It is further intended that City agency or department shall include municipal authorities whose members are appointed in whole or in part by the Mayor or City Council.
- h) In making a determination as to whether a public structure should be ornamented, and in what manner, the Commission shall consider such factors as whether the project is under ground, under water or otherwise obscured from public view in which case ornamentation would be superfluous, it also shall consider the nature of the project and whether, as in the case of a statue, further ornamentation also would be superfluous; and it shall be further considered whether the complexities of financing such public improvement, such as Federal-aid or State-aid project would make ornamentation impractical under the circumstances.

SECTION 2. All provisions of this Ordinance are in accordance with the 1911, May 12, P.L. 291 and merely act to supplement stated powers of the Art Commission.

SECTION 3. That this Ordinance shall take effect from the date of its passage

SECTION 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 13

REQUIRING owners, lessees or occupants of buildings to keep receptacles, with covers, for garbage and rubbish; restricting such receptacles from sidewalks and public places; prohibiting accumulation of dirt, ashes, rubbish, tin cans, garbage, or other debris, on vacant or occupied premises, or on sidewalks abutting such premises; requiring owners not in possession to remove accumulations; authorizing the Department of Public Works to remove such accumulation after notice at the expense and cost of owner, occupant or lessee; prohibiting the throwing, sweeping, dumping or depositing in any manner, of dirt, ashes, rubbish, tin cans, garbage, or other debris of any kind, onto public thoroughfares into gutters, or into sewers, or onto private or public property; and providing penalties for violation thereof.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. Every owner, lessee or occupant of any building, shall provide or cause to be provided suitable and sufficient receptacles for receiving and holding of all garbage and rubbish that result from the occupancy and use of said building, or any portion thereof. Such receptacle or receptacles shall not be kept on any sidewalk or in any public place longer than is necessary for the removal of its contents. All receptacles used for the reception of garbage and rubbish shall be provided with proper covers or lids and shall be kept securely closed at all times.

SECTION 2. No owner, lessee or occupant of any building shall permit the accumulation of dirt, ashes, rubbish, tin cans, garbage or other debris, on any sidewalks or thoroughfares abutting said building, or in yards or vacant ground forming part of the premises.

SECTION 3. No owner, lessee or occupant of any vacant lot, private court or yard shall permit the accumulation of any dirt, ashes, rubbish, tin cans, garbage, or other debris, thereon or on any abutting sidewalks or pavements.

SECTION 4. An owner who is not in actual possession of premises described in Sections 2 and 3 is hereby required to remove, or cause to be removed, the accumulations prohibited in Sections 2 and 3.

SECTION 5. In the event any owner, lessee or occupant, in violation of the provisions herein, fails to remove, or cause to be removed, accumulations of any dirt, ashes, rubbish, tin cans, garbage, or other debris, as aforesaid, the City of Pittsburgh shall give five (5) days' notice to said owner, lessee or occupant to remove the same, and in the event said owner, lessee or occupant fails to remove the same, the Department of Public Works shall remove said accumulations at the expense of said owner, lessee or occupant. Such expense, together with costs, shall be recovered by the City of Pittsburgh in addition to any other penalties provided by this ordinance.

SECTION 6(a). No person shall throw, sweep or deposit in any manner onto any sidewalk, public thoroughfare, or other public place (vacant lots), or onto the private premises of another, or into gutters or sewers, small amounts of any dirt, ashes, rubbish, tin cans, garbage, or other debris of any kind.

SECTION 6(b). No person shall throw, sweep, dump, or deposit in any manner onto any sidewalk, public thoroughfare, or other public place (vacant lots), or onto the private premises of another, or into gutters or sewers, large amounts of any dirt, ashes, rubbish, tin cans, garbage, or other debris of any kind.

SECTION 7. The Ordinance Enforcement Officers and the Meter Patrol of the Department of the City Treasurer of the City of Pittsburgh and Police Officers of the City of Pittsburgh shall have the duty and authority to enforce the provisions of this ordinance. The Ordinance Enforcement Officers and the Meter Patrol in the performance of their duties shall have the authority to institute summary criminal proceedings and issue citations as a means of enforcing the provisions of this ordinance.

SECTION 8(a). Penalties for the violation of Sections 1, 2, 3, 4, 5, and 6(a) of this ordinance shall be as follows:

First Offense: Notice of violation delivered in person or sent by registered or certified mail to the person so charged.

Second Offense: A fine not to exceed \$50.00, and in default of payment of the fine and costs, imprisonment for a period not to exceed three (3) days.

All Subsequent Offenses: A fine not to exceed \$100.00, and in default of payment of the fine and costs, imprisonment for a period not to exceed five (5) days.

A separate offense shall be deemed committed upon each calendar day during or on which a violation occurs or continues.

No. 16

REARRANGING the composition of the Board of Trustees of the Carnegie Library of Pittsburgh subject to certain conditions.

WHEREAS, Andrew Carnegie, formerly a citizen of the city of Pittsburgh, by virtue of certain instruments executed by him offered to create and did create two trusts for the benefit of the people of Pittsburgh viz: a trust for the creation and maintenance of free public libraries (now known as "The Board of Trustees of Carnegie Library of Pittsburgh") and a trust for a public art gallery and museum (now known as "Carnegie Institute"), the terms of which trusts included the manner of selecting or appointing trustees for the administration thereof and provision for the representation of the City of Pittsburgh upon the boards of trustees;

WHEREAS, the trust created by Mr. Carnegie for the establishment and maintenance of Carnegie Library of Pittsburgh provided that the same should be administered by a board of trustees consisting of eighteen members, of whom nine should be representatives of the City of Pittsburgh and consist of the persons who from time to time should be the Mayor, the Presidents of Select and Common Councils, the President of the Central Board of Education and a library committee appointed by the Councils of five of its members, and the remaining nine trustees should be citizens of Allegheny County appointed by Mr. Carnegie with power to elect their successors;

WHEREAS, as provided by Mr. Carnegie all of the members of the Board of Trustees of Carnegie Library of Pittsburgh became and are *ex officio* members of the Board of Trustees of Carnegie Institute;

WHEREAS, by Ordinance No. 11 approved May 31, 1890, the City of Pittsburgh accepted the gift by Mr. Carnegie of the free public libraries and agreed to maintain said libraries;

WHEREAS, by Act of the Assembly of the Commonwealth of Pennsylvania approved May 31, 1911, the form of government of the City of Pittsburgh was changed and its Select and Common Councils were abolished and in their stead a single Council composed of nine members was elected, and by Act of Assembly approved May 18, 1911 the Central Board of Education of the City of Pittsburgh was abolished and a Board of Trustees of the School District of the City of Pittsburgh was created in its stead;

WHEREAS, by Decree of the Court of Common Pleas of Allegheny County, Pennsylvania, entered February 10, 1912 in proceedings at No. 79 April Term, 1912, it was ordered, adjudged and decreed that the City of Pittsburgh was entitled to have nine representatives on the Board of Trustees of Carnegie Library of Pittsburgh who shall be *ex officio* members of the Board of Trustees of Carnegie Institute and that the nine representatives shall be persons holding the official positions in the City of Pittsburgh as Mayor,

the President of Council, members of the Library Committee of Council, not exceeding six in number, and the President of the Board of Public Education of the City of Pittsburgh.

WHEREAS, at the present time the Board of Trustees of the Carnegie Library of Pittsburgh, which by Order of the Orphans' Court of Allegheny County, Pennsylvania entered October 19, 1956 in proceedings at No. 4234 of 1956 was combined with the Carnegie Free Library (North Side), is composed of:

<i>Public Officials</i>	<i>Citizen Members</i>
Richard S. Caliguiri	James M. Bovard
William J. Coyne	Henry L. Hillman
Eugene P. DePasquale	Henry P. Hoffstot, Jr
Peter F. Flaherty	Helen M. Moore
Richard E. Givens	William R. Oliver
James F. Lally	Edward O'Neil
Louis Mason, Jr.	Joan C. Pierce
Evelyn B. Neiser	Melanie L. Simo
Robert R. Stone	James M. Walton

WHEREAS, the Board of Trustees of Carnegie Library of Pittsburgh has since its inception provided free library services to all residents of the City of Pittsburgh and has since 1956 provided free library services to all residents of the County of Allegheny, including those not resident in the City of Pittsburgh;

WHEREAS, the use of the Central Library and branches, determined by a weighted formula which has been in use since 1970, has since 1970 been approximately 54% by residents of the City of Pittsburgh and approximately 46% by residents of the County of Allegheny who reside outside the City of Pittsburgh, and the budget for such central library and branches has been supported (except for the year 1975) in the ratio of 54% by contributions from the City of Pittsburgh and 46% by contributions from the County of Allegheny;

WHEREAS, it is desirable that the County of Allegheny as well as the City of Pittsburgh be represented on the Board of Trustees of Carnegie Library of Pittsburgh and to provide for such representation the City of Pittsburgh is willing to reduce its representation on the Board from nine members to five members, as hereinafter set forth; and

WHEREAS, for the purpose of rearranging the composition of the Board of Trustees of Carnegie Library of Pittsburgh it will be necessary for the Trustees, the City of Pittsburgh, the School District of the City of Pittsburgh and the County of Allegheny to petition the Common Pleas Court of Allegheny County, Pennsylvania (Orphans' Court Division) for the approval thereof and for the entry of an Order of Court decreeing the rearrangement of the composition of the Board of Trustees of the Carnegie Library of Pittsburgh as aforesaid.

NOW, THEREFORE, the Council of the City of Pittsburgh hereby enacts as follows:

SECTION 1 The Council of the City of Pittsburgh hereby approves, subject to:

(a) like approval by the Board of Trustees of the Carnegie Library of Pittsburgh, the School District of the City of Pittsburgh and the County of Allegheny and

(b) the execution and delivery by the City of Pittsburgh, the County of Allegheny and the Board of Trustees of the Carnegie Library of Pittsburgh of a mutually agreeable and acceptable Plan and Agreement providing for the maintenance and support by the City and the County of the libraries operated by the Board of Trustees of the Carnegie Library of Pittsburgh,

the entry of an appropriate Order by the Court of Common Pleas of Allegheny County, Pennsylvania (Orphans' Court Division) for rearranging the composition of the Board of Trustees of the Carnegie Library of Pittsburgh so that:

(i) the City of Pittsburgh is entitled to have five representatives on the Board of Trustees of Carnegie Library of Pittsburgh consisting of the persons who now or hereafter may hold the following positions in the City of Pittsburgh, viz: the Mayor, the President of Council and three members of Council appointed by the President of Council;

(ii) the County of Allegheny is entitled to have four representatives on the Board of Trustees of Carnegie Library of Pittsburgh consisting of the three Commissioners of the County of Allegheny and one person who

holds an office of high responsibility in the government of the County of Allegheny appointed by the Board of Commissioners of the County of Allegheny to serve at the pleasure of the Board of Commissioners; provided that each of the Commissioners may, in lieu of serving personally on the Board of Trustees, designate an individual to serve in his or her place;

(iii) the remaining nine members of the Board of Trustees of the Carnegie Library of Pittsburgh to be elected in the same manner as such members are presently elected.

SECTION 2. The proper officials of the City of Pittsburgh be and they hereby are authorized and directed to take such action as shall be approved by the City Solicitor to carry out the intent and purpose of this Ordinance

SECTION 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 17

REQUIRING receptacles for garbage and rubbish; prohibiting accumulation of dirt or other debris; providing for removal of such accumulations; prohibiting littering; providing penalties for violation; and repealing Ordinance No. 13, enacted May 23, 1977.

THE COUNCIL OF THE CITY OF
PITTSBURGH HEREBY ENACTS AS
FOLLOWS:

SECTION 1. Every owner, lessee or occupant of any building shall provide or cause to be provided suitable and sufficient receptacles for receiving and holding of all garbage and rubbish that result from the occupancy and use of said building or any portion thereof. Such receptacles shall not be kept on any sidewalk or in any public place longer than is necessary for the removal of their contents. All receptacles used for the reception of garbage and rubbish shall be provided with proper covers or lids and shall be kept securely closed at all times.

SECTION 2. No owner, lessee or occupant of any building shall permit the accumulation of dirt, ashes, rubbish, tin cans, garbage or other debris on any sidewalks or thoroughfares abutting said building, or in yards or vacant ground forming part of the premises.

SECTION 3. No owner, lessee or occupant of any vacant lot, private court or yard shall permit the accumulation of any dirt, ashes, rubbish, tin cans, garbage, or other debris, thereon or on any abutting sidewalks or pavements.

SECTION 4. An owner who is not in actual possession of premises described in Sections 2 and 3 hereof is hereby required to remove, or cause to be removed, the accumulations prohibited in Sections 2 and 3.

SECTION 5. In the event any owner, lessee or occupant, in violation of the provisions herein, fails to remove or cause to be removed, accumulations of any dirt, ashes, rubbish, tin cans, garbage, or other debris, as aforesaid, the City of Pittsburgh shall give five days' notice to said owner, lessee or occupant to remove the same; and in the event said owner, lessee or occupant fails to remove the same, the Department of Environmental Services shall remove said accumulations at the expense of said owner, lessee or occupant. Such expense together with costs shall be recovered by the City of Pittsburgh in addition to any other penalties provided by this Ordinance.

SECTION 6. No person shall throw, sweep or deposit in any manner onto any sidewalk, public thoroughfare, vacant lot or other public place, or onto the private premises of another, or into gutters or sewers, any

quantities of any dirt, ashes, rubbish, tin cans, garbage, or other debris of any kind.

SECTION 7. The Ordinance Enforcement Officer or Officers and the Parking Meter Patrol in the Department of the City Treasurer, Inspectors in the Bureau of Building Inspection and Police Officers of the City of Pittsburgh shall have the duty and authority to enforce the provisions of this Ordinance. The Ordinance Enforcement Officer or Officers, the Parking Meter Patrol, and Inspectors in the Bureau of Building Inspection in the performance of their duties shall have the authority to institute summary proceedings and issue citations as a means of enforcing the provisions of this Ordinance.

SECTION 8(a) Penalties for the violation of Sections 1, 2, 3, 4, and 5 of this Ordinance shall be as follows:

<i>First Offense:</i>	Notice of violation delivered in person or sent by registered or certified mail, or first class mail, postage prepaid, to the person charged.
---------------------------	---

<i>Second Offense:</i>	A fine not to exceed \$50.00, and in default of payment of the fine and costs, imprisonment for a period not to exceed three (3) days.
----------------------------	--

<i>Subsequent Offenses:</i>	A fine not to exceed \$100.00, and in default of payment of the fine and costs, imprisonment for a period not to exceed five (5) days.
---------------------------------	--

SECTION 8(b) Any person who shall violate Section 6 of this Ordinance by throwing, sweeping, dumping or depositing in any manner onto any sidewalk, public thoroughfare, vacant lot or other public place, or onto the private premises of another, or into gutters or sewers small quantities, i.e., less than eight (8) cubic feet, of any dirt, ashes, rubbish, tin cans, garbage, or other debris of any kind, shall be subject to the penalties

set forth in Section 8(a) of this Ordinance. Any person who shall violate said Section 6 by throwing, sweeping, dumping or depositing in any manner onto any sidewalk, public thoroughfare, vacant lot or other public place, or onto the private premises of another, or into gutters or sewers, large quantities, i.e., eight (8) cubic feet or more, of any dirt, ashes, rubbish, tin cans, garbage or other debris of any kind, shall be subject to a fine of not less than \$300.00, nor more than \$500.00 for each offense, and in default of payment of the fine and costs, imprisonment for a period not to exceed thirty (30) days.

SECTION 8(c). A separate offense shall be deemed committed upon each calendar day during or on which a violation of Sections 1, 2, 3, 4, 5 or 6 of this Ordinance occurs or continues.

SECTION 9. Ordinance No. 13, enacted May 23, 1977, is hereby specifically repealed.

SECTION 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 23

REGULATING the opening of the surface of streets and ways of the City of Pittsburgh by other than the corporate authorities of said City; requiring permits therefore to be taken out except by street passenger railway or traction companies, and fixing charges therefor, and for the permanent resurfacing of the streets, to be done by the City of Pittsburgh or persons, firms or corporations designated by the Director of the Department of Public Works, prescribing the conditions upon which the same will be granted, and prescribing the punishment for violations of the provisions of this Ordinance, and repealing Ordinance No. 78 of 1930.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. That the opening of the surface of any street or way of the City of Pittsburgh by other than the corporate authorities of the said City is hereby prohibited unless a permit is obtained for that purpose in the manner hereinafter described. Such permit shall be granted by the Director of the Department of Public Works of said City when the person, firm or corporation applying for such permit files an application with the Bureau of Engineering, Department of Public Works, in compliance with the provisions of this Ordinance, and pays to the City Treasurer the monies hereinafter stated. Provided, however, that it shall not be necessary for any street passenger railway or traction company to take out a permit for the purpose of repairing the roadbeds of its railway or the pavements between its tracks and one foot outside thereof, where it is the duty of such street railway or traction company to repair and keep in repair that portion of the highway; provided also, that nothing herein contained shall be construed to permit the issuing of a permit for the making of a tunnel under any street or way in the City of Pittsburgh.

SECTION 2. Permits for the opening of the surface of any street or way of said City shall only be granted upon compliance with the following express provisions:

(a) A written application shall be filed for each and every opening and the same shall be signed by the person, firm or corporation desiring such permit, provided, however, that one permit shall be issued granting the opening of a street over a distance from one to four hundred feet; in excess of four hundred feet, additional permits to be issued in multiples thereof. Such application shall set forth the purpose for which such opening is to be made; the extent, size and location of the same; the date or dates during which such opening is to be permitted, the date and time such opening is to be refilled and resurfaced or reconstructed in the manner as prescribed by the Department of Public Works; the number and date of approval of the Ordinance granting the right to place the structure beneath the City streets or ways and shall provide that the applicant will faithfully comply with each and every provisions in this Ordinance contained. All applications for permits shall be accompanied by a plat or sketch showing the location, character and dimension of the proposed opening for the installation of the new work, or the location and character of the alterations involving changes in the location of pipes, conduits, wires or structures incidental thereto.

(b) No permit shall be granted in any case until the applicant shall have executed and delivered to the City of Pittsburgh a bond in the amount hereinafter fixed, with good surety, which surety shall be either an approved surety or trust company or an individual who shall be the owner of real estate in the County of Allegheny, reasonably worth over and above all debts and encumbrances at least double the amount of said bond. The amount of said bond shall be, viz: \$2,000.00 for each opening; \$20,000.00 for an indefinite number of openings; said bond shall be given upon the conditions that the principal will indemnify and save harmless the City of Pittsburgh from any loss, damage or expense whatsoever, in any manner occasioned by or arising from the opening of any street or way or the work done in consequence thereof, or the manner of doing such work; and the said bond shall remain in force for a period of *two years* after the permanent resurfacing of each such opening.

(c) Prior to the issuing of such permit, every such applicant shall pay to the City Treasurer the monies hereinafter required for the purposes hereinafter provided.

(d) No permit shall be granted to any applicant unless said applicant shall have paid to said City any and all monies then due to said City for prior openings made or for any loss, damage or expense in any manner occasioned by or arising from the opening of streets or ways of said City under prior permits.

SECTION 3. The basis of measurement of street surface openings shall be the actual number of square yards of paving or surfacing necessary to completely repair the street surface at such opening. A fraction of one-half of a square yard shall be considered as a full one-half square yard, and payment shall be made on this basis. All openings shall be measured by the Director of the Department of Public Works or his representative, and such measurements shall be final and conclusive.

SECTION 4. All work done under the authority of any permit shall be supervised and inspected by the Director of the Department of Public Works or his representative and such supervision and inspection shall be done at the sole expense of the person, firm or corporation securing such permit.

The Director of the Department of Public Works shall have the sole right to determine the type of restoration and the extent of said restoration for any street opening.

SECTION 5. When the permanent resurfacing and repaving of street openings is done by the person, firm or corporation, then, prior to the issuing of such permit, every applicant shall pay to the City Treasurer the amount hereinafter required, which sum includes and covers the cost of the permanent repaving or resurfacing of said street and the supervision and inspection of the same by the City Inspector. The charges for a permit for a street surface opening three square yards or less, as aforesaid shall be as follows:

Bituminous Surfacing on concrete foundation	\$25.00
Blockstone on concrete foundation ..	\$25.00
Brick on concrete foundation	\$25.00
Concrete roadway	\$25.00

The charge for a permit for a street opening of more than three square yards but less than one hundred square yards shall be the sum of the base charge for the first three square yards as determined according to the above schedule and the additional charge for each subsequent square yard as determined according to the following schedule:

Bituminous Surfacing on concrete foundation	\$2.00
Blockstone on concrete foundation ..	\$2.00
Brick on concrete foundation	\$2.00
Concrete roadway	\$2.00

In the event that the person, firm or corporation defaults, the City will make the permanent restoration and the person, firm or corporation responsible will be billed for the full cost of the work. Said charge will be the actual cost of labor and materials necessary for the permanent backfilling and resurfacing or reconstruction of said opening, plus fifteen percent (15%) to cover the cost of supervision, inspection and depreciation.

The Director of the Department of Public Works shall have the sole right to determine the type of restoration and the extent of said restoration for any street opening.

SECTION 6. Where permission is granted to make an opening or openings within the lines of the sidewalk, whether improved or unimproved, or upon the dirt roadway of any street or way, the person, firm or corporation desiring to make said opening or openings shall pay to the City Treasurer the sum of Five (\$5.00) Dollars for an opening of ten (10) lineal feet or less, for the purpose of paying for the cost of issuing said permit, and the necessary inspection to be furnished by the City of Pittsburgh, and if said opening is to be more than ten (10) lineal feet, the said person, firm or corporation shall pay in addition thereto at the rate of Fifty (\$0.50) Cents per lineal foot for each additional lineal foot of opening, but no one charge to exceed the total amount of Seventy-Five (\$75.00) Dollars, which amount shall cover the cost of inspection by the City. The said person, firm or corporation shall also restore the said sidewalk or dirt roadway to its original condition, and see that the same is in a reasonably safe and proper condition.

SECTION 7. All openings shall be refilled and resurfaced on or before the time fixed in the permit, using approved methods in backfilling, the materials used to be approved by the Director of the Department of Public Works, and where required, the material shall be removed and replaced with other suitable material approved by the Director of the Department of Public Works, and written notice shall be given when the work is completed.

SECTION 8. The Director of the Department of Public Works shall have the right to inspect all work done under street opening permits and shall see that all of the terms and provisions of this Ordinance are strictly enforced, and shall have the power and is hereby directed to prosecute each and every person violating any of the provisions contained herein and to bring suit to restrain each and every person, firm or corporation from opening the surface of any street or way of said City in violation of the provisions contained herein.

SECTION 9. Any person violating the provisions of this Ordinance shall, upon conviction thereof before any Alderman or police magistrate of the City of Pittsburgh, be subject to a fine not exceeding Five Hundred (\$500.00) Dollars for each and every offense, together with costs, and in default of payment thereof, to imprisonment in the Allegheny County jail for a period of not exceeding ten (10) days; each failure to obtain a permit or having obtained a permit, to comply with any of the requirements of this Ordinance, and each and everyday during which such violation shall continue, shall constitute a separate offense.

SECTION 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 26

AMENDING the Zoning Ordinance, Ordinance No. 192, approved May 10, 1958, as amended, by changing Article 31 to include provisions and procedures for a residential density review and a limited moratorium restricting issuance of certain zoning and building permits relative to a residential density review.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. That the Zoning Ordinance, Ordinance No. 192, approved May 10, 1958, as amended, be and the same is hereby further amended as follows: (See explanatory note.)

1. Amend Section 3101 to read:

SECTION 3101—PROCEDURE FOR CHANGE. Whenever it is deemed desirable in order to meet the public needs, promote the convenience and welfare of the public, conform with good zoning practice and the intent and purpose of this ordinance and adhere to the guiding principles of the comprehensive master plan, Council may by ordinance, after report thereon by the Commission and subject to the procedure provided in this article, amend, supplement or change the regulations, district boundaries or classification of property, now or hereafter established by this Ordinance.

An amendment, supplement, reclassification or change to the *zoning ordinance or a residential density review of certain districts* may be initiated by the Commission or Council or by a notarized petition to the Commission from the owners of *thirty-four (34)* percent or more of the frontage of the property proposed to be changed or *reviewed*, in any district or reasonable portion thereof.

2. Amend Section 3101-1 to read:

1—Petition for Map Change.

A—Form and Content. *Petitions for change of district boundaries or reclassification of districts as shown on the Zoning District Map or petitions requesting a residential density review* shall be on forms supplied and prepared by the Department. When the petition, bearing property owners' signatures, is filed with the Department; it shall contain or be accompanied by:

- (a) all the data and information pertinent to the understanding and judgment of the proposal, as may be prescribed by the Commission for that purpose so as to assure the fullest practicable presentation of facts for the permanent record; and
- (b) a notarized statement by at least one (1) of the owners of property within the area proposed to be changed attesting to the truth and correctness of all facts and information presented with the petition;
- (c) a description and sketch map of the subject area.

B—Public Notice: After a petition has been filed and at least fifteen (15) days prior to action thereon by the Commission, public notice thereof shall be given by the Department by the following methods:

- (1) by mailing to the owners of record, at their addresses available in the office of the Board of Property Assessment, Appeals and Review of Allegheny County, of all property within the affected area and within one hundred and fifty (150) feet thereof; or to such extended distance to insure that no less than 25 nearest owners of record are so notified in writing; and to the official Clerk or Secretary of any other

political subdivision that is within one hundred and fifty (150) feet of the affected area; and to every association of residents or owners who shall have registered an association name for this purpose with the Department;

- (2) by at least ten (10) printed placards posted by the Department in conspicuous places within the area to be changed and around the border and in the immediate neighborhood thereof; and
- (3) in the case of a change in the zoning district map which is contemplated for initiation by the Commission without a prior petition from property owners, the notification procedures set forth in sub-item B-1 above shall be followed except that when the change is to be initiated pursuant to a comprehensive neighborhood study by a public agency, or any neighborhood renewal plan (including an urban redevelopment or renewal project) the requirement for mailed notice to property owners of all property within the affected area and within one hundred and fifty (150) feet thereof or to such extended distance to insure that no less than 25 nearest owners of record are so notified in writing; shall not be applicable. In lieu thereof, notice shall be given by at least (10) printed notices, posted by the Department, in conspicuous places within the area to be changed and around the border and in the immediate neighborhood thereof.

Results of replies to the notification received by the Department shall be reported to Council in the event that an ordinance proposing such change, however initiated, is introduced therein.

C—Action of Commission. If, from the facts presented and the data and information available from the Department or other public records, and pursuant to the provisions of this section, the Commission finds that the change involved in the petition is justified as proposed or modified or that the *residential density review warrants a change*, the

change shall be recommended to Council. Otherwise, the petition shall be denied.

The Commission shall make its findings and determination in writing and shall forthwith transmit a copy thereof to the petitioner. If the petition is approved as proposed or as modified by the Commission *or if a zone change is recommended by the Commission as a result of a residential density review*, an ordinance for the change, together with the Commission's findings and recommendation, shall be forwarded to Council. A notice of this action may be sent by the Department to each communicant who has expressed interest in the proposal in writing to either the Commission or the Department.

D—Fees. A fee shall be paid upon the filing of each petition for a change of district classification, for the purpose of defraying the costs of the proceedings prescribed herein. The amount of said fee shall be as fixed by Council.

3. Amend Section 3101 by inserting a new sub-item 3 to read:

3103-3 Moratorium

A—Intent. The intent of a residential density review shall be to provide the Planning Commission a limited amount of time for evaluating the established character of a particular residential community in relation to the density controls of the various residential zoning districts and shall provide for the orderly modification of the zoning district map if deemed appropriate.

B—Designation. A moratorium restricting issuance of certain zoning approvals and/or building permits shall be designed in any multiple-family residential district when a residential density review is requested:

- (1) by resolution of the Commission or Council;
- (2) Upon official receipt of a notarized petition by the Commission as described in Section 3101-1-C.

C—Restriction and Effect. Upon designation of an area for residential density review the Zoning Administrator shall not approve occupancy permit applications or shall not approve, for zoning purposes, building permit applications and the Superintendent of Building Inspection shall not issue building permits for rehabilitation or enlargement of existing buildings when such rehabilitation or enlargement is intended for an increase in the number of dwelling units or for construction of buildings intended to house more than one dwelling unit. "Occupancy permit applications and building permit applications filed in good faith with the Administrator and/or the Superintendent prior to the official date of designation, shall be processed in accord with the provisions of the prevailing zoning district of the official zoning code and building code and may be approved, along with the issuance of the building permit, upon determination by the Administrator and Superintendent that the application complies with the provisions of those codes."

D—Duration. The restriction regarding issuance of zoning approvals or building permits shall apply for a period of three (3) months commencing upon the date the designating resolution becomes affective or the date the Commission officially received a bona fide petition as described in Section 3101-1-C.

However, this period of time may be reduced upon completion of the review when the Commission's recommendation does not propose a change in the zoning district map.

A petition for residential density review shall not be accepted by the Commission within a two (2) year period upon completion of such a review.

4. Amend Section 3101 by changing the enumeration of sub-item 3 to sub-item 4.

SECTION 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed October 17, 1977.

Effective October 27, 1977.

No. 33

AMENDING Ordinance No. 324 approved August 13, 1976, as amended by Ordinance No. 302, approved June 18, 1973, "Authorizing the payment of travel and per

diem expenses to employees of the City of Pittsburgh when required by their duties, and when authorized by the head of the appropriate department to travel in their own vehicles or to be absent from the City overnight" by increasing allowance to travel in their vehicles from ten cents (10¢) per mile to twenty cents (20¢) per mile, and not exceeding Seventy Five Dollars (\$75.00) per calendar month.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. That Ordinance No. 324 approved August 13, 1965, as amended by Ordinance No. 302, approved July 18, 1973, which reads:

SECTION 1. In the event that an employee is required by his duties to be absent from the City overnight, he shall be reimbursed in an amount not to exceed Fifteen dollars (\$15.00) per day for meals, and in addition for actual travel expenses, lodging and other incidental expenses. When authorized by the head of his department, the employee may use his own vehicle and shall be reimbursed at the rate of ten cents (10¢) per mile for such use under this section.

SECTION 2. An employee of the City of Pittsburgh who is required by his duties to travel in his own vehicle within the City, and who is authorized to do so by the head of his department, shall be reimbursed in accordance with the following schedule:

First 100 miles 10¢ per mile in a calendar month
101 miles and over 7¢ per mile

but in no event shall an employee be reimbursed in excess of Twenty-five dollars (\$25.00) per calendar month under this section.

SECTION 3. An employee of the City of Pittsburgh who is required by his duties to travel in his own vehicle outside of the City, and when authorized by the head of his department, shall be reimbursed at the rate of ten cents (10¢) per mile.

shall be amended to read:

SECTION 1. In the event that an employee is required by his duties to be absent from the City overnight, he shall be reimbursed in an amount not to exceed Fifteen dollars (\$15.00) per day for meals, and in addition for actual travel expenses, lodging and other incidental expenses. When authorized by the head of his department, the employee may use his own vehicle and shall be reimbursed at the rate of *twenty cents (20¢)* per mile for such use under this section.

SECTION 2. An employee of the City of Pittsburgh who is required by his duties to travel in his own vehicle within the City, and who is authorized to do so by the head of his department, shall be reimbursed *at the rate of twenty cents (20¢) per mile*, but in no event shall an employee be reimbursed in excess of *Seventy Five Dollars (\$75.00)* per calendar month under this section.

SECTION 3. An employee of the City of Pittsburgh who is required by his duties to travel in his own vehicle outside of the City, and when authorized by the head of his department, shall be reimbursed at the rate of *twenty cents (20¢)* per mile.

No. 34

PRESCRIBING procedures for the exercise of the powers and duties of community advisory boards.

WHEREAS, on November 5, 1974, the people of the City of Pittsburgh by public referendum did approve a Pittsburgh Home Rule Charter to be effective January 5, 1976; and

WHEREAS, said charter did provide, in Article 6, for the creation of community advisory boards to provide an additional vehicle for citizen participation in the governance of the City; and

WHEREAS, said Article 6 did require that Council shall, by ordinance, prescribe necessary structure and procedures for the community advisory boards and for the exercise of their powers and duties

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. *Definitions:* as used in this ordinance:

- (A) "District boundary ordinance" means the ordinance required by Section 601 of the Pittsburgh City Charter to divide the city into community advisory board districts.
- (B) "Implementation ordinance" means the ordinance required by Section 602 of the Pittsburgh City Charter to establish a community advisory board in a particular district.
- (C) "District," except in the term "election district," means a district established by the district boundary ordinance for the purpose of electing members of a community advisory board.
- (D) "Section" means a political subdivision of a district whose voters elect a member or members of a community advisory board.
- (E) "Major Administrative Unit" means any subdivision of city government, whose head reports directly to the mayor, excluding boards, commission and magistrate courts.

SECTION 2. *Initiative and Petition Processes.*

- (A) Implementation ordinance initiative requirements.
 - (1) Council shall enact an implementation ordinance to establish a community advisory board for a particular district upon receipt of a valid initiative petition from that district.

- (2) Council may amend the implementation ordinance for a district, upon receipt of a valid initiative petition from that district, upon request by two-thirds vote of that community advisory board, or as necessary for electoral reapportionment.
 - (3) Council may dissolve a particular community advisory board, and repeal its implementation ordinance, upon receipt of a valid initiative petition from that district.
 - (4) Council may, by ordinance, dissolve all community advisory boards as of the end of any fiscal year.
- (B) Requirements for a valid initiative petition from a district are:
- (1) The petitions shall be signed by qualified and enrolled electors equal in number to at least ten per cent of those district residents who voted in the last preceding municipal election;
 - (2) Each signer shall declare that he or she is a qualified and enrolled elector of that district, shall add his or her residence, giving street and number, and shall add the date of signing;
 - (3) The petition shall include the affidavit of the circulator of the petition, setting forth:
 - (a) that he or she is a qualified and enrolled elector of the district;
 - (b) his or her residence, giving street and number;
 - (c) that the signers signed with full knowledge of the contents of the petition;
 - (d) that their residences are correctly stated;
 - (e) that, to the best of the circulator's knowledge and belief, the signers are qualified and enrolled electors of that district; and
 - (f) that each signed on the date set opposite his or her name; and
 - (4) The petition shall specify the initiative sought and the district for which it is sought. A petition for amendment of an implementation ordinance must specify how the petitioners wish the implementation ordinance to be amended.
- (C) Petitions from a district may be compiled to cumulate the number of signators, provided that
- (1) the petitions have been circulated within the same calendar year; or within a twelve month period.
 - (2) the petitions are identical in purpose; and
 - (3) the circulators each consent in writing to the compilation.
- (D) Petitions shall be filed with the City Clerk.
- (1) The City Clerk shall give timely public notice of the filing of any petition. This shall include establishing a procedure to notify concerned organizations of the filing of any petition from their district.
 - (2) The City Clerk shall rule on the validity of a petition on its face within one week of its filing date.
 - (3) Objections to a petition and appeals from a ruling of the City Clerk may be filed within 21 days of the filing date of that petition. Objections and appeals shall be filed with the City Clerk for adjudication by City Council. The City shall immediately notify the circulator(s) of any such objections or appeals.
- SECTION 3. *Electoral Structure***
- (A) The elected members of each community advisory board shall number one for every 2,500 persons residing in that district and one additional member if the remainder of that district's population exceeds 1,250 after being divided by 2,500.
- (B) The implementation ordinance for a district shall apportion that district into sections, and each section shall elect one member of that community advisory board.

(C) Sections shall consist of contiguous undivided election districts. Apportionment shall additionally be governed by the following criteria:

- (1) Sections should be as equal in population, as is possible;
- (2) Sections should be compact; and
- (3) Section boundaries should make use of natural or generally recognized boundaries, providing representation of neighborhoods or sub-neighborhoods within a community advisory board district.

(D) Council shall amend implementation ordinances to reapportion within districts as necessitated by the decennial census or the above criteria.

(E) Candidates shall be nominated and elected under provisions of the Pennsylvania Election Code. Nomination petitions are to be filed with the Allegheny County Department of Elections and Voter Registration.

SECTION 4. *Delegated Board Members*

(A) A community organization shall be entitled to select a delegated member of a community advisory board if and only if it meets the following requirements:

- (1) It shall have held, within the previous twelve months, four meetings of the membership, meeting as a deliberative body, each of which was attended by at least 25 members of the organization residing in that district;
- (2) It is concerned with a defined community, and concerned with that defined community's problems in general;
- (3) At least 80% of its members must reside in a particular community advisory board district or a defined contiguous geographic area with a population under 50,000; and no organization may receive entitlement in more than two Community Advisory Board district.
- (4) The organization has no restrictions on or qualifications for membership and voting rights, except that the organization may establish (but is not required to establish):

(a) dues provided those dues do not exceed \$5.00 per year;

(b) a minimum age, but not to exceed 18;

(c) a requirement of residence in a defined area; and

(d) a requirement of enrollment up to 30 days in advance of assumption of full voting rights.

(5) The organization shall maintain by-laws, a membership list, and attendance rosters for its meetings, which shall be made available to Council, the Mayor and the public within a reasonable amount of time.

(6) The organization is capable of establishing its own autonomous policy on community issues within the scope of its by-laws.

(7) The delegated member of the community advisory board from the organization is, or is to be selected annually.

(8) The organization has been in existence at least one year.

(9) All officers, board members, and the delegate to the community advisory board of the organization are selected by open democratic processes.

(B) Entitlement of a community organization to seat its delegated board member shall expire at the time coinciding with the expiration of the elected board members' terms of office.

(C) A request for entitlement shall be accompanied by verification that the organization meets the requirements listed in Section 4(A) above.

(D) Requests for entitlement shall be filed with the City Clerk.

(1) The City Clerk shall give timely public notice of such filing, including notice to the appropriate community advisory board.

(2) The City Clerk shall rule on the validity of the request with its accompanying documentation on its face within one week of its filing date otherwise that request shall be deemed to be approved.

(3) Objections to a request and appeals from a ruling of the City Clerk may be filed within three weeks of the filing date of that petition. Objections and appeals shall be filed with the City Clerk for adjudication by City Council. The City Clerk shall give an organization timely notice of any objection or appeal concerning its request for entitlement.

(E) Requirements for entitlements shall be periodically reviewed by Council to insure that delegated board members do not constitute more than 40% of any community advisory board. No delegated board members may take office in a district until the initial seating of elected board members in that district:

(1) If, at the beginning of a term of office, the number of community organizations entitled to a delegated board member in a district exceeds the 40% maximum, these organizations have 2 weeks to decide unanimously among themselves how to divide the representation. If such agreement is not reached by that date, the organizations to be entitled to select delegated board members during that term of office shall be chosen by lot, up to the above maximum.

SECTION 5. *Board of Eligibility and Vacancies.*

- (A) Members of a community advisory board, elected or delegated, shall reside in that district. Any member who moves out of his or her district shall cease to be a member of that community advisory board, and the seat shall be vacant.
- (B) A candidate for election to a community advisory board from a section must reside in that section at the time his or her nomination petition is filed.
- (C) A candidate for election to a community advisory board may not be simultaneously a candidate for any salaried elective public office.

(D) A community advisory board may fill the vacancy of an elected member by selecting a qualified resident of that section for the unexpired term, said selection to be made by the entire community advisory board.

SECTION 6. *Powers, Duties, and Procedures of Boards.*

- (A) To review and advise Council and the Mayor on proposed zoning changes in the district;
- (B) To review and advise Council and the Mayor on the social and physical plans for the district;
- (C) To review and advise Council and the Mayor on the distribution of City services to the district;
- (D) To meet annually with the Mayor and Council to discuss problems, needs and public affairs of the district;
- (E) To mandate, by a majority vote of all its members, a meeting within two weeks with the appropriate head of a major administrative unit of the City to discuss a specific district problem.
- (F) A community advisory board may receive and accept funds other than grants from City tax funds, and may disburse and use such funds, provided that the board maintains financial records, maintains financial, accounting, and administrative systems appropriate to the amount of funds involved, and obtains an annual audit.
- (1) Community advisory boards may disburse funds received by them but may not contract for or undertake the social or physical plan within their districts.
- (2) Nothing herein shall be deemed to prohibit Community Advisory Boards from conducting surveys or studies to assist them in reviewing and advising council and the mayor on the social or physical plans for the district pursuant to Section 605 b. of the Charter. Community Advisory Boards may also use such funds to employ staff, but no employee of a Community Advisory Board shall be deemed an employee, servant or agent of the City of Pittsburgh.

The City shall not be liable for any activity of Community Advisory Boards or its employees, officers, servants or agents.

- (G) Community advisory board procedures.
- (1) Each community advisory board shall adopt by-laws, including procedures for electing a chairperson and other officers.
 - (2) All community advisory board decisions which are not unanimous shall be by roll call vote.
 - (3) Each community advisory board shall adopt a regular meeting schedule. Members shall receive written notice of meetings and agenda. Provisions for special meetings may be included in a board's by-laws.
 - (4) Each community advisory board shall maintain the following records which shall be made available to Council within a reasonable amount of time upon Council's request:
 - (a) all minutes;
 - (b) attendance at all meetings;
 - (c) all roll call votes; and
 - (d) complete financial records.
 - (5) No member of a community advisory board shall participate in a debate or vote on any matter in which he or she has a personal financial interest.
 - (6) Each community advisory board will endeavor to obtain the participation of all residents of the district in its activities.
 - (a) all meetings shall be open to the public, and held at a place and time convenient for the public to attend; and no private vote may be taken.
 - (b) each board shall permit timely participation by the public in its meetings. The chairperson may limit, when necessary, the number and duration of non-members' remarks.
 - (c) each board shall hold at least four times a year a public meeting for residents to make known their views and needs.

- (d) each board shall provide public notice of its meetings and agenda.

SECTION 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 27, 1977.

Approved December 30, 1977.

Effective December 31, 1977.

Ordinance Book 76, Page 251.

No. 35

Providing for the designation of certain districts or structures within the City of Pittsburgh as being of Historic importance, regulating the reconstruction, exterior alteration, restoration, or demolition of individual structures, or structures within districts so designated, and establishing a system of review wherein the city through its citizens can protect, maintain, and enhance the historic and architectural appearance and heritage of Pittsburgh. The effect of this ordinance shall be to repeal Ordinance No. 128 of 1971 and Ordinance No. 6 of 1972, but shall not be to repeal or alter any ordinances which recognize landmark structures or districts under the provisions of the heretofore mentioned ordinances.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. FINDINGS OF FACT AND DECLARATION OF POLICY.

a. Findings of Fact.

The need to maintain and strengthen the city's residential and commercial usage of its land area mandates that the City of Pittsburgh take all necessary steps to preserve and restore the historic structures, landmarks and districts within the city.

b. **Declaration of Policy.**

The purpose of this ordinance is to promote the economic and general welfare of the people for the City of Pittsburgh; to insure orderly and efficient growth and development of the City of Pittsburgh; to preserve and restore the qualities of the City of Pittsburgh relating to its history, culture, and traditions; to preserve and restore the harmonious outward appearance of structures which attract tourists and residents to the City of Pittsburgh; and to afford the City including interested persons, historical societies, or organizations, the opportunity to acquire or arrange for the preservation of designated districts or structures.

SECTION 2. DEFINITIONS

- a. **Historic Structure:** Anything constructed or erected, the use of which requires directly or indirectly, a permanent location on the land, including walks, fences, signs, steps and sidewalks, at which events that made a significant contribution to national, state, or local history occurred or which involved a close association with the lives of people of national, state, or local significance; or an outstanding example of a period, style, architectural movement, or method of construction; or one of the last surviving works of a pioneer architect, builder or designer; or one of the last survivors of a particular style of period of construction.
- b. **Historic District:** A defined territorial division of land which shall include more than one (1) contiguous or related parcels of property, specifically identified by separate ordinance, at which events occurred that made a significant contribution to national, state, or local history, or which contains more than one historic structure or historic landmarks, or which contains groups, rows, or sets of structures or landmarks, or which contains an aggregate example of a period, style, architectural movement, or method of construction, providing distinguishing characteristics of the architectural type or architectural period it represents.

- c. **Historic Site:** A specific area of land on which events occurred that made a significant contribution to national, state, or local history; or on which stands or once stood a structure or group of structures which involved a close association with the lives of the people of national, state, or local significance.
- d. **Demolition:** Total and complete razing of a structure.
- e. **Permit for Change:** A Permit, issued by the Department of City Planning, at the request of the Historic Review Commission, which is required prior to the issuance of a Building Permit or Demolition Permit which certifies as historically appropriate any new construction, alteration or reconstruction which effects the exterior of an existing structure or site which has been designated as an Historic Landmark, or which effects the character of an area designated as an Historical District.
- f. **Permit for Demolition:** A permit for the total and complete razing of a structure granted by the Bureau of Building Inspection of the City of Pittsburgh.

SECTION 3. DESIGNATION OF HISTORIC STRUCTURES OR DISTRICTS.

- a. The Council of the City of Pittsburgh may initiate hearings and ultimately designate Historic Structures, Districts, and Sites, upon request or upon its own initiative pursuant to the submission of an approved nominating form (available through the Department of City Planning), as a Petition to Council for such a designation and after receipt of recommendations concerning the appropriateness of such designations by both the City Planning Commission and the Historic Review Commission. These recommendations shall be made by both the City Planning Commission and the Historic Review Commission within 30 days after receipt of request from the City Council. In the event said recommendations are not received within 30 days then the City Council may proceed without said recommendation. The Historic Review Commission shall make recommendations relative to the significance of such proposed designations

eligible under Sections 2a, 2b, and 2c of this ordinance. The City Planning Commission, while weighing same said criteria, shall also consider effects of designations on adjoining properties and surrounding neighborhoods and within the framework of established planning, development and land use objectives for the City of Pittsburgh.

- b. The Council shall then conduct a Public Hearing, prior to any determination, for the purpose of giving property owners, tenants, and community residents, the right to appear and be heard in person or to be represented by counsel, as to the appropriateness of designation. Any other person or organization, interested in said designation, may also be heard at the hearing.
- c. Public notice of the time, place and purpose of the public hearings shall be given at least fifteen (15) days prior thereto.
 - 1) Upon receipt of an approved nominating form, the Chairman of the Historic Review Commission shall notify the Department of City Planning, who shall publicize the notice of the hearing;
 - a) in one (1) newspaper of general distribution in the City, and,
 - b) by mailing of notifications to the owners of record of all property located within and adjacent to the structure site or district considered for designation.
- d. Criteria for Designation: Any district site or structure to be designated as historic must meet the criteria listed in Section 2, a, b, and c of this ordinance.

SECTION 4. ESTABLISHMENT OF THE HISTORICAL REVIEW COMMISSION.

- a. A Historical Review Commission is hereby established, and the same shall consist of seven (7) citizen members each of whom shall serve without compensation. The membership positions shall be filled by appointment by the Mayor of the City of Pittsburgh and shall be filled as follows.

One (1) member shall be the President or his designee from the Pittsburgh History and Landmarks Foundation or its successor;

One (1) member shall be an Architect or an Architectural Historian who has been selected by the Mayor from a recommended list of no fewer than three individuals who have been submitted by the public at large, including appropriate professional societies;

One (1) member shall be appointed from the Department of Planning; one (1) member shall be appointed from the Department of Housing. One (1) membership position shall be filled by the Mayor from the membership of the Greater Pittsburgh Board of Realtors and this representative shall be selected to fairly represent the viewpoints of the Real Estate sales community.

Two (2) membership positions shall be filled by the Mayor by appointing any two (2) citizens who have demonstrated an outstanding interest and knowledge of historic preservation and restoration in the City of Pittsburgh. All appointments must be approved by the Council of the City of Pittsburgh.

- b. Responsibilities: The responsibilities of the Historical Review Commission shall be to:
 - 1) Investigate and report on the appropriateness of structures, sites and districts which are being considered by the Council for designation as historic and to make recommendations to the Council about approval or disapproval of such designations.
 - 2) Investigate all proposed plans for change, or plans for demolition, of Historic Structures, Historic Sites or in Historic Districts consisting of fewer than ten (10) structures; and shall make reports concerning the appropriations of such plans. In

Historic Districts consisting of ten (10) or more structures, an application for a Permit for Changes shall first be heard by the locally constituted Historic District Review Board. The Historic Review Commission may review applications for Permits for change in such Historic Districts only in such cases as:

- a) no Historic District Review Board exists; or
- b) when an Historic District Review Board rejects as inappropriate the proposed changes, and the applicant appeals to the Historic Review Commission; or
- c) When, in spite of Historic District Review Board approval, the Historic Review Commission, by a majority vote, determines that an application request should be re-reviewed under the Criteria for Evaluation (Section 5).

In all cases, when an application is approved by the Historic Review Commission (directly or upon recommendation of the Historic District Review Board) the determination shall be reported, in writing, to the Department of City Planning, which shall issue a Permit for Change to the Applicant.

- 3) See that appropriate standards and guidelines are established for each historic district and see that the residents of the geographical area being considered for designation are involved in establishing those standards and guidelines for the district.
- 4) Consult with the District Review Boards on issues involving decisions in the respective Historic Districts.
- c. After initial staggered terms of two (2) members for one (1) year, two (2) members for two (2) years, and three (3) members for three (3) years, each Commission member shall serve a three (3) year term of office. Any appointed member of the Commission may be removed from office by the Mayor only for just cause and with the approval of

the Council. The Mayor shall submit reason constituting cause in writing to the Commission and to the Council. An appointment to fill a vacancy shall be only for the unexpired portion of the term.

- d. Officers: The Mayor shall appoint the chairman of the Commission who shall be responsible for calling all meetings within the prescribed time limitations as set forth in this ordinance. The secretary of the Commission shall be elected by the Commission and shall keep the minutes of the meetings and a permanent record of all resolutions, motions, transactions and determinations.

- e. Meetings:

- 1) All members of the Commission shall be entitled to vote and the decisions of the Commission shall be determined by a majority vote.
- 2) A quorum of four members present is required before the Commission may take official action.
- 3) The Commission shall meet within fifteen (15) days after notification of an application for a Building Permit or a Permit for Demolition.
- 4) The decision stating approval or disapproval must be given in the appropriate manner to the Director of the Bureau of Building Inspection within ten (10) days of a duly called meeting at which consideration was given to the requested permit.
- 5) When just cause can be shown, a thirty (30) day delay in the decision can be made.

SECTION 5. CRITERIA FOR EVALUATION

- a. The Commission shall consider the following factors when approving or disapproving a permit for change or demolition.

- 1) The extent to which the proposal will promote the general welfare of the City and all citizens.
- 2) The extent to which the proposal will preserve or protect the historic and architectural nature of the defined district or structure.

- 3) Exterior architectural features, including all signs which are subject to public view from a public street, way or place.
- 4) General design and arrangement.
- 5) Texture, material and color.
- 6) The relation of the factors in 3, 4, 5 of this section to similar features of buildings or structures in the immediate surroundings.

- b. Additional criteria may be established for Historic Districts by Ordinance.

SECTION 6. ESTABLISHMENT OF HISTORICAL DISTRICT REVIEW BOARDS.

- a) Each historic district that contains ten (10) or more structures may establish a District Review Board composed of five (5) residents of the Historic District. The individuals selected must be people who have demonstrated outstanding knowledge and interest in historic and architectural preservation and restoration. If a district chooses to establish a District Review Board, the method of selection of the Board shall be specified in the ordinance that designates the historic district. Representatives of the Department of City Planning and the Pittsburgh History and Landmarks Foundation shall act as non-voting, ex-officio members of the Historic District Review Board.
- b) Duties of the District Review Board.
 - 1) Historic District Review Boards, when constituted, shall review all requests for Permits for Change on structures located in each designated historic district. Written reports concerning the determination of the appropriateness of plans for changes shall be submitted to the Historic Review Commission. These reports and their recommendations shall base their findings in relationship to the Criteria for Evaluation (SECTION 5) and to the guidelines for change for that Historic District (SECTION 6b4).

- 2) If an application for a Permit for Change is approved by the Historic District Review Board, the Historic Review Commission need not institute public hearing. All historic District Review Board determinations may be subject to a discretionary review by the Historic Review Commission (SECTION 4b2).
- 3) When an application is rejected as inappropriate by the Historic District Review Board, and when no compromise on the application can be reached, the Historic Review Commission shall serve as an appeal board to these proceedings.
- 4) The Historic District Review Board shall be responsible for devising community strategies to promote the integrity and livability of the Historic District it represents. This responsibility shall include the development of guidelines for appropriateness of changes for that Historic District, which shall be certified, by the Historic Review Commission after a public hearing. Amendments to guidelines shall be approved by the Historic Review Commission only after public hearings are held to review such amendments.

SECTION 7. EFFECTS OF DESIGNATION.

- a. No Building Permit for an historic structure or structures located within an historic district shall be issued by the Bureau of Building Inspection without the prior recommendation of the Historic Review Commission, and the issuance of a Permit for Change by the Department of City Planning. No Permit for Demolition for an historic structure, or a structure located within an historic district, shall be issued by the Bureau of Building Inspection without the prior recommendation of the Historic Review Commission.
- b. When a request for a Building Permit or a Demolition Permit within the defined boundaries of a historic district, site, or on a historic structure is received by the Bureau of Building Inspection, the Superintendent of the Bureau of Building Inspection, or his designee shall notify

the Department of Planning. The Department of Planning shall notify the Commission within five (5) days of the official date on the application of the permit. The Commission shall investigate the appropriateness of the proposed changes within the guidelines established by ordinance.

- c. The Commission shall consider the request for Permit for Change or for Demolition at an open meeting which the property owner, applicant or any other interested citizen may attend.
- d. When a proposed change is approved by the Historic Review Commission, a written statement, signed by the Chairman, shall be delivered to both the applicant and the Department of City Planning. The Department of City Planning shall then notify the Bureau of Building Inspection to issue a Building Permit or Permit for Demolition and to see that regular inspections of the work on the structure are made after the Permit is issued.
- e. When a permit is disapproved, the Commission shall notify the applicant and the Bureau of Building Inspection in writing, stating reasons for the disapproval.

SECTION 8. EFFECTS OF DISAPPROVAL AND RIGHT OF APPEAL.

- a. Effects of Disapproval:
 - 1) If the Commission fails to grant approval to a proposed plan, no permit for that same plan or specification may be issued by the Bureau of Building Inspection for at least one (1) year.
 - 2) During the one year delay, the applicant (owner), the Commission and the Planning Department must work together to find an acceptable plan for the structure. If during the one year delay the applicant, Historic Review Commission, and the Planning Department can agree on a compromise plan, the Historic Review Commission may authorize the issuance of a Permit for Change.

3) If no compromise can be reached after a year delay, the Bureau of Building Inspection shall be empowered to issue a Building Permit or a Permit for Demolition

- b) Right of Appeal Any applicant for a permit who is aggrieved by failure of the Bureau of Building Inspection to issue a permit by reason of the disapproval of the Commission may appeal therefrom in the same manner as appeals are made from other decisions of the Bureau of Building Inspection, the agency charged by law with the issuance of permits for such building changes.

SECTION 9. EXCEPTIONS TO THE EFFECTS OF DESIGNATION.

- a. The limitations upon the issuance of permits for change in any historic district or structure shall not apply when the work involved in the permit has been ordered by the Bureau of Building Inspection or the Allegheny County Health Department for the preservation of public health or safety.
- b. If the Allegheny County Health Department or the Bureau of Building Inspection has ordered work on or demolition of a historic structure or a structure within a historic district, the Historic Review Commission and the appropriate District Review Board must be notified. If the Commission disagrees with the plan of either agency, the Commission shall have the right to delay the proposal sixty (60) days by submitting a delay request. During the delay period, the Commission may develop alternative plans for consideration.

SECTION 10. PENALTIES FOR NONCOMPLIANCE.

Whoever constructs, reconstructs, alters or demolishes any exterior architectural feature or establishes any new exterior sign on any designated historic structure or on a structure within a designated historic district in violation of this ordinance shall be punished by a fine up to three hundred dollars (\$300.00) for any one offense, recoverable with costs, together with judgments or imprisonment not exceeding ninety (90) days, if the amount of the judgment and costs shall not be paid. Each day's violation shall be a separate offense.

SECTION 11. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance. This Ordinance shall not repeal or alter any previous Ordinances which specifically recognized landmark structures or districts.

SECTION 12. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 27, 1977.

Approved December 30, 1977.

AMENDING Section 6 of Ordinance No. 635 approved October 31, 1975 entitled, "Authorizing and establishing procedure for the deposit of City funds in municipal depositories; authorizing the designation of a Paying Agent for General Obligation Bonds; prescribing the manner in which warrants shall be drawn from the City Treasurer, the execution and acceptance of said warrants and the signature requirements for checks drawn by the City on its depository; and repealing certain prior ordinances," to provide for special accounts for collection of taxes and water rents and the remitting of such collections to the General Fund.

THE COUNCIL OF THE CITY OF
PITTSBURGH HEREBY ENACTS AS
FOLLOWS:

SECTION 1. Section 6 of Ordinance No. 635 approved October 31, 1975 which presently reads:

"Submission of Proposals to Council. The Treasurer shall submit the proposals by the lending institution to the Council with his recommendations. The Council shall accept such of the proposals as in its judgment are most advantageous to the City and shall designate to the Treasurer the active and inactive depositories for each ensuing year, specifying two (2) banks which shall be active depositories for General Fund Accounts and one (1) bank which shall be the active depository for bond fund accounts, and such banks as Council shall deem necessary as active depositories for special trust fund accounts."

is hereby amended to read:

SECTION 6. Submission of Proposals to Council.

The Treasurer shall submit the proposals by the lending institution to the Council with his recommendations. The Council shall accept such of the proposals as in its judgment are most advantageous to the City and shall designate to the Treasurer the active and inactive depositories for each ensuing year, specifying two (2) banks which shall be active depositories for General Fund Accounts and one (1) bank which shall be the active depository for bond fund accounts, and such banks as Council shall deem necessary as active depositories for special trust fund accounts. *Special collection accounts may be created by the Treasurer in the above Depositories for the specific purpose of collecting taxes and water rents and remitting such collections to the General Fund.*

SECTION 2. In all other respects Ordinance No. 635 of October 31, 1975 shall remain in full force and effect.

SECTION 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 29, 1977.

BUILDING PURPOSES

No water will be furnished for building purposes without the installation of a water meter, approved and registered by the Water Department of the City of Pittsburgh. Metered rates, therefore, shall be used to compute consumption of water for the purposes of building.

See § 4B for restrictions on the use of fire hydrants.

SECTION 3. DEFINITIONS As used in this ordinance, unless the context clearly indicates a different meaning, the following words and phrases shall have the meanings set forth below:

A. METERED WATER RATES—The amounts charged for the consumption of water, the use of which is measured by a meter installed, approved and registered by the Water Department of the City of Pittsburgh.

B. FLAT WATER RATES—The amounts charged for the use of water as measured by the size, condition, plumbing facilities and/or other relevant equipment of buildings on the premises where there is not meter available for water use.

C. APPROVED METER—The measurement device selected by the Department of Water for use in determining water usage by consumers, together with any attachments for the maintenance, repair, reading, or other function thereof.

D. FERRULE—The connecting link between the consumer's water line and the City main water line.

E. EXONERATION—Reduction in the amount of a water assessment made in the interests of equity when excessive water use is due to extraordinary circumstances beyond the control of the user.

F. ADJUSTMENT—A correction in the amount of an excessive water charge resulting from an error on the part of the City.

G. PREMISES—The area to which a particular water use is restricted, as determined by a combination of factors, including, but not limited to, ownership, type of building, and use of real estate.

H. QUARTER—A 3-month portion of the calendar year, e.g. January through March, April through June, July through September, October through December, or any similar 3-month period.

SECTION 4. SPECIAL CHARGES AND USES.

A. PERMITS FOR USE OF FIRE HYDRANTS

Persons including corporations and other commercial or institutional entities desiring to

use fire hydrants must apply to the Director of the Department of Water who may upon evaluation of the request, issue a permit. The cost of the permit may include compensation for inspection by Department of Water personnel and all costs incurred for billing. Except as provided in the following paragraph, a minimum charge of fifty-five dollars (\$55.00) will be made for the use of water from each fire hydrant for each day the water is used. The fee may also include all other charges arising from such usage. (See also, "Building Purposes," 2 supra)

USE FOR THE BENEFIT OF THE CITY

Where fire hydrants are used for the benefit of the City of Pittsburgh under contracts with the City for demolition work, there will be no charge for the use of fire hydrants. This does not preclude the requirement of obtaining a permit nor does it waive other charges arising from the use of a fire hydrant, particularly for damages to fire hydrants incurred from said usage.

B. WATER FOR FIRE PURPOSES

No charge shall be made for water used during fires. All water used through fire systems except during fires, shall be charged at metered rates. All fire systems shall be metered, excepting sprinkler head systems, and the minimum charge for each quarter year shall be as follows:

2" & 3" fire lines with:

5/8" or 5/8" x 3/4" meter	11.37 per qrtr.
3/4" meter	12.41 per quarter
1" meter	13.33 per quarter
1 1/2" meter	17.23 per quarter
2" meter	21.14 per quarter
3" meter	32.87 per quarter

4" fire lines with:

5/8" or 5/8" x 3/4" meter	16.06 per qrtr.
3/4" meter	17.09 per quarter
1" meter	18.02 per quarter
1 1/2" meter	21.91 per quarter
2" meter	25.83 per quarter
3" meter	37.55 per quarter
4" meter	57.10 per quarter

6" fire lines and over:

5, 8" or 5-8" x 3/4" meter	23.11 per qtr
3/4" meter	24.15 per quarter
1" meter	25.07 per quarter
1 1/2" meter	28.96 per quarter
2" meter	32.88 per quarter
3" meter	44.61 per quarter
4" meter	64.15 per quarter
6" meter	99.33 per quarter
8" meter	177.54 per quarter

C. FERRULE CHARGE—Where a premise has been razed and the water service line remains connected to the City main water line, there will be a \$3.30 charge per quarter. Removal, repair and maintenance of the service line is at the property owner's expense including ferrule and connection to main line.

SECTION 5. MINIMUM RATES FOR METERED WATER—A quarterly minimum charge will be assessed for each metered account based on the meter size of gallon usage, as follows:

Meter Size	Minimum Gallon Usage	Minimum Water Usage Charge
5/8" or 5/8" x 3/4"	0— 5,000	6.47
3/4"	0— 7,000	9.28
1"	0— 14,000	16.59
1-1/4"	0— 22,000	24.89
1-1/2"	0— 29,000	34.07
2"	0— 50,000	57.08
3"	0— 120,000	132.54
4"	0— 210,000	233.79
6"	0— 526,000	537.48
8"	0— 975,000	991.94
10" or larger	0—1,643,000	1,612.98

Where premises are completely vacant, the water supply has been shut off at the curb box and the water meter has been returned to the Central Meter Shop, the minimum charge will be \$6.47 per quarter.

SECTION 6. METERS - Pursuant to the Act of 1911, May 12, P.L. 295 / 5, as amended (53 P.S. $\wedge$ 25921), the City Water Department is hereby authorized to order any consumer to whom water is furnished to purchase and have installed a water meter of a size, type and setting approved by the Director of the Department of Water. In the event the

consumer fails to comply with the order to install a water meter within 90 days after receipt of said order, the Department of Water is authorized to discontinue water services to such premises until the order has been complied with. Said water meter shall be obtained from the City, at cost, the full amount to be paid at time the meter is procured. Ownership of all meters so obtained remains with the City of Pittsburgh.

A. Consumers who are unable to admit meter readers on a regular basis will be required to acquire from the Water Department, at cost, additional meter equipment to be used in reading meters remotely. Full payment for the remote device and the cost of installing it must be made prior to installation.

B. It shall be illegal for any consumer to disconnect or remove any water meter installed by the Department of Water pursuant to this ordinance.

C. Meters which are damaged by abuse or through the neglect of any consumer shall be repaired by the City at the expense of said consumer. Meters that are stolen shall be replaced by the City at the expense of the water user.

D. Each consumer shall be billed separately for gallonage on each meter which is read, regardless of the number of metered premises he owns.

E. The Department of Water shall maintain, repair and replace, except as provided in paragraph "C" of this section, all water meters, including water meters installed on by-pass lines of fire lines. Fire line detector check devices and meters installed within said detector check devices, will be the maintenance responsibility of the property owner.

F. Requests for meter tests arising out of disputed billings will be made at the following charges:

1" Meters & Under	each \$13.20
1-1/4", 1-1/2" & 2" Meters	each \$21.12

Meter testing of sizes larger than 2" will include all time involved with removal, testing, and any other costs which may arise from the meter test. Should a meter test find over-registration exceeding four percent, no charge will be assessed for testing.

SECTION 7. ASSESSMENTS AND BILLING

A. **FLAT RATES** - An assessment shall be made of the water use in all non-metered premises on the basis of the schedule set forth in Section 2 hereof. Pursuant to the Act of 1911, May 12, P.L. 295 $\wedge$ 3 (53 P.S. 25943), water rents on a flat rate basis shall be payable in advance during the months of January, February and March of each year. A discount of 2% shall be allowed on the flat water rents paid during the month of January.

Alternatively, consumers assessed at the flat rate shall have the option to pay water rents quarterly as follows:

First Quarter-	by March 31
Second Quarter-	by April 30
Third Quarter-	by July 31
Fourth Quarter-	by October 31.

If payments are not made by the prescribed due date, they shall be considered delinquent, and penalty shall be added at the rate of 2% of the total amount of delinquent water rents and interest at the rate of 1/2% per month on the face amount of the delinquent water rents shall be added and every month or part thereof that the same is delinquent and unpaid.

B. **METER RATES** - All meters shall be read at least twice a year and water rents assessed four times per year. Payment of metered water rents made within 15 days after the first day of the month due shall receive a 2% discount. The Treasurer may provide additional days for payment at discount in the event that assessments are mailed later than the first day of the month due. From the 15th day of the month until the end of the month water rents are payable at face value. Any water rents not paid by the first day of the following month become delinquent and 1/2% interest and 1/2% penalty shall be added to the face amount for each month or part thereof that the same remain delinquent and unpaid.

C. **ESTIMATES** - If the Water Assessors are unable to obtain a reading of a meter or a determination of the water consumption for any reasons, except as provided in D below, an estimated bill for water usage shall

be rendered in an amount reasonably commensurate with the consumer's normal usage for a similar period as determined by criteria set forth in Water Department Regulations. The estimated bill will be due and payable at the regular times and, if unpaid at the due date, will accrue penalty and interest as aforesaid.

Alternatively, if a meter is missing from the premises for any reason, water rents may be assessed at double the flat rate charge and penalty and interest added as aforesaid.

D. **DELINQUENT WATER ACCOUNTS** - Delinquent water accounts shall be collected by the Treasurer, who shall, in default of payments, proceed to the collection thereof, and the filing of liens as provided under the Acts of Assembly. In addition to the remedy so provided, the Department of Water may make reasonable regulations concerning the cessation of water service to delinquent premises.

SECTION 8. EXONERATIONS.

A. LIMITATIONS

All requests for exonerations for excessive assessments must be made during the current year in which the assessments are made or within 12 months after the termination of said year, and no exoneration shall be granted after said period has expired. Such requests shall be made in writing and be directed to the Board of water assessors.

B. VACANCIES

(1) Flat Rate Assessments

(a) Where the premises are completely vacant and the entire supply of water is shut off at the curb box, upon filing by the owner of a notarized vacancy affidavit in the Office of the Department of Water, exonerations of 90% will be issued for the period during which the entire premises are vacant and the water shut off, provided that the period during which the water is shut off must be greater than 60 consecutive days. The exoneration shall not be in an amount less than the charge for minimum metered accounts.

(b) For changes in water uses, where fixtures are removed and water uses discontinued, exonerations will be issued covering the discontinued use from the date of approval of the contract covering the revised water uses. In case any owner of any premises shall cause or allow water to be used for any premises or in any fixtures for which there is no approved water contract on file, the rate shall be as specified in Section 2 hereof and shall date from the preceding January 1, and the water for the entire premises shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Department of Water. All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

(2) *Meters*

No exoneration need be granted in respect to premises in which water used is measured by a meter inasmuch as no water use will register during the period of the vacancy and only the minimum rate will apply. However, should the period of vacancy extend through more than one meter-reading period and no remote reader is available, the property owner shall notify the Water Department by means of a signed affidavit requesting that no estimated bill be rendered for that period.

(3) *Exceptions*

Where premises acquired by the Commonwealth of Pennsylvania, the School District of Pittsburgh, the Urban Redevelopment Authority of Pittsburgh or other governmental agency for highway, school or other public redevelopment purposes are completely vacant; and notice thereof has been given to the Department of Water and the City Treasurer; and the entire supply of water is shut off and the meter removed, exonerations of 100% shall be made in the case of any building which the aforesaid governmental bodies or agencies certify to be vacant and scheduled for demolition. No exoneration shall be granted for any water charges incurred prior to the notice and certification above described.

C. *UNDERGROUND LEAKS.*

Exoneration, where merited, will be made on the gallonage accruing over the above normal use for the particular account. The amount of the exoneration will not exceed 50% of the excess gallonage over and above normal usage. "Normal usage" shall be deemed to be the average gallons used in the four quarters preceding the underground leak.

SECTION 9. Maintenance of private water service lines up to the curb line/curb box, including all appurtenances therein, are the responsibility of the property owner. In situations where a private water service line is leaking and wasting water and the property owner is served notice by the Department of Water to make repairs, said property owner will have five (5) days (excluding Saturdays and Sundays) in which to make repairs. Should no action be taken within the allowable five (5) day period, the Department of Water may assess a daily charge for each day after the allowable five (5) day period in which the waste of water continues. The daily charge will be equivalent to the quarterly minimum meter charge which is predicated on the water meter size supplying a particular account. (See Section 5—Minimum Rates for Metered Water).

SECTION 10. The effective date of this ordinance shall be January 1, 1978.

SECTION 11. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 29, 1977.

Approved December 30, 1977.

No. 40

LEVYING taxes upon all real property subject to taxation within the limits of the City of Pittsburgh for the fiscal year beginning January 1, 1978, and ending December 31, 1978, in the amount of Forty-nine

and One Half (49-1/2) mills on land and Twenty-Four and Three Quarters (24-3/4) mills on buildings, and providing for the payment of such taxes.

THE COUNCIL OF THE CITY OF PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. That for the purpose of providing revenue for the payment of the ordinary current expenses of said City, for the payment of interest on the funded and floating indebtedness of said City and of the constituent units constituting the present City of Pittsburgh, created prior to their annexation to or consolidation with said City, for the payment of the amounts required to be paid to the several sinking funds for the retirement at maturity of the outstanding indebtedness of said City and of the constituent units constituting the present City of Pittsburgh, created prior to their annexation to or consolidation with said City, due or to become due during the fiscal year beginning January 1, 1978, and ending December 31, 1978, and for the payment of other liabilities of said City due or to become due during the fiscal year beginning January 1, 1978, and ending December 31, 1978, the following taxes shall be and the same are hereby levied and assessed upon all real property taxable for state, county and city purposes within the limits of the said City, viz: Forty-Nine and One-Half (49-1/2) mills upon each dollar or Four Dollars and Ninety-Five Cents (\$4.95) upon each One Hundred Dollars (\$100.00) of the assessed valuation of land, and Twenty-Four and Three-Quarters (24-3/4) mills upon each dollar or Two Dollars and Forty-Seven and One-Half Cents (\$2.475) upon each One Hundred Dollars (\$100.00) of the assessed valuation of all buildings.

SECTION 2. The taxes levied under this ordinance shall be payable in advance, during the months of January, February, and March of 1978. A discount of two per centum (2%) shall be allowed on all taxes due hereunder and paid during the month of January. During the months of February and March, all taxes shall be payable at face.

SECTION 3. Any taxpayer will have the option to elect to pay the aforesaid taxes quarterly, as follows:

The first quarterly payment, during the months of January, February, and March; the second quarterly payment, during the month of April; the third quarterly payment, during the month of July; and the fourth quarterly payment during the month of October. Quarterly payments made at any of the respective times here provided shall be payable at face, except the first quarterly payment, which, if made during the month of January, shall be paid at a discount of two per centum (2%)

The first quarterly payment must be made on or before the 31st of March or the taxpayer will have failed to exercise the option to pay quarterly. The second quarterly payment shall become delinquent if not paid on or before the 30th of April; the third quarterly payment shall become delinquent if not paid on or before the 31st of July; and the Fourth quarterly payment shall become delinquent if not paid on or before the 31st of October.

SECTION 4. Taxes imposed under this ordinance which are not paid by the 31st day of March, or in the case of quarterly payments, by the due dates set forth above, shall be delinquent and two per centum (2%) of the total amount of said taxes shall forthwith be added to said delinquent taxes as a penalty for the non-payment thereof at the times herein prescribed. Where the taxpayer makes no payment by March 31, the entire year's tax becomes delinquent as of April 1, regardless of the option elected by the taxpayer. In addition to said penalty, said delinquent taxes shall bear interest at the rate of one half per centum (1/2%) per month on the face amount of said delinquent taxes for each and every month, or part thereof, that the same shall remain delinquent and unpaid.

SECTION 5. The effective date of this Ordinance shall be January 1, 1978.

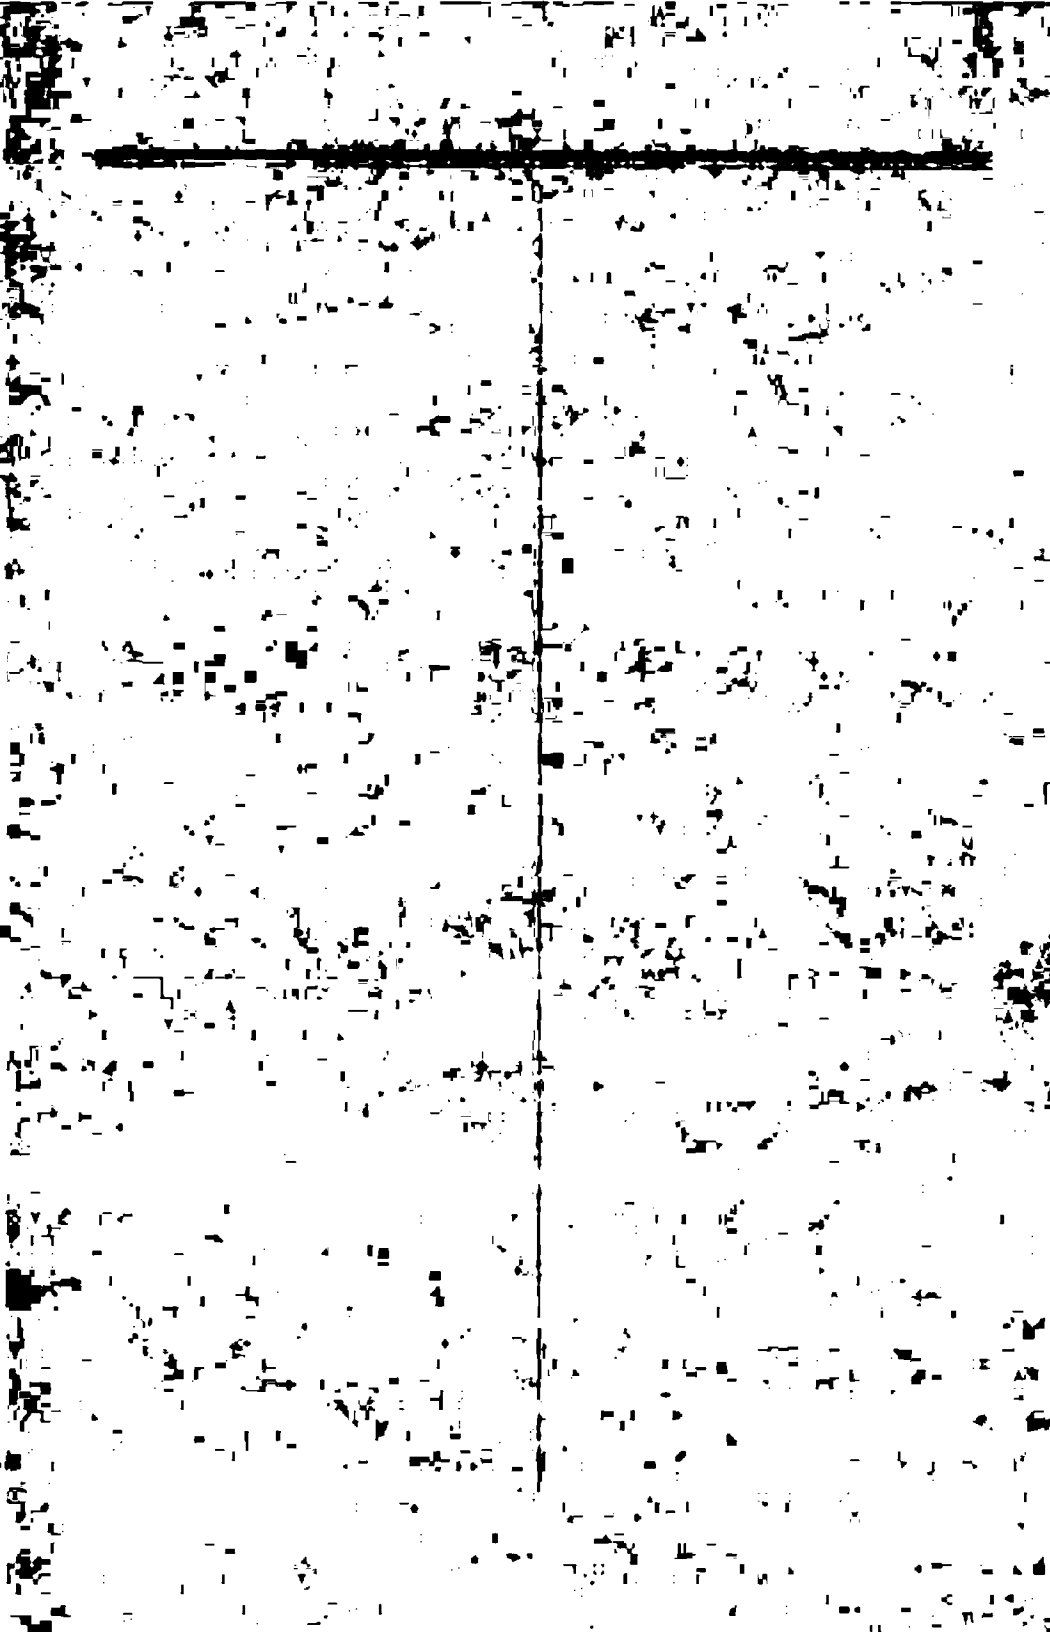

SECTION 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance

Passed December 29, 1977.

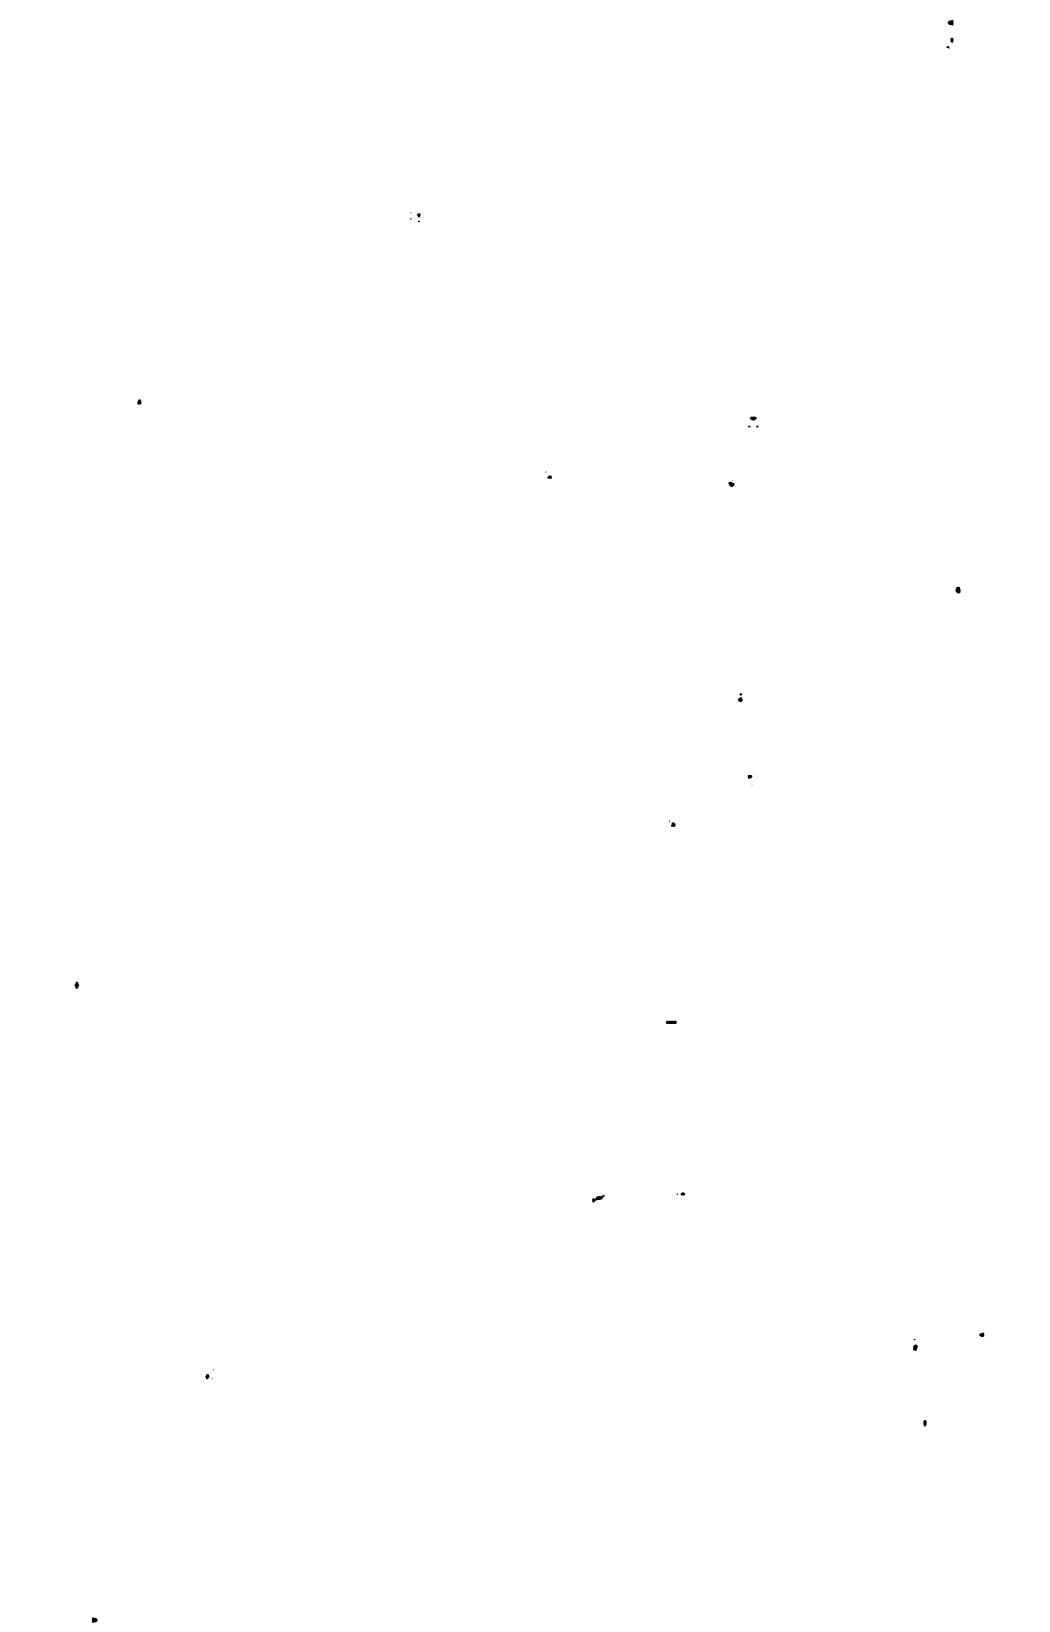

Approved December 30, 1977.

MOTIONS AND RESOLUTIONS

Mr. Lally presented

Bill No. 1822. WHEREAS, the unbeaten Pitt Panthers dominated Georgia's fourth-ranked Bulldogs in the Sugar Bowl 27-3, giving Pitt its first National College Football Championship in thirty-nine years; and

WHEREAS, the Pitt Panthers defensive and offensive team was outstanding, and completely outclassed the Georgia Bulldogs; and

WHEREAS, Pitt's Heisman Trophy winner, Tony Dorsett, set a Sugar Bowl rushing record with 202 yards, and Matt Cavanaugh, whose quarterbacking earned him the game's Most Valuable Player Award; and

WHEREAS, The National Title climaxed a four-year coaching career at Pitt for Johnny Majors; and

WHEREAS, the Pitt Panthers Team achieved this goal of becoming the 1977 Sugar Bowl Champions not only through the individual efforts of all the members of the squad, but also through the spirit, discipline and teamwork which reflects the outstanding coaching of Johnny Majors and his assistants.

NOW, THEREFORE BE IT

RESOLVED, That the Mayor and the members of the Council of the City of Pittsburgh, on behalf of all the citizens of Pittsburgh, congratulate the Pitt

Panthers, and the coaches on winning the 1977 Sugar Bowl Title, and achieving the ultimate college football goal — THE #1 RANKING IN COLLEGE FOOTBALL.

Which was read.

Mr. Lally moved

The adoption of the resolution.

Which motion prevailed.

The Chair presented

Bill No. 1823. Communication from Mayor Flaherty, relative to his appointment of Frank A. Williams as Director of the Department of Environmental Services, effective January 1, 1977.

Which was read, received and filed.

Also,

Bill No. 1824. Resolution that the appointment by the Mayor of Mr. Frank A. Williams of 741 Dunmore Street, Pittsburgh, Pennsylvania, 15206, be and the same is hereby approved and confirmed as Director of the Department of Environmental Services, effective January 1, 1977.

Which was read.

Mr. Lucchino moved

That the approval of the appointment be held for two weeks.

Mr. DePasquale seconded the motion.

Which motion prevailed.

Mr. Givens:

I have one point submitting the structural ordinance in accordance with Section 606 of the Home Rule Charter. "Council shall, by general ordinance,

prescribe procedures for the exercise of the powers and duties of community advisory boards."

In going over the Home Rule Charter and knowing that the Mayor had until the First of January to submit his boundary ordinance on the advisory board, I felt that in order for this timetable that is involved, if the Advisory Board is to be initiated, it must be on the municipal ballot.

It has been introduced today and discussion was raised for a public hearing on the 13th or 14th of January — in which I will submit to Council right here as to whether or not they want to have a hearing on the procedures and on the boundaries and structure.

The Chair:

We will have a public hearing where we can discuss that.

Mr. Givens:

And, of course, final passage will be the 17th and it gives the Mayor ten days to approve the advertising for the 28th of January. It also gives approximately two weeks for various members of the Advisory Board to file it to Council and to certain individuals within the ordinance; otherwise, this Council and the City of Pittsburgh will have to wait until 1989 before we can file.

The Chair:

1979, Mr. Givens.

Mr. Givens:

But you want to be able to take office, particularly for the years 1977 and 1978.

The Chair:

Thank you, Dick.

Mr. DePasquale moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Lucchino moved

That the Minutes of Council of Monday, December 20, 1976 and Monday, December 27, 1976, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Coyne presented

No. 1846. WHEREAS, the late Mr. Errol Garner, by his singular and universal accomplishments in the field of music, has earned for himself the ultimate accolade of "an original"; and

WHEREAS, with his unmatched talent has brought honor and esteem to Pittsburgh, his birthplace; and

WHEREAS, the loss of his acknowledged genius ought to be sadly and officially noted.

NOW, THEREFORE, Be it

RESOLVED, the Mayor and the Council of the City of Pittsburgh hereby regretfully notes the passing of Pittsburgh's foremost musical ambassador.

Which was read.

Mr. Coyne moved

The adoption of the resolution.

Which motion prevailed.

Mr. Givens:

I have a letter from the Pittsburgh Neighborhood Alliance requesting a public hearing on the community advisory board and I was wondering — in order to get the community input, before we make a final resolution on the bill this coming Wednesday, if we couldn't set a date for the public hearing; and because of the lateness of it, I would suggest Friday.

The Chair:

Mr. Givens, I had discussed that with some Members of Council and they indicated that we should take this issue at our Wednesday meeting.

The difficulty that we have now is that not only does the City Administration and the Atlas Board have to be notified but also the citizens themselves. These people have to be alerted as to when a public hearing would be scheduled so they may have an opportunity to express their opinion.

Mr. Lucchino:

I think it would be appropriate for us to make that motion on Wednesday when the bill is properly before us. I think everyone should be alerted that

Council is going to have a public hearing and if they would just check with the City Clerk for the date, but I don't see how we can schedule it now.

The Chair:

I agree with you. We will set a date for the public hearing on Wednesday.

Mr. Coyne:

Mr. President, I would like to have the City Clerk notify Mr. Campbell to come to Wednesday's meeting to explain the reasons for moving the Water Meter Shop to Aspinwall and what advantage that will be to the City.

Mr. Givens:

Superintendent Coll should also be at Wednesday's meeting in regards to the protective vests.

Mr. Lally:

I would also like to bring up that Al Seretti or his immediate supervisor should be present at Wednesday's meeting.

Who is the director down there?

The Chair:

Donald Group. I had a conversation with him and he indicated that he was going to submit us some answers in writing.

Mr. DePasquale:

We should have him come to Wednesday's meeting, along with Seretti. He is responsible for the water damage. Someone should be here 24 hours a day, seven days a week in this building. That is the County's responsibility, not the City's.

The Chair:

Thank you, Mr. DePasquale.

Mr. DePasquale moved

That Mr. Mason be excused for absence
from this meeting.

Which motion prevailed.

Mr. Lucchino moved

That the Minutes of Council of Fri-
day, December 31, 1976 and Monday,
January 3, 1977, be approved.

Which motion prevailed.

And on motion of Mr. Lucchino,

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Lucchino presented

Bill No. 1893. WHEREAS, the St. John's General Hospital has served the

residents of the Pittsburgh area, especially those on the North Side of the City of Pittsburgh; and

WHEREAS, the services rendered by St. John's General Hospital have been very beneficial to the residents of this city; and

WHEREAS, the residents of the City of Pittsburgh have on many occasions expressed their great satisfaction with the services rendered by St. John's General Hospital and desire these same services to be rendered by St. John's General Hospital in the future; and

WHEREAS, St. John's General Hospital has requested approval of a \$26 Million renovation project to continue to serve the residents of the Pittsburgh area; and

WHEREAS, the health planning agencies from whom approvals are sought have rejected the expression of community support for St. John's General Hospital and also ignored the personal values and feelings of the residents of the North Side of Pittsburgh; and

WHEREAS, a final vote is to be taken by the Health Systems Agency on the St. John's General Hospital request.

NOW, THEREFORE, BE IT RESOLVED

That the Council of the City of Pittsburgh strongly supports the renovation of the St. John's General Hospital and urges the Health Systems Agency to approve the request of the St. John's General Hospital.

Which was read.

Mr. Lucchino

Mr. President and Members of Council: I think that from time to time issues like this come up and sometimes they are tended to be overlooked as being somebody else's decision, or they are not going to affect us, or there is not much we can do about it.

I think that the issue in St. John's presents something that has been arising from time to time with planners on how they affect the City of Pittsburgh with some of the planning decisions—whether they be regional planners, health planners, highway planners or whatever. But, I believe that the feelings of people and their personal values are very important for the City of Pittsburgh.

I think that too often planners tend to reflect either consciously or sub-consciously, and I'm beginning to believe it is more consciously than sub-consciously, strong anti-city feelings — whether it manifests itself in highway planning or whether it is the institutional planning, in terms of mortgage lending practices and in this case, it's hospital planning.

Everybody tends to feel that somehow they are going to be planning for a suburban world for the suburban areas surrounding Pittsburgh and ignoring the fact that within the City of Pittsburgh there are a whole lot of people who have lived here for a long time, who like the City of Pittsburgh and who would like to remain here; and you have two neighborhoods affected with the St. John's decision very directly.

First being where St. John's is located in the upper North Side - Brighton Heights area. A lot of the people live in that area who work at St. John's. They depend on St. John's for health care. They depend on it as being a part of their community. The Manchester Health Center which uses St. John's, a totally diverse community and separate from Brighton Heights, yet coming together at St. John's Hospital.

It is not often that you find citizens willing to stand up and support institutions. It wasn't long ago that Allegheny General Hospital was in here asking for an expansion, or Divine Providence — and in those instances the citizens were not in favor of the institution, but St. John's has a rare and unique position — the community wants St. John's to remain and they want them to build a new hospital there. And, I think that has to be recognized by planners that these

kinds of personal feelings defy the textbook logic of planners. Planners tend to see things black and white, open a textbook — there are so many beds here, so many beds there, we ought to consolidate this or move this here and not have any regard for the fact that there are neighborhoods whose lives are at stake with the planning decision. They just tend to overlook all those kinds of things. And, I think that we have to pass this kind of a resolution and show planners that we're not prepared to sit by and let them plan us out of existence. It's St. John's today, a highway tomorrow or we can't get mortgage money. How are we supposed to exist? And I think this is where we should take a strong stand and let these people know they are not going to step over us. If they are going to step over us, we are going to stand up and fight and the time has come when we are done just going along with all of these textbook planning decisions. There are people and there are personal feelings and those kinds of things have to prevail and I would move that this resolution be adopted.

Mr. Lally

I second the motion.

Which motion prevailed.

Mr. Stone:

Mr. President, if I may. I want to join in this resolution, but I suggest that no change of it presently, but as far as Council is concerned, I think there should be some review of the entire comprehensive health program. We are now talking about St. John's and it may not be known to this group City Council, but at the present time there's been attempts to diminish the services of the South Side Hospital, while at the same time removing St. Joseph's Hospital from the South Side. I'm somewhat disturbed with what seems to be their considerations and one was mentioned last week in the news media of money. It means they are trying to put these hospitals where there are the big donors and it appears then that if hospitals were to be only in areas where there are big donors

are donating, then isn't it time for some governmental or public sector to now get involved and say, "hey, somebody has to take care of that individual less fortunate, or at least we stop now, the diminishing of services in those particular areas."

I see this comprehensive planning seeming to be saying we are going to rule for the future based on the present needs. And, that is based on what and where we have in 1977.

For instance, no obstreperous services in the older areas, but from what I have been able to observe with their planning, there's time to study, there's a loss in time to plan, a loss in time to get approvals, a loss in time to bid, a loss in time to construct, a loss in time to operate, a loss in time to seek personnel, a loss in time developing as we have with our central medical, and we are now talking about another generation of people. And the older area then now is the new and younger area. The younger area that we plan for then is now the older area. They seem to be saying something about reducing costs. With all kinds of health programs today, it appears to me that there ought to be a better look at the institutions rather than trying to eliminate. Eliminating the various institutions does one thing I know — it eliminates competition and we obviously as it seems to be always to cause an increase rather than a decrease.

I also note that each hospital, and this may not be known to a lot of people, is doing some charitable work on their own; allegedly under that oath that all doctors and the medical profession abide by. And I do know one thing — if you have 30 hospitals, each is doing some and that's more than one half of that figure can do.

Obviously, I am looking at this with a great deal of concern myself and I think that we should not eliminate. I think that eliminating and getting down to a few is not going to stop the skyrocketing of our medical expense.

I wholeheartedly join with again this provision that it be understood that we

are asking for an overall look of the comprehensive health program as they are now looking at it. St. John's Hospital, the removal of St. Joseph's Hospital from the South Side and, at the same time in the South Side, cutting out services in the South Side Hospital, when you are already eliminating one of the two hospitals. In those hospitals they have had the patients in hallways. I am at a loss to understand how they figure in the future that you can eliminate one and cut service in the other and that's going to be a substitute now for two overcrowded hospitals. That same thing applies in the North Side and it applies in other areas. Somewhere it has got to stop. I think we have reached that point.

Mr. Givens:

Mr. President, I'd just like to go along with Bob and Frank on that particular talk and the fact that St. Margaret's is being moved out of the City of Pittsburgh — or is going to be moved. I have traveled widely this past weekend over the City of Pittsburgh and I can assure you in the North Side, as well as the West End and in some south areas of the City of Pittsburgh where people have been snowbound for over two weeks. In one particular case, it took a special vehicle to get down to some of these people. One woman had a heart attack and they couldn't even get an ambulance to go down there; they had to get it salted first because it was one of these unusual out-of-the-way places, but there are so many of these people in the City of Pittsburgh that have been snowbound and had to walk two, three and four blocks to a main artery in order to get out of the residential areas. It is beautiful in the summertime but when we have this condition that we have been having right now with the few inches of snow, the City has not been able to maintain and plow the areas let alone salt them and it is something that brings alarm to me because when a person does have a medical problem, how far do they have to go to a hospital?

I have been noticing the trend of specialization within the hospital systems and the fact of the general emergency use. If you go in and try to be

taken care of in the way of a cut or a fracture or something like that or a possible fracture or any injury where you have to go to the emergency room, the emergency rooms are beginning to have a great lineup of people within all of our hospitals and it seems they are specializing, and I see no shortage of trying to get into the hospitals. It seems like the beds are taken up and people are waiting in line, so when I see something like St. John's, I had sent a representative over from Chatham Center to talk to the people from North Side in this particular and sent a note off to the particular conference that is going to handle the decision to help handle the decision on this particular hospital, I wonder also.

Mr. DePasquale:

Mr. Chairman, I just want you to note that we are all aware of the situation at St. John's and how outdated the hospital is; we can't deny that fact.

I was a little concerned over the weekend when some ludicrous charges that the people in the area made about Allegheny General Hospital, and two wrongs don't make a right. If anything, Allegheny General should be closed up. I can understand the concern but some of the charges are absolutely ridiculous.

In regards to the hospital, certainly we need a new one or at least have that one renovated because we can't keep the same structure. It's been outdated for years and why they can't do something about it, I don't know.

I would like to make the point that they should quit making some of those charges about Allegheny General. They are unfounded and uncalled for.

Mr. Lucchino:

I beg the indulgence of Members of Council to make a couple more comments. Maybe it's the strong feeling and the zeal that I have on the general subject of what planners have done to us that I just feel compelled to speak on this subject a little more and Bob re-

mind me of St. Joseph's and the South Side problem.

When you see the Economic Development Administration handling the Public Works bill, and we don't get anything and small suburban areas get large amounts of money in comparison to the general budgets, I can't help but believe that there is afoot in this country an absolute pro-suburban, anti-city element that is irrational. They don't know why they dislike the city. Most of them were raised and left, but as soon as they get out of the city they can't seem to do enough to influence policies that are harmful to the city and this is one of them and for the life of me, I can't conceive of why these people feel such strong anti-city feelings. We don't have the same kind of feelings about them. We are the ones who always let people use our facilities without regard to anything. Yet when the same people get into some position of power and influence, they just ignore all of the feelings and the problems of the city and are quick to vote expansion of suburban facilities and suburban hospitals.

Take St. Joseph's out of South Side and make that a part of the South Hills System so that the medical facility can be closer to people who have the most money and the most ability to have transportation to them while the people who live in the city need to rely on public transportation can't seem to get there.

I apologize for dwelling on the subject and for showing the emotion that I feel about this but I can't help it because it happens time and time and time again and we try to turn the other cheek and say we will deal with the situation the next time it comes up, but they come at us so fast and furious with these decisions that may adversely affect us and it is hard to keep track of them.

We put forth \$27 million dollars and find out that some jerk down in Washington D.C. that programs the computer so we don't get money. Those are human decisions that they are making with a-forethought, and I think it is malice a-forethought most of the time. I think

we have had enough of this and if we don't stand up and say enough's enough, they will keep on stepping on us.

The Chair:

I agree with you Frank. All along we have been turning the other cheek and it is time that we stop turning it. There are a number of things that we provide in this city for the suburban people and I think it is about time that we start telling them that if they don't begin to cooperate with us, a lot of these facilities are going to be turned off to them. That is what we don't want to do but we are getting close to that point. It's a shame that St. John's doesn't have any large contributors that support it. Instead they just have the surrounding neighborhood. And I've always said that you can't build a wall around cities but they are beginning to put up the first layer of bricks and if it continues that way, we may just have to continue it and begin to show the suburban communities that they really can't live without the big cities and in this case, the City of Pittsburgh. I don't want to see it come to that, but if it continues, we may have to show that what we do have to provide is as necessary to them as it is to us.

Mr. Glivens presented

Bill No. 1894. WHEREAS, on January 22, 1977, pro-lifers everywhere commemorate their disagreement with the Supreme Court Decision of 1973 which authorized abortion on demand; and

WHEREAS, programs, events, and memorial services will be held in cities across the nation culminating in the March for Life to Washington; and

WHEREAS, Pittsburgh is a bastion of the pro-life movement.

NOW, THEREFORE, Be it

RESOLVED, That the Council of the City of Pittsburgh recognizes the positive efforts of those responsible for the pro-life movement and their special ac-

tivities during Pro-Life Week, January 17, 1977 through January 22, 1977.

Which was read.

Mr. Glivens:

This is just recognizing the fact that we have many movements within the City and I would like Council to recognize the fact that there is a pro-life movement afoot and that we recognize it for what it is worth, and I move the adoption of the resolution.

Mr. Lally:

I second the motion.

Which motion prevailed.

Mr. Glivens:

Mr. President, I had some unfinished business that I should have brought up at the proper time but it slipped my mind and that is I have in my hand here over about 600 and some petitions in the area of Bloomfield primarily and the Friendship and Edmond Street area where they are putting in a Bi-Rite Oil Station and the people are definitely opposed to that. Many of the churches, hospitals and schools within the area have petitions also. According to the zoning ordinance, the Bi-Rite Oil Company appears to be within their legal rights but I think the input of the citizens in this particular point is so dramatic that a petition will be going to the Zoning Board and I would like to indicate to this Council that it is going to the Zoning Board and hopefully it will be looked at because there are so many people involved in this particular area.

The Chair:

Are you going to send that down to them?

Mr. Glivens:

Yes, that has been sent down today.

The Chair:

Okay, you have already sent the petition down for them to hold a public hearing.

Mr. Lucchino:

With regard to the issue that Dick has brought up, maybe Members of Council would be willing to go along with having one of the solicitors draft an amendment to the zoning ordinance that we have.

We have run into this in other parts of the city and what seems to be happening is that there are non-conforming uses in residential areas that never expire under our zoning ordinance and I know there are some local municipalities that have a provision that says if you have a non-conforming use in a residential area and after a year goes by that is vacant, then you have lost the non-conforming status. On that basis, I would move that we have the City Clerk get one of the solicitors to draft that information for us.

The Chair:

The amendment is a good one.

Mr. Lucchino:

I am willing to go along with a sug-

gestion to have the City Clerk ask the City Solicitor to draft one . . .

Mr. Stone:

Put a deadline on it.

Mr. Lucchino:

Send someone other than Pelligrini.

The Chair:

We will have Mead Mulvihill.

Which motion prevailed.

Mr. Lally moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Lucchino moved

That the Minutes of Council of Monday, January 10, 1977, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,

Council adjourned.

No. 1921. Resolution authorizing the sale of property in the 19th Ward, being vacant lots on Canton Avenue, to Amran W. Onyundo and Charlotte Onyundo, his wife, for the sum of \$950.00.

Also

No. 1922. Resolution authorizing the sale of property in the 19th Ward, being a vacant lot in the rear of Belonda Street, to William D. and Patricia Van-Kirk, his wife, for the sum of \$600.00.

Also

No. 1923. Resolution authorizing the sale of property in the 20th Ward, being a vacant lot on Sweetbriar Street, to Patricia Doherty and Michael R. Doherty, Joint Tenants with right of survivorship, but not as tenants in Common, for the sum of \$150.00.

Which were severally read and referred to the Committee on Lands and Buildings.

Mr. Lucchino presented

No. 1924. Resolution providing for a contract or contracts or use of an existing contract or contracts for the rehabilitation and renovation of the Kingsley House, located at 220 Larimer Avenue, Pittsburgh, Pennsylvania and providing for the payment of the costs thereof.

Mr. Lucchino:

I move the suspension of Rule 8 providing for consideration of a bill only until or after the 9th calendar day following the meeting in which the bill was introduced so it will be on the agenda this Wednesday.

Which motion prevailed.

Mr. Lucchino:

I would like to explain the purpose of this. The Kingsley board of managers will be voting on Wednesday night to make a decision on whether to keep it or not.

Perhaps we should have some speakers for the City appear at that meeting to state its views about Kingsley House, because we want to show the board of managers that we appreciate it and it's crucial to the City.

Also

No. 1925. Resolution providing for an agreement with the Allegheny County Institution District in connection with the Federal Area Plan for Programs on Aging providing for payment and reimbursements to the City by the Allegheny County Institution District for expenditures in connection with the Senior Citizens Program; providing for the payment of the City's share of the cost; and providing for the deposit of funds.

Also

Also, with an affirmative recommendation,

Bill No. 1825. A Resolution entitled, "Providing for an Agreement or Agree-

ments for stenographic reporting services in connection with public hearing or hearings and providing for the payment of the cost thereof."

Which was read.

Mr. Gvens:

I have one remark Mr. President, relating to Bill No. 1825 — the transcript obtained for \$1,000.00. As of today, I still haven't received anything and I direct the City Clerk to correspond with our Human Relations Commission to ask for the transcript and final resolution on the hearings that were conducted so we can file that and find out what the final action is on that and what we are paying for.

Also,

Bill No. 1826. A Resolution entitled, "AMENDING Resolution No. 708 approved September 24, 1976, entitled 'Providing for an Agreement or Agreements with Senior Citizen Service Corporation and Shady Lane School for the implementation of the Comprehensive Employment and Training Act, and providing for the payment of the cost thereof.'"

Which was read.

The Chair:

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne
Mr. DePasquale
Mr. Givens
Mr. Lally

Mr. Lucchino
Mrs. Masloff
Mr. Stone
Mr. Caliguiri
(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also,

Bill No. 1828. A Resolution entitled, "AUTHORIZING the issuance of a warrant for \$392.07 in favor of: Highway Equipment Company, P. O. Box 15038, Pittsburgh, PA 15237 for the repair of a water pump without previous authority of law."

Which was read.

The Chair:

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. Coyne presented

No. 1933. Report of the Committee on Water for January 19, 1977, transmitting one resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1829. A Resolution entitled, "Providing for a contract for a water line Improvement Survey of portions of the Distribution System of the Department of Water and other engineering studies of the water system and providing for payment of the cost thereof."

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Givens:

Mr. Chairman, on this bill, \$26,000.00 is for engineering. I wondered why the City of Pittsburgh has to go out to a firm in New York City to find out about the water system in Pittsburgh. I bring this point out, and hopefully within Allegheny County we have people that are experts in engineering to study our water system and I think we have at present an engineering team within the Department of Public Works and I wondered if you had any comments, Bill.

Mr. Coyne:

This is an annual contract that is put out for bid and it is a routine thing that comes in every year. I don't think it is engineering so much as it is testing the water line.

The Chair:

Bill is correct on this, Dick. This is an annual thing for them and for as long as I can remember their names have been on the list for at least ten years because they seem to be the ones that have the expertise in this field.

Mr. Givens:

This is put out on bid, right?

The Chair:

Yes, but they do more testing.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Lucchino presented

No. 1934. Report of the Committee on Parks, Recreation and Libraries for January 19, 1977, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1835. A Resolution entitled, "Providing for an agreement or agreements with the Pittsburgh Symphony Society for the furnishing of concerts to the residents of Pittsburgh during the year 1977; and providing for the payment of the cost which is not to exceed \$30,000 and is payable from Code Account 1833, Concerts."

Which was read.

Also,

Bill No. 1836. A Resolution entitled, "Providing for the letting of a contract or contracts or the use of existing con-

tracts for the rehabilitation and construction of various playgrounds and courts, at a cost not to exceed \$200,000 in the Department of Parks and Recreation."

Which was read.

Also,

Bill No. 1837. A Resolution entitled, "Providing for the letting of a contract or contracts or the use of existing contracts for the rehabilitation of various walks, fences and parks at a cost not to exceed \$100,000.00 in the Department of Parks and Recreation."

Which was read.

Also,

Bill No. 1878. A Resolution entitled, "Resolution providing for the transfer of funds from Code Account 1838 to the Special Summer Food Service Program Trust Fund."

Which was read.

Also,

Bill No. 1879. A Resolution entitled, "Amending Resolution Number 464, approved July 2, 1976, effective July 6, 1976, entitled: 'A Resolution providing for a contract or contracts for the purchase of food and administrative costs for a Special Food Service Program for Children from funds provided by the Commonwealth of Pennsylvania, Department of Education', by decreasing cost provided for in said Resolution from \$110,760.00 to \$98,125.41."

Which was read.

The Chair:

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

MOTIONS AND RESOLUTIONS

Mr. Lally:

I think I would be remiss in my duties as a Councilman if I didn't mention the job that was done by our City of Pittsburgh Police Department in last weeks' explosion at the University of Pittsburgh.

I hope this doesn't start an argument by mentioning his name, but I think Superintendent Coll did a terrific job along with Bob Kroner in directing that whole disaster — in looking for the bodies and recovering bodies. They certainly did a good job and are to be commended for it because he usually takes the other side of the stick and I think this time he should be cited for the duties he performed.

The Chair:

I understand there were a number of others that assisted.

Mr. Lally:

Yes, everyone seemed to get involved — the people from the County arrived at the scene 20 minutes after the explosion happened, and I think the whole situation was handled very well.

Mr. DePasquale:

The response in regards to the volunteers at the Blood Bank — there were so many there that they had to be turned away and were told to come at another time.

The Chair:

It is good to see such a response from the communities when such a thing like this happens.

Mr. Stone:

This is another matter if I may, Mr. President. If you will recall a few months back, we had spoken on the rezoning of certain business establishments on Liberty Avenue, and at that time I indicated that I thought that we didn't need a rezoning but rather a revitalization of the entire Liberty and Penn Avenues.

Thereafter, we wrote to the Golden Triangle Association and the Greater Pittsburgh Chamber of Commerce. I have a portion of an article that appeared in one of the daily newspapers from the Golden Triangle Association that the H. J. Heinz Company and others are doing something to revitalize that particular area.

I have made contact with his office and many others in trying to coordinate a committee because I consider a revitalization of Liberty and Penn Avenues to be vital and I consider the present time to be crucial because I think that particular development must be done now, and must be done prior to the time that our convention center is forthcoming. Otherwise, we would be giving an added financial assistance to those undesirable business establishments which presently exist there, and I will report on that in the future.

Mr. Givens:

Mr. President, I have a few items that I would like to bring up that were brought up earlier today in the meeting with the Mayor.

I am a little alarmed and somewhat

discouraged on what has been going on in regards to recruiting new police officers. The Civil Service Department apparently is having difficulty in recruiting new police officers and in looking at the last report of the police officers presently on duty — as of December 1, there are 1396 officers. I know of at least seven deaths or illnesses upon where people have to retire and since that time it has gone down to 1389.

Take away the 28 park police and we are operating somewhere in the neighborhood of 40 less police officers than we were this time last year. I read where Superintendent Coll is trying to develop a special task force and I might mention that the Mayor had sent a letter earlier this month where he indicated that Bill No. 1749, which mandates the number of police officers that we have here and his last paragraph saying he has the discretion to say how many police officers we should have. This was brought at the meeting this morning and according to my figures, in order to meet 1478 there is going to have to be 157 new officers in order to meet the time table. We are talking about 87 or so new members or 70 or so that will be retiring in January, so I asked Superintendent Coll to come here Wednesday to explain to us how he is going to use the task force and where the people are coming from.

I am also concerned about the excessive overtime on the part of the Police Department and the illnesses, etc., and I noticed that there is a high rate of heart attacks among police officers and as a result the number of police officers is not up to a certain level, so I request Superintendent Coll to come in and explain to this Council what he is going to do this coming Wednesday.

Also, I have been travelling throughout the various areas in the City of Pittsburgh this week, and I find that there are many areas that are actually snowbound — especially on the slopes in the South Side area, the West End area the North Side area and automobiles have been stranded well over three weeks now and I was wondering if we could possibly get the Department of Public Works to draft a plan so it would

be easier to drive on the main arteries and the side streets is weather like this.

I would also like to talk about the medical ambulances. We have a bill before us to buy new ambulances for our medical fleet, because we don't have enough and the ones we do have are being overloaded and I was wondering about the total maintenance done on the vehicles.

Over a year ago I started to investigate the garage down there and found out that there are only 28 mechanics and I still feel that it is a safety problem — with over 1,000 vehicles and only 28 mechanics to handle all of them. I think we have seen evidence of the condition of these vehicles — they are total wrecks.

Last, I would like to make one favorable comment if I may. I attended the inauguration of Jimmy Carter and saw a great difference of hope and faith demonstrated by the people in huge crowds and in those huge crowds I never heard one cuss word or demonstration of any kind and I think he is going to bring a new spirit to this country. Thank you.

Mr. DePasquale:

If I may add to Councilman Givens — in regards to the police situation, I wonder what has been the problem with Superintendent Coll and the Police Department about replacing the police and bringing in new ones.

At the present time I believe we allocated for 100 police and the Mayor says he is only going to add 50 and I think if we get 100, it still won't be enough. Some people say it is a little late, but better late than never.

I would like to elaborate and say that the Mayor stated back in September that we have enough police and I don't believe that. All we are asking is that more police be put on the force. That is all.

The Chair:

Mr. DePasquale, certainly we have the funds to do this now and it will be put into a contingency fund to be used for whatever the Mayor would suggest and Council approves. Certainly this is one of the areas that needs the money the most.

Mr. DePasquale presented

Bill No. 1935. WHEREAS, residents of East Street will be relocated under the relocation plans of PennDOT; and

WHEREAS, the PennDOT Plan calls for relocation under the safe and sanitary conditions whenever highways or any other construction necessitates the need for relocation.

NOW, THEREFORE,

BE IT RESOLVED, That in the future of any relocation the Bureau of Building Inspection for the City of Pittsburgh be requested to give final approval before a party can be relocated from their former premises and

BE IT FURTHER RESOLVED

That the City of Pittsburgh can obtain cooperation from the Allegheny County Health Department in conjunction with the relocation plan to insure safe and sanitary housing.

Mr. DePasquale moved

The adoption of the resolution.

Mr. Stone

Seconded the motion.

Which motion prevailed.

Mr. DePasquale:

If I may elaborate on the resolution — what brought this about was Mrs. Murphy's testimony and I went over her home along with a few other Council-

men and we saw the house firsthand and the fact that they allow that woman to move in there without PennDot having inspected the place and declared it unsafe and unsanitary and fit for a human being, is unbelievable, and I think the City should check it out before it goes to the state for the seal of approval before these people are relocated.

Mr. Stone

Mr. DePasquale, you are talking about inspecting her second home?

Mr. DePasquale:

Yes.

Mr. Stone:

I think someone should give us at least an early alarm when something like this happens so at least we could have a chance of stopping it or else move some-

one from a building to another and know that it is livable for a human being. I think that is a good move and I will second that.

Which motion prevailed.

Mr. Lally moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Stone moved

That the Minutes of Council of Monday, January 17, 1977, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,

Council adjourned.

REPORTS OF SUB-COMMITTEES OF COUNCIL

The Chair:

While we are on special committees, I would like to appoint a committee to look into the implementation ordinance of the advisory boards.

As you know, we tabled that legislation and whether it will or will not come back before us this week or in time for the primary, I don't know; but, we should still look into this legislation and present this before Members of Council or any new legislation that we might consider.

I would like to appoint on that committee — Mr. Givens, Mr. Lucchino and if I may take the prerogative of the Chair, myself. This committee will be comprised of Members of Council as well as members of citizen committees and we will be getting in touch with some of these people in the various neighborhoods. Also to serve on the committee we will need at least three of them so we may present all or some sort of an implementation ordinance that is acceptable to everybody and that we can keep generating the interest in this so we can go forward and eventually these boards will be elected in accordance with the City Charter.

MOTIONS AND RESOLUTIONS

Mr. Givens presented

No. 1972. WHEREAS, the City of Pittsburgh is the "Engineering Capitol of the world;" and

WHEREAS, the many engineering firms and research labs throughout the area made the County of Allegheny one of the corporate leaders in the nation; and

WHEREAS, the City of Pittsburgh is

known as "the City of Bridges", for its numerous bridges designated by our many world-renowned consulting engineers; and

WHEREAS, the City of Pittsburgh's major engineering accomplishment, "The Golden Triangle" has transformed this city into a center of national and world admiration as well as a source of great civic pride; and

WHEREAS, the City of Pittsburgh has many notable engineering societies, including the American Society of Civil Engineers and the Pennsylvania Society of Professional Engineers; and

WHEREAS, the theme of Engineer's Week is "Key to the Future . . . Engineering", and

WHEREAS, the key to any future is the hard work of the men of the past and present such as William Conwell, retired Vice President of Engineering, Duquesne Light Co., recipient of the 1977 Professional Engineers Distinguished Service Award, and

WHEREAS, the week of George Washington's birthday, the First Engineer of the Land has been designated as Engineers' Week;

NOW, THEREFORE, BE IT

RESOLVED, that the Mayor and members of Council of the City of Pittsburgh does hereby proclaim the week of February 20 to 26, 1977 as Engineers' Week throughout the City of Pittsburgh, and expressed its appreciation for the achievements of those engineers who have done so much in bettering their communities and in contributing so extensively to the vitality and progress of the City of Pittsburgh.

Which was read.

Mr. DePasquale moved

That the resolution be adopted.

Which motion prevailed.

Mr. DePasquale:

Mr. Chairman, this is mostly a suggestion. A week or so ago I saw in the Pittsburgh Press where they did a story on the North Shore Project and it stated that there is a lot of vacant land and I was wondering if we couldn't make a suggestion to URA to get together with PennDot in regards to moving some of the people from East Street Valley to that territory. I know there is quite a bit of room down there and some of the people have moved out of the city due to the fact of the I-79 and maybe they will move back.

Since the East Street Project has already begun, maybe we can move some of those families and businesses in that area, and I think if URA and PennDot got together they could work something out.

The Chair:

Good suggestion, Mr. DePasquale. Mr. Stone, last week you were saying something of Council purchasing the property on Grant Street. As soon as you get that completed, will you let us know.

Mr. Stone:

Yes.

The Chair:

One last bit of information. Last Friday, Members of Council and myself visited with Mayor Flaherty regarding this emergency situation and at that time I indicated that Council will stand ready and willing to do whatever is necessary to get us over this period and will would convene, if necessary, in passing any legislation regarding extra money that is needed for snow removal. I just wanted to reiterate that to all of us here and I am sure all of you will agree that if anyone needs any assistance from City Council, we will be ready to act immediately.

Mr. Givens:

I have a few points of question I would like to bring out if I might. One is the fact that was brought to my attention if we could have someone from the Administration, preferably from the Department of Police — if someone could come up and explain to us why the school crossing guards are not being paid through this emergency crisis and the other departments within the City are being paid. I address that to the City Clerk to get someone up here to explain that this coming Wednesday and find out what the differences are.

I would also like to have someone from traffic engineers to come up at Wednesday's meeting. There is a tremendous amount of stop signs, signal lights, etc., because of the bad weather and I am extremely worried about these signs torn down because we are generating a number of traffic accidents and the people that are not familiar with the locale have been having problems.

The Chair:

We will get those people up here.

Mr. Givens:

The other comment I wanted to make — as I was driving through the Liberty Tubes today, I noticed that they are now called the Liberty Tunnels.

The Chair:

We have always called them "The Tubes."

Mr. Lally:

In regards to Councilman Givens' question about the school guards, the school guards are on a per diem basis — on a contractual unit with the City.

Mr. Givens:

The contract calls for 180 days and it will not be met during this curtailment and I think this is unfair because many of these guards are widows and this is their livelihood, and I think the City should address them as to what they are going to do in this situation.

Mr. Coyne:

For a couple of years now it has been a problem in the public housing communities throughout the City that refuse trucks haven't been able to get into the housing communities due to the illegally parked cars, and I would have thought by now that Lieutenant Anderson from the Housing Authority and the Pittsburgh City Police would have gotten together and resolved the problem and apparently they haven't done that. Being that Superintendent Coll is coming up here Wednesday, maybe we ought to invite Lieutenant Anderson to come up and see what the problem is.

The Chair:

So directed Mr. City Clerk.

Mr. Stone moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Lally moved

That the Minutes of Council of Monday, January 24, 1977, be approved.

Which motion prevailed.

And on motion by Mr. DePasquale,

Council adjourned.

Mr. Givens:

Mr. Chairman, I would like to address the Chief Clerk, if we could, there's a little less than a million dollars in the purchasing of new vehicles by the De-

partment of Supplies and I would like a breakdown of what vehicles they are going to purchase and further, to have a breakdown of what vehicles they are going to salvage.

It seems like we have a tremendous turnover of vehicles in the City of Pittsburgh with the ambulance service and the refuse vehicles, etc., and I still maintain that we do not have a sufficient amount of mechanics to maintain the vehicles down there and I would like to get a little in depth with this.

The Chair:

The City Clerk is so directed to have the information for Wednesday's meeting.

REPORTS OF COMMITTEES

Mr. Coyne (for Mr. Caligulri) presented

No. 2019. Report of the Committee on Finance for February 2, 1977, transmitting one ordinance and sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Givens:

On the bill — No. 1945, which deals primarily with Public Works and primarily with snow removal. They have pulled wages from various accounts — one of those from the Police Wages and Salaries, one from the Fire Department and the rest out of the Department of Public Works.

We are going to have much more of this coming down, and I would like to caution the Administration and my colleagues in Council here to watch how much money is taken out of the various departments — especially when it comes down to wages and salaries. I think we have in these accounts a sufficient amount of money right now to handle this, rather than going into wages and salaries; and we have equipment and materials and other areas that we can deal with later on in the year and if there is a shortage in that particular area, and I would hate to see if all the snow removal is going to come out of there.

The Chair:

I have alerted Bob Rush and Jack

Buckley to keep a running inventory of these transfers.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeable to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes	8	Noes none
------	---	-----------

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. DePasquale:

Mr. Chairman, just to comment on Bill No. 1592. It has been my contention all along that the meter maids have been giving tickets out illegally since June of 1973. The amendment to the ordinance will now make it legal for meter maids to ticket in the future which is the way it should be. And, as I said many times before, no one condones anybody for parking illegally overtime in the meter or otherwise, but if the tickets are given out illegally — two wrongs don't make a right and I was persuaded by my Council members not to push the amnesty issue. In fact, it was felt that it wasn't our part to do so and I made a request then and I want to make a request now to the City of Pittsburgh and to the Administration to that very thing. The error has been made and we finally corrected it and for the benefit of all those people that have outstanding tickets since 1973, that the City should at least grant them amnesty.

The Chair:

Thank you Mr. DePasquale.

Mr. Stone:

Relative to Bill No. 1592 Mr. President. This legislation that was initiated by the motion that Mr. DePasquale, and approved in the Finance Committee Meeting by Council last week, is not I think, and it ought to be clearly stated not to help scofflaws. It is intended as the legislation so indicates to remove all doubt about the questionable issuance of citations by meter maids. More pointedly however, it is intended to remove doubt today and not for the past years as Mr. DePasquale is now indicating. Although allegedly in private circles it is believed otherwise, our City Solicitor says publically that Ordinance No. 339 covers this. Although I personally had no opinions on its legality previously since seeing, hearing and reviewing personally their alleged sources, I respectfully differ with them and differ with them strongly. I believe the issuance of tags by meter maids in the past and until this ordinance is approved is illegal.

Therefore, by our healing legislation today, we are not freeing the City from potential lawsuits and redress in money damages for past misdeeds. In spite of the cloud that exists, some of our City officials have been zealous — in fact overzealous. This overzealousness shocks me when their actions allegedly on behalf of the City involves actions in clear and great derogation of the protection of personal property and personal liberties guaranteed by our U. S. and Pennsylvania Constitutions. Picking up a scofflaw's vehicle might be laughable to some, but picking a vehicle summarily and without a hearing is serious business. Picking up a scofflaw personally, is even more laughable to some but picking up the person and incarceration of that person summarily and without a hearing is serious business. It is very serious and it is grave business. This hard and tough action in and of itself is grave enough. Yet, add to it the questionable basis upon which bases its foundation. Heretofore, a person of means paid the tag and forgot as being too much trouble for him. A person of low, moderate or no means didn't have the means to seek appeal or redress, but now the tough, the hard and in many cases high-handed dealings in confiscation of vehicles and in confinement of persons is a new and different ballgame

where the stakes are higher and the potential winnings lucrative to potential claimants and legal counsel on their behalf, these actions are becoming actionable in violation of civil rights, false imprisonment, to mention but a few for which the law does provide redress and recovery in money damages, and even more recovery for punitive actions.

City directors and City personnel heretofore hid behind the policy of government with immunity. This is now gone, but yet some and even some of those who are somewhat learned in the law won't even heed that change.

A word of caution to them seems useless, so let them suffer any potential consequences personally. But where their action endangers the City of Pittsburgh, this Council must and is acting by removing the questionable legality in the future, we are attempting to protect the City of Pittsburgh treasury from refunds, but most importantly from potential money liability since the tax moneys were intended for public uses and not to pay for lawsuits and pay for high damages on questionable action.

In conclusion, this legislation cannot and will not save us from any past actions or past misdeeds.

The Chair:

Thank you, Mr. Stone.

Mr. Stone presented

No. 2020. Report of the Committee on Planning and Redevelopment for February 2, 1977, transmitting two resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Which was read.

The Chair:

Is there any discussion on the bills?

Mr. Givens:

Mr. President, I just have one remark that I would like to make. I feel very serious about the motorized equipment on Bill No. 1973 and the fact that last year — 1976 — the Bureau of Automotive Equipment had spent only \$762,000 out of their total appropriations of \$1,852,000. And, as it shows encumbered there, \$1,086,000. That \$1,086,000 might be encumbered but I don't see any company that has spent yet — otherwise, they might have gone out on a contractual agreement or encumbered it by legislation but they have not actually gone out and received the contractual agreement with most of the money with the companies.

On top of that, \$1,086,000 we just passed by resolution again almost \$800,000 of the \$1 million that has been appropriated in that account for 1977; which is all adding up to a heck of a lot of money — close to \$1,900,000 and that particular motorized account still in the fact that we have our 28 mechanics to handle 1,000 vehicles down there and I think we are getting to a compressibility factor here. The fact that our ambulances have been working about a year and a half and they are always breaking down and we need new ones etc., because they have overloaded them, this gives me great concern as a Council member and the taxpayers of the City of Pittsburgh. This money is encumbered and it's laying there and not being paid. That, along with the vests is another thing — protective vests for the police officers under Code Account 1457. Again, we gave the Department of Police \$20,000 last year of which he spent some \$11,000, and I have police officers coming to me and telling me that they cannot get vests at this time. These are some of the outstanding things and I am glad that we are moving all the moneys into the Contingency Fund because I think Council really is going to have to do something with the Administration in order to force them, as the money has gotten, to spend that money appropriately through-

out the year and it has not been done. On the other hand, it is being held — that of the automotive equipment. So we are talking about almost \$1,800,000 and I can guarantee that it will be spent around May 17.

The Chair:

Just so you understand, the moneys that are being moved into Council's Contingent Fund are moneys are the unencumbered balances. Any other discussion? There being none, the bills are now ready for final action.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mrs. Masloff
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lucchino	(Pres't pro tem)

Ayes 7 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. DePasquale presented

No. 2042. Report of the Committee on Public Works for February 9, 1977, transmitting one resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1946. A Resolution entitled, "FURTHER AMENDING Resolution No. 542, approved July 22, 1976, as amended by Resolution No. 1006, approved December 27, 1976, entitled: 'Providing for a Contract or Contracts for the construction of Forbes Avenue from Grant Street to Wood Street and related waterline im-

Which was read.

Also,

Bill No. 1975. A Resolution entitled, "Resolution transferring the aggregate sum of One Hundred Fifty Three Thousand Five Hundred Seventy Dollars and Thirty One Cents (\$153,570.31) from Code Account No. 1701, Miscellaneous Services, Code Account No. 1704, Supplies and Code Account 1750, Chemical within the Department of Water to the Water Line Maintenance Revolving Fund (WLMRF)."

Which was read.

The Chair:

Is there any discussion on the bills?

The Chair:

I believe you have all received a letter from the Mayor outlining the reason for his veto. There is some question here as to whether this is actually changing the budget and if it is a revision in the budget, then we have gone beyond the time limit that is permitted.

We didn't receive this information from the Controller's Office until the last part of January or the first part of February. I have asked Mead Mulvihill and Joe Cosetti to come up and explain the situation. If it is a change in the budget, then we may not be able to override. I've more or less argued the point or have indicated that this is a change from one code account to another.

At this time with the permission of Council, I will allow Mr. Mulvihill and Mr. Cosetti to please explain how they feel.

Mr. Mulvihill:

Mrs. Masloff and Gentlemen: I'm reading the Mayor's letter in which he indicates that it is clear from the budget resolution, that is the 1977 budget, that unencumbered moneys are cancelled except for those for which obligations have been incurred.

Now we start with Section 507 of the Home Rule Charter which permits Council to amend by resolution the operating budget within five weeks after the close of the fiscal year, but not thereafter except with the approval of the Mayor. Now, the effect of the purported carry-over of certain disapproved unencumbered balances is to increase the appropriations for 1977, over and above the amounts which it had been obligated prior to the end of 1976. Thereby in effect, amending the budget after the five-week period without the approval of the Mayor which cannot be done under Section 507.

Now Joe is available to explain the arithmetic of this to you, and I believe the Mayor's letter is correct, and I believe the veto should be sustained.

The Chair:

Questions of Mr. Mulvihill.

Mr. Lucchino:

Mead, if I understand you correctly, you are telling us we are increasing the appropriation ordinance by whatever these figures come out to — \$1,700,000 — or whatever they are?

Mr. Mulvihill:

Normally Mr. Lucchino, the unencumbered balances would be reflected in the increased appropriation power for the succeeding year — the year 1977.

As you know in calculating the surplus, the encumbered balances are first subtracted. So as I understand the mathematics of this, the increased appropriation power would reflect the non-carried over unencumbered balances, and the budget itself says that the amounts which can be carried over are not those from which are only those for which obligations have been incurred and there have been no obligations incurred on those which were read.

Mr. Lucchino:

If the appropriation ordinance appropriated \$130 million for the sake of discussion, what you are saying is that we are making it \$131,700,000 — if this is \$1.7 million?

Mr. Mulvihill:

That's essentially correct, except you are not changing the budget — you are not changing the revenue. Joe can answer this question better than I can. What you said is essentially correct.

Mr. Givens:

I have one question . . .

The Chair:

We will have both of them up here. Joe, what then happens to the unencumbered balances of \$1.7 million? Where does it go and why would that not affect the increase in the budget?

Mr. Cosetti:

To go back one step Mr. President. Council does two things: They appropriate with one ordinance and they also make an estimate of taxes and income and also make an estimate of surpluses and the two have to be in balance. The estimate of surplus which Council and the Mayor's Office makes, does not include encumbered moneys. Surplus is surplus moneys — not encumbered in any way. There has never been a problem of the movement of encumbered moneys from one year to the next be-

cause the appropriation ordinance calls for it and because legally if there is an encumbrance, some legal act has been taken to tie up that money, a contract has been signed, or some act so that the surplus is actually calculated without including that. So, when you transfer the encumbered balances, you are transferring both the money and the power to spend it. And that has been traditionally by the City.

Mr. Mulvihill:

That is where the resolution authorized the expenditure.

Mr. Cosetti:

But when you transfer unencumbered appropriation, there need not be money to back that up, and that is the reason that you don't do it automatically. For all unappropriated accounts there need not be any money there. This year there is money but there doesn't have to be money there for unappropriated accounts.

The Chair:

There's money there, but where does it go?

Mr. Cosetti:

That money automatically gets, you know, included in the Controller's final figure for surplus so that there will show up on the appropriation power page additional ability to appropriate, but there won't be any legal power.

Mr. Mulvihill:

In other words, that money is not lost, but reflects itself in an increased appropriation power for the City.

Mr. Cosetti:

That's correct.

Mr. Givens:

Only the Council that can raise that, then only Council controls this money in the form of unestimated . . . because it was strictly an estimated surplus.

Mr. Cosetti:

Almost all the income Councilman Givens, is of that nature. For example, all taxes are estimated and the surplus is estimated. If Council sometime in the month of January would have changed their estimate and raised the budget, it would have happened. You don't have to transfer money from a code account of last year to this year to do that. They could have just done it outright but by trying to do it by transfer and seeing that it occurs after the fifth week and it's being done by transfer, you can't do it that way.

Mr. Givens:

Then the only solution I can see is opening an emergency session of the budget.

Mr. Lally:

Is it five weeks from the time you receive it or five weeks from the first of the year?

Mr. Mulvihill:

Five weeks after the close of the fiscal year.

Mr. Lally:

We only received it four weeks after the close of the year. We only had one week.

Mr. Mulvihill:

You are talking about the information received from the Controller?

Mr. Lally:

Right.

The Chair:

That money that is now the cash account Joe, how is it taken out of there and who has the prerogative to spend that \$1.7 million?

Mr. Cosetti:

Only Council has that power, but let me qualify that. No one else has that power. You are assuming the money is absolutely there and the money that we call surplus is the only actual numbers we have. We know what the surplus is because the calendar has been closed on that. So that will get put ahead of the list of moneys that are available to the City.

Now the problem occurs when all the other estimates come out — and at the end of this year we will know whether we have had more money available than we have spent. We really won't know until the end of the year.

The Chair:

Right now, there is \$1.7 million more in surplus than we anticipated at the end of this year. Now, we know that the money is there and I realize that we won't know the estimates until the end of the year but if we want to spend or the Mayor wants to spend part of that money, what is the procedure?

Mr. Cosetti:

You have to open the budget by getting the consent of the Mayor.

Mr. Mulvihill:

If Council determined that that increased appropriation power, which is where the money properly is, was necessary to carry on the City's business and with the approval of the Mayor pursuant

to Section 507, appropriate steps could be taken to reopen the budget.

The Chair:

What if the Mayor wants to spend that money? Is it his procedure to come to Council with legislation?

Mr. Mulvihill:

Both of you have to reopen the budget.

Mr. Cosetti:

The former charter required that the Mayor issue a certificate and the Controller issue a certificate of emergency. The new charter just requires that of the Mayor in practice because he must give his approval.

Mr. Lucchino:

Our budget resolution is saying the total budget is \$132,655,000. Now, what you and Mead are saying is by us doing this, we will increase the budget to \$134,327,000 and that is improper. Is that what it boils down to?

Mr. Cosetti:

That is the effect of it, yes.

Mr. Lucchino:

And that's why it is wrong.

Mr. Mulvihill:

Yes, sir.

Mr. Givens:

If we are coming up with that type of a surplus and we don't know about it and we are taxing the people of the City of Pittsburgh like we have done, because we are coming up with estimates and we come up with around \$1.7 million, somebody is not doing the right arithmetic.

The Chair:

That may be true but that will be carried over this year and hopefully it will be used.

Mr. Stone:

I would like to get in a couple of questions here.

First of all, there is no new line item added, am I correct? I want to get some pertinent facts here. There are no new items added; all we have done is increased the amount, right?

Mr. Mulvihill:

That's correct.

Mr. Stone:

Now, you are saying that that's a budgetary change because we have increased the amounts?

Mr. Mulvihill:

Increased the appropriations.

Mr. Stone:

You are also saying if I understand you correctly, what you said is that there is \$1.7 million which turned out to be surplus and now it is in a cash fund and not in a contingent or sinking fund?

Mr. Cosetti:

The city only has one fund Councilman and it is all cash. It is called the General Fund.

Mr. Stone:

You are saying \$1.7 million in the General Fund. If I understand you to say so far unless there is some emergency or opening of the budget, then we have an automatic — assuming all other

factors stay constant — we have an automatic surplus going into the year of 1978 of \$1.7 million?

Mr. Cosetti:

If everything occurred as the budget calls for, that would be true.

Mr. Stone:

If we can't change what we are now recognizing needs changed, how can you change that which you don't even recognize that needs changed?

Mr. Cosetti:

I don't understand the question.

Mr. Stone:

You are saying if the money holds out you won't use it and if the figure turns out differently you will use it. I don't know how you get that authority.

Mr. Mulvihill:

If at some point in 1977 you can determine that you need the increased appropriation power, then by joint action of the Mayor and City Council the budget can be opened.

Mr. Stone:

Let's assume the Mayor and City Council does not agree and they decide not to open the budget, can anybody use the \$1.7 before, during or at the end of the year?

Mr. Cosetti:

You can't distinguish that \$1.7 million, Councilman.

Mr. Stone:

I can and it's one figure that hasn't been earmarked yet.

Mr. Cosetti:

What everyone is doing, and I'm not accusing you of this personally, is treating this \$1.7 million as though it were different from other city moneys.

Mr. Stone:

If I understand this, every dollar other than the \$1.7 million is earmarked somewhere. That is what you've told us today . . .

Mr. Cosetti:

No, that's not the correct interpretation. What Council has done, and let me see if I can use all the right terms — Council passed an appropriation ordinance and they did it by item and I am not questioning that appropriation ordinance. Now, they did that on the basis that they made the following estimates of income of various taxes plus the surplus and they — Council thought — when it passed it — and the Mayor signed it, that the estimates of income and the appropriations equaled, and so it was zero — in balance and that is what they thought they were doing. Now, it turns out that one of the estimates was low, and higher, now what we are really saying is that within the first five weeks of the year Council could have increased appropriations to pick up that change.

Mr. Stone:

You made some statement to the effect that right now \$1.7 million is not earmarked anywhere and if all the figures there that are written in the budget presently, all the estimated income and all the estimated disbursements turn out the same, we should end out keeping all constants tied, then it should end out with the \$1.7 million.

Hold on, then you said, and that is now what I am taking question to and it is a narrow issue — you indicated that if those estimates of income or the disbursements change, then you can by some device of magic, you can use the \$1.7 million.

Mr. Cosetti:

No.

The Chair:

It still has to come with a letter of emergency from the Mayor to City Council to take it and appropriate in items that were unappropriated.

Mr. Stone:

That is what I had asked initially and you said no and that's why I came the other way around. You said you couldn't do it during the year, you said you could do it at the end of the year if the estimates were off. I don't care if any of those figures change, the logic that you are presenting prohibits anybody from touching it at any time until there is an emergency declared.

Mr. Mulvihill:

The amendment of the budget with the approval of the Mayor can be made at any time.

Mr. Stone:

No.

The Chair:

Without that approval, let's say for example . . .

Mr. Stone:

That's why I saw the inconsistency and that's why I came back to ask the question.

The Chair:

If the real estate was off and let's say we find that \$1.7 million, can that be made up into real estate without the Mayor coming to Council?

Mr. Cosetti:

Can I answer the question more completely than you have asked. If the real estate is off, and it is off and you have indicated it because the assessment figures we got were lower than we had expected, the power to spend still exists and we are assuming that the estimates are accurate.

The control that will be placed upon the City is if the money actually isn't here when we get to the point where the dollars literally aren't in the bank, the Controller will stop it and as long as Council appropriates a sum equal to a sum that they estimate will be our income, then the power is there to spend and the money comes in during the course of the year and we spend during the course of the year.

Now, it could occur, and I don't anticipate this, but it could occur late in the year that some of these taxes or some of these estimates are off.

Mr. Stone:

Finish the statement, Joe.

The Chair:

Let him finish.

Mr. Cosetti:

What I am saying is if there is a shortage at some point in time, the Controller will stop the expenditure. We ended up this year with \$3 million in surplus. The \$1.7 you referred to will be treated no differently.

Mr. Stone:

I still want to go back to a pointed question and that is without the Mayor and Council agreeing, can we spend the \$1.7 million other than us doing it together?

Mr. Cosetti:

You can't increase the appropriations — \$1.7 million without the agreement of the Mayor and Council.

Mr. Stone:

I am going to ask the question again because it's clear that you gave me two contradictory statements so pick one and I'll be satisfied with whatever you take.

Can you in any way spend the \$1.7 million? I don't care how you do it, even whether the appropriations need increased or whether our expected income is lower. Can we at any time use the \$1.7 million without the Mayor and City Council agreeing?

Mr. Cosetti:

We can use that \$1.7 million for anything you have already appropriated.

Mr. Stone:

I don't think it helps to go any further.

Mr. Givens:

Didn't the Mayor have it ten days before he had it sent back to us?

The Chair:

Apparently it was not passed by Council within five weeks.

Mr. Perry:

We introduced it a week ago and it passed.

Mr. Givens:

Did the finance chairman receive the appropriate information in enough time to accurately prepare a resolution for Council?

The Chair:

We received the information the first week in February which I don't think we did have enough time.

Mr. Givens:

Do you feel in your own estimation as chairman of the finance committee that you were given sufficient time?

The Chair:

Bob (Rush), do you feel you had sufficient time after this information was received from the Controller's Office — to be able to put this legislation in?

Mr. Rush:

No.

Mr. Givens:

As I indicated before, the way I feel this thing could be resolved properly is to have the Mayor and Council approve to open up the budget or emergency session to discuss this as to where the money will go.

The Chair:

We can do that right now.

Mr. Givens:

Only Council can appropriate and spend money in the City and if the Mayor doesn't want to do that, then we have what appears to me is that it is a negligence on the part of the Administration.

The Chair:

The Controller's Office Dick, they close the books at the end of the year, and it took them that amount of time to get that information back to us.

Mr. Coyne:

My interest in the \$1.7 million is that Council, if they see some need for spending some portion of the \$1.7 million — that we have a vehicle to do that and as I understand it, if we do find a project that we feel is worthwhile, we could initiate the spending of that and the Mayor could disagree with us.

Mr. Mulvihill:

You could, with the approval of the Mayor in the budget to increase that.

Mr. Coyne:

We can initiate that action and the Mayor could disapprove it. In short he would veto our resolution?

The Chair:

Right.

Mr. Coyne:

We could override the resolution?

Mr. Mulvihill:

You can't override the approval of the Mayor.

The Chair:

That is where it ends, Bill. It would be a standoff. Unfortunately, you heard the explanations and questions. The Charter is quite clear. We have gone beyond the time limit and I would ask the motion that the veto be sustained.

Mr. Lucchino:

I move to sustain the Mayor's veto.

Mr. Stone:

I second the motion.

The Chair:

And the roll being called on the motion to sustain the Mayor's veto on Bill Nos. 1974 and 1975 and certain line items on Bill No. 1973, the ayes and noes were taken, agreeably to law and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative the veto of the bills was sustained.

Mr. Stone:

Mr. President, before we go any further I would like to correct something here. When we passed on this matter of the financing, I would like my vote to be "No." I thought we were overriding and now I find out that we were agreeing.

The Chair:

We upheld the Mayor's veto. We didn't override it.

Mr. Stone:

I would like my vote to be recorded as "No."

Mr. Givens:

Mr. Chairman, I thought that agreeing with the . . .

The Chair:

(The only reason I say agreeing with the Mayor is because we did go beyond which is in the Charter — beyond our ability to do what we wanted to do.

I was hoping for Joe and Mead to tell us that we were just transferring between code accounts, which they would not give me that satisfaction.

They said this was an increase in the appropriation — an amendment to the budget. In that case it then goes to the charter Dick, which says we cannot do anything after the five weeks, which we went beyond that. So I asked for the motion to sustain — not because we agree with the Mayor but because we have interpreted the charter that way. Bob with that knowledge is still voting "No."

Mr. Givens:

I asked if you had the appropriate time and the answer to that was no.

The Chair:

There's nothing we can do.

Mr. Lally:

February 14 we received it which was ten days past the deadline.

Mr. Givens:

When did the chairman of the finance committee receive this information? When did the Administration give us this?

The Chair:

The first week of February.

Mr. Givens:

That was five weeks. How can Council act upon this when we only received it — as I indicated on the 23rd hour?

The Chair:

It is unfortunate but the charter is clear. We've got to vote on what the charter dictates to us.

Mr. Lally:

The charter stated five weeks after the first of the year and we didn't receive it until the fourth week passed, so actually we had one week.

Mr. Givens:

I hope everyone follows the charter the same way.

Mr. Givens:

Mr. Chairman, if I might for the record — on those bills that we sustained, I would like to indicate my indignation in the fact that we didn't receive this documentation in time enough for this Council body to take action on it. I think that if there is nothing we can do to prevent this in the future, then the only thing I can say is to extend that length of time that the budget can be open and if the Mayor is not in agreement, I can appreciate his veto and the fact that we went over the time, but he should also appreciate the fact that Council did not have the appropriate time to take our necessary action and this leads Council to a precarious position.

As Bob indicated he voted no, I would like to go along with the spirit of the Home Rule Charter and I feel like myself to vote no, but in going along with the charter I'd say yes, and that leads I feel to a very disadvantaged point right here.

The Chair:

I am frustrated myself. Your remarks are well taken and so it will be put on the record.

Mr. Lally:

Mr. Chairman at the time that we need the money we will have a new mayor by then so what is the problem?

The Chair:

For the sake of clarification, will the Clerk please correct the roll call on the Mayor's veto.

And the roll being corrected, the ayes and noes were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

Ayes	7	None one
------	---	----------

(Mr. Stone voting "No").

And a majority of the votes of Council being in the affirmative, the Mayor's veto of Bill Nos. 1974 and 1975 and certain line items of Bill No. 1973, was sustained.

REPORTS OF COMMITTEES

MOTIONS AND RESOLUTIONS

The Chair presented

Bill No. 2071. Communication from Louis Mason, Jr., President, City Council, submitting his resignation as a member of City Council, effective March 9, 1977.

Which was read, received and filed.

Mr. Givens:

Mr. Chairman, I think there should be some comments on the city records that Mr. Mason served very distinguishedly in his 25 year-career with the City of Pittsburgh, and I think all the other Councilmen would go along with me in wishing him the best of health and luck in the future.

The Chair:

Thank you Mr. Givens. There is no doubt about it that Mr. Mason has served honorably and probably one of the more dedicated members of City Council.

As you say we all wish him well.

Mr. DePasquale presented

No. 2072. WHEREAS, recent decisions by the Federal Communications Commission with respect to regulation in the telephone industry have raised serious questions relative to the long term effect of increased competition on the cost of private telephone service for homeowners; and

WHEREAS, some industry officials predict that monthly rates for home phones could increase by as much as 75% because of the loss of higher revenue producing telephone services to independent equipment manufacturers and service companies; and

WHEREAS, at the same time, independent equipment manufacturers and service companies maintain that increased competition can result in lower cost and improved service to the consumer; and

WHEREAS, a Bill dealing with the question of competition versus regulation in the telephone industry known as the "Consumer Communications Reform Act of 1976" has been introduced recently in the Congress of the United States; and

WHEREAS, the question of competition versus regulation in the telephone industry is an admittedly complex one and deserves a full public hearing before decisions are made which can affect the cost and quality of phone service for all Americans; and

WHEREAS, numerous organizations and agencies across the nation, such as the Pennsylvania General Assembly, Philadelphia City Council, Pennsylvania Federation of Women's Clubs, International Brotherhood of Electrical Workers, Communications Workers of America and Pennsylvania Association of Older Persons, have called upon Congress to address this complicated and far-reaching issue.

THEREFORE, BE IT RESOLVED

That this Council hereby requests the Congress of the United States to hold public hearings on the proposed "Consumer Communications Reform Act of 1976" as quickly as possible so all interested parties will have the opportunity to present their views; and

BE IT FURTHER RESOLVED

That certified copies of this Resolution be sent to the President Protempore of the Senate, the Senators from Pennsylvania, the Speaker of the House of Representatives and the Members of the House from Pittsburgh.

Which was read.

The Chair:

As you recall, this bill was passed unanimously before and there is a bill before Congress, and we have to re-enact it because Congress has changed and they merely want this back on the record at City Council. Do I hear a motion to approve?

Mr. DePasquale:

I make a motion to approve.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

Mr. DePasquale:

Mr. Chairman if I may, I would like a resolution passed or a petition signed and sent to the National Register for Historic Monuments by declaring St. Boniface Church on East Street a historic landmark. The address is: National Park Service, Department of the Interior, Washington, D.C.

The Chair:

Your resolution is to forward a motion of Council?

Mr. DePasquale:

Yes, declaring St. Boniface a historic landmark.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

Mr. DePasquale:

There are a few disturbing circumstances that have occurred in the East Street Valley Expressway in regards to the further acquisition of property.

We had a promise from Secretary Sherlock back in June that he would right all the wrongs, which he hasn't done and one of the promises that he made was to take politics out of PennDot. And on that basis I think we should pass a resolution and forward it to the Mayor that all further acquisition of property stop the East Street Valley Expressway.

It was taped on a T. V. show and low and behold I was completely stunned when I found out that John Seidman is the liaison man to the East Street Val-

ley. A complete political hack, this man tells me he's going to take politics out of PennDot.

Furthermore, that Appeals Board, which I violently opposed because I knew it was going to become a mockery — they've only heard two appeals in that area. The offers in one case were fair and the other case was ridiculous. They were counteroffers. They have made no progress or offers whatsoever in that area with the exception of those two since the meeting of June 29. This came from Sherlock's own lips here when he was going to be the peacemaker and he was going to change the ways of Mr. Bartlett, etc.

Now, sending Mr. Seidman to make peace in East Street is like sending Hitler to officiate a soccer game between Germany and Israel. And that's why I'm asking for a resolution to stop all acquisition of property in that area.

The Chair:

You mentioned that that should be sent to the Mayor. Don't you mean PennDot?

Mr. DePasquale:

Yes.

Also, there has been no study in regards to the impact of traffic coming into town and with the coming convention center and with the eventual building of East Street Valley Expressway, which I said before will never be complete and I'll say it again.

I think we are entitled to know from PennDot exactly where this traffic is going to go. Those people have no plans whatsoever and it's going to be one unholy mess.

In other words, if they ever build a road and put all that traffic on there, there will be nowhere to go. So I'll go back to my original resolution until this problem is solved.

The Chair:

Any questions or discussion on the motion?

Mr. Stone:

Mr. President if I may. Jeep, I agree with your objections to the way East Street has been handled, but I personally feel that as far as East Street is concerned, we are not really helping them by stopping it.

I think what we ought to do is to continue to get the thing over with so once and for all we can get into doing some capital improvements to help them. We are holding back each time and pretty soon they'll be saying City Council held it back and I think that is their only salvation that is forwarded at this point because it has been let go 14 years with no repairs in those houses and in most cases they are not repairable anymore so you really have to go forward.

Mr. DePasquale:

With the exception to your remarks, Penn Dot is not making an effort to acquire them property so in effect they've stopped the acquisition.

Mr. Stone:

No, they haven't stopped it.

Mr. DePasquale:

They haven't made any counteroffers.

I don't remember the exact words that Sherlock used, but he said by January it would be under construction and now we are moving into March and they are nowhere close to letting out bids.

The Chair:

Mr. DePasquale, would you forego a motion to allow me to form a committee of Council to investigate this before we put it to a vote?

Mr. DePasquale:

Yes, I will.

The Chair:

And I would like to appoint yourself and Mr. Stone and Mr. Lally, and we will check into the committee and have you report back to Council and let's see what the problems and difficulties are.

Mr. Givens:

I just have one request to the City Clerk in regards to our police hiring practice.

I would like to have Superintendent Coll, Melanie Smith and one of the Commissioners — I think the president or chairman of the board and someone from the Mayor's Office would be good. And it is very distressing that right now, they talked and addressed Superintendent Coll in an article in the newspaper about a week or so ago, that wherein the minority groups were down to 200-250 selectees and he was questioning how hard of a problem he was having in trying to get qualified people.

And, as a result I have talked to Superintendent Coll and Melanie Smith and

I have asked the Administration to open up the Civil Service Examinations and do it as quickly and as rapidly as possible and I have not received any response so far, so I request them to come up here and tell Council why they haven't initiated this action.

The Chair:

We hope to get those answers tomorrow. That's all the motions and resolutions.

Mr. Stone moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Stone moved

That the Minutes of Council of Monday, February 14, 1977, be approved.

Which motion prevailed.

And on motion of Mr. Stone,

Council adjourned.

UNFINISHED BUSINESS

The Chair presented

Bill No. 2048. RESOLVED, That the appointment by the Mayor of Daniel A. Pietragallo of 6527 Jackson Street, Pittsburgh, Pennsylvania, be and the same is hereby approved and confirmed as the Director of the Department of Housing for the City of Pittsburgh.

Which was read.

Mr. Stone:

Mr. President if I may. The Housing Sub-Committee had the opportunity to meet with him, and I think we were totally satisfied with his qualifications, his past performance, his present approach and his tremendously optimistic attitude towards the future.

It was his concept that the housing executive director would be in a position to coordinate all of it and I think what we were particularly moved by was the idea that whenever a house was coming into a deplorable condition, it be looked

at first to see if it could be rehabilitated, if it was coming down to see whether or not we could get a replacement house to replace that which we were taking down.

I think very simplistic but very basic to what we need in our city and on behalf of the Housing Sub-Committee, I move then for his appointment.

Mr. Lally:

I second the motion.

Which motion prevailed.

The Chair:

In the audience we have one of Danny's sons. Bill, please get the message to your father that he was unanimously approved by City Council for the appointment as director of the Department of Housing.

Mr. Pietragallo:

On his behalf, I would like to thank City Council for his appointment.

REPORTS OF COMMITTEES

Mr. Coyne (for Mr. Caliguri) presented

No. 2098. Report of the Committee on Finance for February 23, 1977, transmitting two resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 2023. A Resolution entitled, "Providing for an agreement with the Public Auditorium Authority of Pittsburgh and Allegheny County under which said Authority will undertake promotional activities of the proposed Convention Center/Exhibition Hall; and providing for the payment of the cost thereof."

Which was read.

Mr. DePasquale:

Mr. Chairman, in regards to the resolution, I have reservations in regards to the County coming up with \$50,000. Apparently they haven't, and so far I have had no offers or compromises, so I would go along in opposing it.

Mr. Givens:

I would just like to make a comment on Bill No. 2023. This is a fact that we have to start moving forward in the City of Pittsburgh right here.

Over this last weekend I just heard that U. S. Steel is considering building a new steel plant in Ohio, which is — in fact, right down on Lake Erie itself and yet we are the steel industry center of the world.

We had the automotive industry here, that moved to Detroit. We had the airplane industry here, they moved to California and Texas and now we've got the steel industry moving to other locations because somewhere along the line we don't have — seem to have the insight and the foresight to develop our particular area right here. With the convention center coming and to bring the U. S. Steel Building here it was because it was strategically located between Detroit, Cleveland and Pittsburgh. And if you look on the map you could see that Pittsburgh is strategically located between New York, Chicago, St. Louis and Atlantic City and we are still the metropolitan and I think this is the ideal location for the convention center.

Mr. Lucchino:

I wish we could do something more to convince the County Commissioners to come up with their money and their share also.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
Mr. Lucchino	(Pres't pro tem)

Ayes	7	Noes one
(Mr. DePasquale voting "No")		

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also,

Bill No. 2039. A Resolution entitled, "Providing for an agreement or agreements with the Regional Industrial Development Corporation of Southwestern Pennsylvania for professional services in connection with the implementation of the Community Economic Development Program; and providing for the payment thereof."

(As amended in Committee)

Which was read.

The Chair:

Is there any discussion on the bill?

And on the question "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Mr. DePasquale presented

No. 2099. Report of the Committee on Public Works for February 23, 1977, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1987. A Resolution entitled, "AMENDING Exhibit I, Page 1 of Resolution No. 487, approved July 12, 1976, entitled, 'Project 76-1, Liberty and Bloomfield, Department of Public Works' by deleting the total cost of \$500,000.00 from P.W. 76-1 and increasing the total cost of P.W. 76-13 by \$500,000.00, from \$1,850,000.00 to \$2,350,000.00."

Which was read.

Also,

Bill No. 1988. A Resolution entitled, "Providing for a Contract or Contracts for Professional Services connected with the design of East Sycamore and Williams Streets improvements; and providing for the payment of the costs thereof."

(As amended in Committee)

Which was read.

Also,

Bill No. 1989. A Resolution entitled, "Repealing Ordinance No. 358, approved August 7, 1974, entitled 'An Ordinance for providing a contract or contracts for the demolition of the Allegheny Avenue Bridge over Penn-Central Railroad, including all other work incidental thereto, and providing for the payment of cost thereof'"

Which was read.

Also,

Bill No. 1990. A Resolution entitled, "PROVIDING for a Contract or Contracts for improvement of Herron Avenue from Bigelow Boulevard to Centre Avenue and related Water Work (P.W. 76-13 & W. 76-2); creating a Special Trust Fund in connection therewith; providing for the payment thereof; and providing for a Reimbursement Agreement or Agreements with the Commonwealth of Pennsylvania, Department of Transportation."

Which was read.

The Chair:

Is there any discussion on the bills?

Also, with an affirmative recommendation,

Bill No. 1157. A Resolution entitled, "APPROVING Modification No. 2 to the Redevelopment Area Plan-Urban Renewal Plan for the Woods Run Project in Redevelopment Area No. 15."

Which was read.

Also,

Bill No. 1158. A Resolution entitled, "APPROVING an Amendatory Cooperation Agreement with the Urban Redevelopment Authority of Pittsburgh in the Woods Run Project providing for the reduction of the number of parcels to be dedicated to the City of Pittsburgh, the elimination of certain street and utility work, determining the City of Pittsburgh's funding for boundary street and for ineligible street and site improvement costs and eliminating the requirement for City of Pittsburgh's local share."

Which was read.

Also,

Bill No. 1974. A Resolution entitled, "AUTHORIZING the Mayor to execute an Agreement with the Urban Redevelopment Authority of Pittsburgh requesting approval by the United States Department of Housing and Urban Development of financial settlement of Projects R-285, Woods Run, and R-41, Allegheny Center, and concurrence by HUD in said Agreement, providing for the maintenance and sale by Urban of remaining property in said projects, for the payment by the City of any obligations in excess of reserved funds in said projects and for the payment to the CD B G of reserved funds in excess of obligations and the application of surplus grant funds from Project R-285 to Projects UR7-1, R-199, A-15, R-84 or R-366."

Which was read.

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. Lucchino presented

No. 2101. Report of the Committee on Parks, Recreation and Libraries for February 23, 1977, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2035. A Resolution entitled, "Providing for a contract or contracts or use of an existing contract or contracts for consulting services for the South Side Water Front and Bikeway including architectural, engineering and other professional services, and providing for the payment of the costs thereof."
(As amended in Committee)

Which was read.

Mr. Lucchino:

Mr. President, on Bill No. 2035 it is the bill dealing with the bikeway over on the South Side. There is a typographical error that nobody picked up, except one of the members of our engineering staff, Mr. Albert — the Pittsburgh Zoo, and in lieu of that it should read, "South Side Water Front and Bikeway" so I move that Section 1 be amended to delete Pittsburgh Zoo and insert in lieu thereof, "South Side Water Front and Bikeway."

Mr. DePasquale:

I second the motion.

Which motion prevailed.

Mr. Stone:

Frank, if we have any more of those group houses over on the South Side, we might as well make it a zoo.

Mr. Lucchino:

I agree with you about the concentration, and just so everybody understands and so the record is clear — this isn't taking a nickel away from the zoo. It's just a typographical error and this money is to be spent for the bikeway.

The Chair:

Is there any further discussion on the bill?

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

MOTIONS AND RESOLUTIONS

Mr. Lucchino:

Mr. Chairman, for a long time Council has been talking about the East Street Valley Expressway and more recently St. Boniface Church and last week Mr. DePasquale introduced a resolution that it be registered as a historic landmark and this is something that has come to my attention and I think maybe we ought to discuss, and it has to do with the opportunity now to save St. Boniface Church — not an issue dealing with emotions of those of us who would like to think it can be saved, but using the Federal law that was just passed in May of 1976. There's a law called the Federal Highway Assistance Act that was signed in about the middle of last year. What it did was—it provided for federal highway funds to be reallocated from one project to another, so if you abandon the project rather than lose the funds, these funds can be used otherwise in the County.

Now, why I think that is important — there is \$100 million available to Allegheny County in conjunction with the SPRPC until the middle of the 1980's. Now that's all we have — is that \$100 million and the decision that was made was to spend that on the extension of the East Street Expressway from the city line out through Franklin Park Borough to Interstate 79.

My contention is that under that new law, that money can and will probably end up being reallocated to other projects within the County. It can be used for bridgework and roadwork, etc., and it can also be used for the City of Pittsburgh or FAU-type projects — for inter-sections, etc.

So my feeling is this: If, as I have contended all along, and I think Mr. DePasquale has contended this — there is never going to be a finish to the East Street Expressway. It is going to end up being one of those deals where the highway goes through the valley and ends at the city line and connects up with McKnight Road, or a four-lane road. I say

that if the highway is going to end there, there is no need for a six-lane highway to destroy St. Boniface Church or the rest of the East Street Valley.

Now, I think the SPRPC and PENNDOT should come out in the open with this change in the law instead of really keeping it behind the scenes. I don't know if very many people were aware of it that this law was passed and that this money could be reallocated. It has, in fact been reallocated successfully under this new law in Philadelphia. There is a project called the Cobb's Expressway in Philadelphia and that money was reallocated in Philadelphia from that expressway to mass transit, and it also qualified to be reallocated for rapid or mass transit rather than to be used for highway projects. So I would like to see the County Commissioners and the Regional Planning Commission make a decision on what they intend to do under the new law with reallocation. Don't do the City of Pittsburgh in again. Don't build a six-lane highway through our city and take down the landmarks like St. Boniface Church and then when you get to the city line, stop and find that you let everybody else alone. Don't just go and help and do the bridges or build a six-lane highway. We still have some time. They will make a decision if the Commissioners will hold some hearings and let's decide what we are going to do with this money before we begin tearing down St. Boniface, then make a decision to go back to four lanes.

One thing for sure. If we build it and tear down the church, it will be impossible to save it whether it was registered as a historic landmark or not. So the time is now and the time is on us, and my understanding is that there is a meeting of the Regional Planning Commission this afternoon at 4 o'clock and Bob tells me that this will be on the agenda hopefully to be discussed. I think it was important that we all be aware of this and that we use whatever pressures we have because this Council consistently voted on the side of the East Street Valley residents in trying to save the church. In fact, I believe we passed a resolution to abandon the entire project. So I feel certain we wouldn't want to use the power of our offices to see to

it that that church gets saved and that decision is made now before it is too late to stop.

The Chair:

Thank you, Frank.

Mr. Stone:

Mr. President, if I may. I happen to be one of those persons who are aware of it and we have been meeting on the subject and it does add a little greater ramification even than as Councilman Lucchino has indicated, because not only does it give the opportunity to reallocate, which we already have, but it gives a slight change to reallocate from interstate to intrastate and that I think is the major change for the first time.

It is on the agenda today and obviously it wasn't thought of today because to get on the agenda today, there had to be some advisory board meetings. We have had a meeting on the subject and it was our motion to put it on the agenda today so the matter can be brought out for all to discuss.

There is one problem with it though. While that particular piece of highway involves somewhere between \$100-\$150 million when it is reallocated since it is interstate, we may not get all of that into Allegheny County, and that is something that has to be watched. Since that section was in all of Allegheny County—all of it was for trying somewhere to save all the moneys, coming back to Allegheny County. So it is not so cut and dry but I just wanted it to be known that the City's only representative, namely me, is aware of it, I'm privy to it and we are trying to let everybody know, including Allegheny County. They have known about it and they will be prepared today with some work along those lines and as usual we will keep the interest of the City of Pittsburgh and East Street Valley in mind when we cast our vote.

The Chair:

Bob, you will give Council a report on Wednesday and let us know what is happening here.

Mr. Stone:

Yes. The real problem with it though. It needs the consent of everyone, so therein lies an additional problem and it won't be resolved today anyway.

Mr. DePasquale:

I actually concur with Mr. Lucchino and I just wanted to ask Mr. Lucchino if he is putting that in the form of a motion.

Mr. Lucchino:

I was going to make a motion, Jeep.

Mr. Glivens:

I would just like to add one comment. In my national and worldly travels and again getting back to the philosophy of the economy of the City of Pittsburgh. Here again the City of Pittsburgh has been bypassed not only Allegheny County-wise, Pennsylvania-wise, but national-wise on these intrastate systems. In most of the cities that I have travelled in, they have a complete belt around the city and a complete cross check right through the city and right through the downtown area. And I have been in Washington state and I've seen interstates that had been something like five or ten widths that went right down through the middle of that particular area.

Surely enough we have engineers that can design a little canyon to come through the East Street Parkway so that they can save St. Boniface Church and still put in a roadway to connect Pittsburgh with the outside world.

The Chair:

It is no doubt that we should exhaust all of our means to try and save St. Boniface Church and it is a shame that it even has to be considered in terms of

a six-lane highway.

Mr. Lucchino, do you want to put this in the form of a motion to be sent to the SPRPC. . .

Mr. Stone:

Before we go on I would just like to make a statement. Before we go any further I would just hope that we operate with a little bit of caution. I recall when we had a vote here in this very Council when we tried to go from the specific to the general and we were talking then about allocation of funds. Needless to say, if all of you can recall this entire hall was filled, and there was a lot of pressure. It was finally resolved that I would make my vote represent the city at that time. And, at that time a lot of people differed in what we did because they didn't understand that total ramifications. We put in moneywise, \$175 million for Crosstown Boulevard, which they are probably never going to build. There was \$35 million for the Route 50; there was an additional \$75 million for a Crosstown Boulevard; there was \$18 million for Carson Street by-pass, and I believe there was something for Second Avenue also. As a result of the way we put that in at that time with our vote, we voted for moneys. Today and only because of that, Allegheny County gets 50 to 58 percent of the money over the year 200. When that was brought down from the year 2000 to the 12-year program, we kept the allocation of 50 to 58 percent. When we brought it to the six-year program, Allegheny County still maintained the 50 to 58 percent. When we brought it to the two-year program, 50 to 58 percent. But, if we wiped all those roads at that time when we were voting initially, we somewhere now would probably have 25 to 30 percent of the money. It is not an easy thing to decide. There are a lot of problems, a lot of counties involved and I would suggest that we operate with a great deal of caution. So far we haven't lost, but we shouldn't get into a position of tied ends. It is coming on the table for the first time so it won't be finalized today because we are going to have to discuss it and it needs all the consent of everyone, and those parties are going to have to go back to their specific counties for their approval.

Mr. Lucchino:

I agree with Bob. In a lot of these matters, especially when you're dealing with complicated things, you can't just burst in like a bull in a china shop, but nevertheless, I do believe that we have taken such a consistent position in support of those residents in the East Street Valley so it is difficult for us to remain silent now that we are aware of this particular issue. So when we come down with this, all I am asking is that we let it be known that we stand behind Bob as our representative looking out for the city and we don't want them to just bring it up today and discuss it a little bit. And, as commissions tend to put off the making of a decision I would just like to keep a little pressure on the Commissioners and the Regional Planning Commission.

The Chair:

That is the reason for the motion.

Mr. Lucchino:

My motion is to just see that the SPRFC and the County Commissioners move as quickly as possible to make a decision on whether they intend to reallocate the funds for the extension of the Expressway from the city line to Interstate 79.

Mr. DePasquale:

I second the motion.

Which motion prevailed.

Mr. Givens:

One clarification on that, Frank. Are you saying the original design or the four-lane highway?

Mr. Lucchino:

We can't deal with the four-lane highway issue until we know if we are going to reallocate the funds. I don't want

to see them tearing down the church and then finally come to a decision.

The Chair:

Bob, you can bring back some answers.

Mr. DePasquale:

Mr. Chairman, while we are on East Street, I don't know if you are aware of it, but over the weekend a couple of members of the Appeals Board were about to resign in disgust. It was during the meeting that we received word of the tragic death of Mr. Sherlock who is the Secretary of PENNDOT. It was then that the meeting had broken up, but it was also brought about because there had been a very poor relocation plan in the East Street Valley. Those families have been poorly relocated because they were unsafe and unsanitary and there was no federal inspection of these homes before they moved in and there has been a great tax loss in the area — over a million dollars a year in the City of Pittsburgh.

On that basis, I would request that the City Clerk please contact Mr. Gaeta and have him come to our Finance Meeting on March 9 to give the data in regards to the families that have left East Street Valley, where they relocated, how the homes were inspected for safe and sanitary conditions, and a complete tax loss to the City of Pittsburgh. I think if we are going to exclude the people on the slopes we don't need an appeals board.

One other thing. I read in the newspaper over the weekend in regards to the beat policemen. Apparently that has worked out successfully, very beautifully in other states. And reports state that 90 to 95 percent of the people are co-operating on this, and I point this out because we are about to get into beat patrolmen in the City of Pittsburgh and hopefully our experiment will work out as well as the other places.

While we are on the subject about police, I don't know if City Council is aware of it, but the last four Sundays —

there has been some sort of a crack-down, especially in the movie areas and around the churches and they are tagging like mad. They are using no discretion whatsoever, and I have asked Superintendent Coll if he would use some discretion in this. Gosh Pittsburgh is supposed to be "Someplace Special", but to find a \$25 ticket in the window on a Sunday night, I think it is asinine and I think it should be stopped. I don't mean that ones who block the driveways or block places during rush hours, but just the Sunday night people. I think the police should use a little more discretion.

The Chair:

Your remarks are well taken, Mr. DePasquale.

Mr. Lally moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Lally moved

That the Minutes of Council of Tuesday, February 22, 1977, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. DePasquale:

Mr. Chairman, if you remember I had a conversation with you and Councilman Stone regarding the City firemen putting money into the fund to help defray the cost of the so-called living expenses.

We did put in some money in the Contingent Fund at the first of the year and I get the impression that it is not up to date and I would like to know what progress is being made and where they are going from here.

The Chair:

As you know the money is in the Contingent Fund for the pensioners. How much is in there Bob?

Mr. Rush:

\$137,000.

The Chair:

At the present time there is a bill in Harrisburg that would permit a cost of living increase to the pensioners — that is contingent upon the existing employees and in this case the firemen — that

they would increase their own contribution much more than the contribution to the City would be.

As I understand it they have told all their people and they overwhelmingly accepted it and the same would be for the F.O.P. and any others.

Mr. DePasquale:

Suppose the police employees don't?

The Chair:

There are two bills — one the firemen are endorsing and the other one the F.O.P. are endorsing. Now, when the bill comes out of Harrisburg, I don't know, but everything is contingent upon the bill in Harrisburg and more importantly all of it is contingent upon the present employees.

Mr. Givens:

If I make a comment Mr. Chairman, I am concerned about both the police and the firemen and the municipal employees. I think it was the latter part of January that I had sent a letter to all three of them asking them to take this proposition to their present members and to come back to Council and myself on it and I think there is a problem in the municipal employees, but that is something that they are going to have to work out individually or with each one of us or as a group. The letter did go out but I haven't received a written reply as yet.

Mr. Stone moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. DePasquale moved

That the Minutes of Council of Monday, February 28, 1977, be approved.

Which motion prevailed.

And on motion of Mr. Stone,

Council adjourned.

ONE-HUNDRED NINETEENTH COUNCIL

RICHARD S. CALIGUIRI ---- President
MICHAEL A. PERRY ----- City Clerk
WILLIAM F. McCRAY -- Ass't City Clerk

Pittsburgh, Pa.

Monday, March 14, 1977

Michael A. Perry, City Clerk, Chairman
pro tem:

This being the hour of 2 o'clock, the
meeting will come to order.

Mr. Perry:

Will the Clerk please call the roll.

And the roll being called, there were
present:

Mr. Caliguiri	Mr. Lally
Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone

Mr. Perry:

We will rise for the pledge of allegiance
to the Flag of the United States of
America.

I pledge allegiance to the Flag of the
United States of America, and to the
Republic for which it stands, one Nation
under God, indivisible, with liberty and
justice for all.

Mr. Perry:

Due to the resignation of Louis Mason,
Jr. as President and Member of Council,
the first order of business is the nomina-
tion and election of President of Coun-
cil. Gentlemen and Madame, what is
your pleasure?

Mr. DePasquale:

Mr. City Clerk, it gives me a great
honor and privilege to place in nomina-
tion, Richard S. Caliguiri for President
of City Council for the City of Pitts-
burgh.

Mr. Perry:

Motion that the nominations be closed.

Mr. Lucchino:

I so move.

Mr. Lally:

I second the motion.

Which motion prevailed.

Mr. Perry:

The Clerk will call the roll on the
election of Richard S. Caliguiri as Pres-
ident of Council.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri

Ayes 8 Noes none

And the votes of Council being unanimous, Mr. Richard S. Caliguiri was elected President of the Council of the City of Pittsburgh.

Mr. Perry:

Will Mr. Caliguiri please approach the chair. Members of Council, ladies and gentlemen, may I present Councilman Richard S. Caliguiri, President of City Council.

Mr. Caliguiri:

Let me take this opportunity first to thank my colleagues for voting for me. I certainly appreciate your confidence and I pledge at this time to give them the leadership here at City Council, not only for ourselves but for the people of Pittsburgh.

Also to my surprise are some friends of mine who came down here this afternoon and I must say that I wouldn't be here and getting nominated as President of City Council without you, so I owe you a great deal of gratitude. Again, I want to give all of you my sincerest thanks and over the next several months I plan to make sure that the things we are supposed to do will get done and that the chairmen of those committees will do the same because we are going a time now when everything that comes up — the decisions that we make are critical; the decisions as far as finding money and as far as some of the programs that we're after. A lot of things are coming up that we must work together, and I think the important word here is working together and I think we

are all able to do that so that the Members of Council, everyone here in the audience and the people of the City of Pittsburgh are going to be better for it. Again to all of you, a great and heartfelt thank you.

Now let's get on with the business at hand. I feel like I've just accepted my mortgage.

With the permission of Council, we will take this out of order and go under Motions and Resolutions first because the gentleman is here and we would like to present this resolution.

Mr. Caliguiri presented

Bill No. 2140. WHEREAS, Louis Mason, Jr. has served the people of the City of Pittsburgh with honor and distinction for the past 24 years, and

WHEREAS, his public service has included various administrative positions with the Commission on Human Relations including his ultimate appointment in 1962 as Executive Director of that important agency, and

WHEREAS, Mr. Mason has served as a member of City Council since April, 1967 and was elected by his colleagues to serve as President of City Council in December, 1970 and has retained that position since that time,

THEREFORE, BE IT RESOLVED

That the Mayor and Members of City Council commend Council President Mason for his many years of dedicated and capable service to the community and join with his many friends and associates in city government and throughout the community in extending best wishes to him and his family in the years ahead.

Which was read.

Mr. Stone:

Mr. President, I think I would like to make a few remarks if I may. Obviously the former president is not going to be hearing them regrettably, but I don't think it is important that he hear them as much as we make note of some of the contributions he has made which a lot of people have failed to realize he has made.

Many people have given this Council credit as having a lot of vibrance in a sense that there are individuals who seem to be like charging horses, yet at the same time under his tutelage as our president he has been able to keep it as a cohesive group during all the time that he was president, and I think that is something that he has never gotten credit for and that is the ability to lead, and I think that would exemplify his ability of leadership perhaps better than any other way. I know of no time in which he intentionally or otherwise ever alienated anyone while at the same time he did not obviously, give to one or favor one over the others, and I think that is a good sign of the ability to lead, the ability to be cooperative, and the ability, perhaps to be a man, and I think that is what he has shown.

Before he came on Council he set a pace for himself. Here on City Council he did not ignore the rights of the black people — the black individual and yet at the same time he did not at any time treat anyone differently, and I think that's a key as well as the fine leadership of this man.

As I indicated, he may not be able to hear it, but I think this City ought to hear it. He's definitely been a good contribution to the City of Pittsburgh — before he came to City Council, but obviously on City Council and I'm gratified that you're passing this resolution today and I move for the adoption of the resolution.

Which motion prevailed.

The Chair:

That certainly will be in the record and it will be sent along to Mr. Mason.

Mr. Perry:

We have with us the Honorable Louis Farino, Judge of the Court of Common Pleas, who will administer the Oath of Office to the President of Council.

The Honorable Louis Farino administered the Oath of Office of President of Council to Mr. Calliguri, and he signed the oath.

MOTIONS AND RESOLUTIONS

Mr. Givens:

Mr. Chairman, I was invited along with Councilman DePasquale and Mr. Lally to the North Side Chamber of Commerce last Thursday — the Tenth of March, in which they gave me a petition to forward to this Council and it reads, "We the undersigned hereby petition the Pennsylvania Department of Transportation, Governor Milton Shapp, Pittsburgh City Council, Allegheny County Commissioners, President Jimmy Carter, Senator Richard Schweiker, Senator John Heinz and State Rep. Robert Butera, to act immediately for a quick and effective completion for the East Street Expressway. This highway has been pending for 21 years and we believe the time has come for some quick action to be taken." It has about 400 signatures, Mr. President, and it is undersigned by the Ward Chairman, the President of the

East North Side Area Council, also the President of the Allegheny Chamber of Commerce and the North Side Businessmen's Association and the Chairman of the North Side Community Conference, I present this as a petition to the Council here. In effect these people are saying that they would like the East Street Expressway to go forward.

Mr. Givens presented

Bill No. 2173. Petition from residents of North Side Chamber of Commerce, requesting the Pennsylvania Department of Transportation to act immediately for the quick and effective completion of the East Street Valley Expressway.

Which was read, received and filed.

Mr. DePasquale:

Mr. Chairman, as Mr. Givens said I was at the same luncheon, Mr. Coyne and Mr. Lally — later that afternoon we got a communication from Washington, D.C. from the Federal Government that there were no funds available for bridge construction and bridge repair for 1977. We are all aware of the fact that our bridges are in pretty bad shape and a couple of them are even talking about endangering — collapsing which is the I-79.

Now, if no funds are available until '78 or later, we have no other choice but to get the funds from some other source and the only other source is the East Street Valley Expressway. Those funds should be reallocated to bridge repair and bridge construction and road repair. But this time I would specifically say bridge repair. If one of those bridges collapses and we have a catastrophe like they had in West Virginia or in Tacoma, Washington some years back, somebody is going to have to answer and I don't want to have to be the one.

As I said before, the East Street Valley Expressway is not that important. I was always an opponent to it and the way they treated the people and their unfair compensation, which still continues and they are still not treated fairly in regards

to just compensation. And, at this stage I honestly think that the petition, although signed with good intention by the people who probably don't even live in the area but are concerned with East Street — I think it is much more important that the City of Pittsburgh and to the pedestrians and motorists to fix those bridges, and the only place we can get the money is the East Street Expressway. I am hoping the Federal Government makes that kind of decision and the money is reallocated.

Mr. Lucchino:

I wholeheartedly support what Mr. DePasquale says. I think there has been a little bit of confusion among the North Side or the Allegheny Chamber of Commerce, the news media and the general public.

Whenever those of us have talked about reallocation, the reallocation of the funds is to come from that portion of Interstate 279 outside the City of Pittsburgh beyond East Street from the city line through Franklin Park Borough. That seven-mile stretch is the reallocation of the funds that is being discussed. There has never been a discussion of reallocation of funds through the East Street Valley and I can't say that often enough because people don't seem to hear that, so I'll say it again. It is the reallocation of funds from the seven-mile stretch through Ross Township, Ohio Township and Franklin Park Borough — not through the East Street Valley. Now, where the East Street Valley Park becomes important is if those funds are in fact reallocated to the bridge repair, then there may have to be a look at the design of whatever road is to go through East Street, and that is all anybody is talking about. Nobody is talking about not doing something in East Street. My God, they've devastated the valley — something has to be done there.

With regard to the petition that has been presented I happen to have had the opportunity to attend a meeting in the community where a gentleman was promoting the petitions and I watched him as he asked people to sign the petition and I heard him say, "Let's sign this; we

want to get East Street going — the expressway." These were people who had no involvement whatsoever in the East Street Valley. They happen to be residents in another section of North Side. The people did not take the time to read it and there was never any explanation given. Leaving the meeting that same fellow was standing at the door asking them to sign the petition. Now I said to him, "Well, are you opposed to reallocating the money?" "No." "Are you opposed to saving St. Boniface Church?" "No. All we want to do is to get this moving. I don't care if it is four lanes or six lanes, I want to get something going so the North Shore connection can be made down in the lower part of North Side."

So that is the spirit under which those petitions were signed. It was certainly never anybody saying, "We understand what the design is, you've shown us a map of the design, we favor six lanes, don't build a bridge, don't fix the bridges." So I think that they have a right to submit a petition, but it must be accepted under the terms in which the people were asked to sign it which were similar to what was expressed to me. I overheard him say, "I don't care if it is four lanes or six." Gosh, if 400 people signed that petition, where were those 400 people when all of the problems were going on in the valley? Where was the Allegheny Chamber of Commerce when all the problems were happening up there? More than 400 families have been uprooted from our city because of the expressway, yet I didn't see any of them sign the petition, so I think they have a right and we should accept them, but the Members of Council should understand the background that went into signing those petitions.

Mr. Givens:

Mr. Chairman, I would like to indicate that I was the messenger so to

speak of these petitions, but at the same time I also looked at the blight in the North Side and what has happened because of the East Street Expressway. It has not come through and that area is laying dormant over there and Jeep (Mr. DePasquale) pointed out many times before, we have lost many valuable tax dollars but they are indicating, "let's move, let's get off the point" and they have indicated in another letter that I have received and all of the Councilmen have received from Tom Murphy, who is one of the business representatives from the whole North Side area and business district, is that "without this, the North Side is to continue decaying in that particular area." And just to drive by the area and you can see that. I mean it must move forward or it must be reclaimed — either one of the two and not stay in its present state. That's all I think the people are intending.

We are now into a new election year. Let it not be one of those election by-promises that have been so within the past and with some past-elected officials. Let us continue forward on this particular area and get it moving so the area does not continue to be a blighted area.

The Chair:

Thank you Mr. Givens. Your remarks will be recorded.

Mr. DePasquale moved

That the Minutes of Council of Monday, March 7, 1977, be approved.

Which motion prevailed

And on motion of Mr. DePasquale,

conjunction with the design of the Magee Recreation Center in the Department of Parks and Recreation, at a cost not to exceed \$25,000.00."

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Lucchino:

An amendment at the end of the first paragraph — there is a sentence to be added to read: "The scope of which is to be in accordance with representations as made by the Director of the Department of Parks and Recreation to City Council."

Mr. Lally:

I second the motion.

Which motion prevailed.

Mr. Stone:

There's a question on that, Frank. Shouldn't we put something in there attracting the words to a statement?

Mr. Lucchino:

Representations. The only problem I thought about was putting in something specific.

Mr. Stone:

I'm not faulting which one, I'm faulting in the way you are saying it.

Mr. Lucchino:

I mean, I was hoping for suggestions. The Director had some discussion about numbers of square feet and I wasn't sure that we should have an amendment that read, "the building should be 11,000 square feet as opposed to ten." I guess

the architect has to be given leadway, and I wanted her to know that we want that architect to follow in accordance with our discussions, but if you have another suggestion.

Mr. Stone:

If you attach a letter to it, it might be the best way. What did she say? Or abstract them from the minutes and attach it to it.

Mr. Lucchino:

If you will recall Mike when the Director finished, we said that we wanted to have the scope of work in accordance with what she said at the committee meeting on Wednesday. And since there was nothing in the ordinance, I thought something should be added. Now, we can add the minutes of that as an attachment.

Mr. Stone:

That's it.

Mr. Lucchino:

In accordance with the representation of the minutes of this meeting are attached hereto, okay?

Mr. Stone:

Fine.

Mr. Lally:

I second the motion.

Which motion prevailed.

That concludes the Reports From Standing Committees. The two gentlemen that you see on the right — the ones that keep talking — are members of the press. One is from the Post-Gazette and the other is from the Pittsburgh Press.

The gentlemen who is sitting next to the door with the radio on his shoulder is Dave Koslick who is from KDKA Radio — along with Elaine Leaphart, from KQV. These people are here everyday monitoring what goes on in these chambers.

The fellow on the right holding up his leg is Dave Welty — he's the Mayor's Press Secretary. Finally, the people on the left are Council's staff, as well as the Legal Department.

MOTIONS AND RESOLUTIONS

Mr. Lucchino presented

Bill No. 2252. WHEREAS, the week of April 3 through 9, 1977 has been designated as "Week of the Young Child" by the National Association for the Education of Young Children; and

WHEREAS, the Pittsburgh Area Preschool Association is sponsoring a program to acquaint the public with services available for young children and their families; and

WHEREAS, various agencies who offer services to families with young children will have information booths in the City-County Building on April 1, 1977; and

WHEREAS, the members of the Council of the City of Pittsburgh recognize the valuable community contribution

which these agencies make to the life of our community, the health of our families, and the future of our children.

NOW, THEREFORE, Be it

RESOLVED, that the Council of the City of Pittsburgh recognizes the work and service performed by the agencies which are cooperating in the "Week of the Young Child", and by the Pittsburgh Area Preschool Association, the local sponsor for the week.

Which was read.

Mr. Lucchino moved

The adoption of the resolution.

Which motion prevailed.

Mr. DePasquale:

Mr. Chairman, approximately five days ago I asked for the resignation of Mr. Joseph Cosetti, who is the Treasurer of the City of Pittsburgh, on malfeasance charges. So far his resignation has not been forthcoming as was directed at that time to follow through until the Monday legislative meeting.

I am very put out by his distasteful actions and I don't see any other alternative to this matter. First of all, I would like to site three reasons for this.

No. 1 — his irresponsible accusations in regards to one of my colleagues' place

of residence, causing said colleague undue harm and harassment.

No. 2 — his ridiculous behaviour and embarrassment to the whole city.

No. 3 — his insistance that the meter maid citations from 1973 to February 1977 be paid.

In spite of the overwhelming evidence in the telephone conversation with me,

he admitted that the meter maids were ticketing illegally and I have told him on numerous occasions that two wrongs don't make a right, and I would like Council to make an amendment to the ordinance, of which he did away with, that the meter maids are ticketing illegally.

I also feel that I may make a statement granting amnesty to those with outstanding tickets — and the latter of which he denied in hat same telephone conversation.

Therefore, I would like to initiate a malfeasance charge against Mr. Joseph Cosetti, who is the Treasurer of the City of Pittsburgh.

The Chair:

Thank you, Mr. DePasquale. Any other comments?

Mr. DePasquale:

When is the proper time to ask for a vote on this?

Mr. Perry:

Do you want to follow the proper procedure by sending Mr. Cosetti a letter stating the charges? According to the Home Rule Charter, we have to send him a written notification that he is charged with certain things and we have to have the hearing in front of Council.

Mr. DePasquale:

Okay. Thank you.

Mr. Givens presented

That Mr. Lally be excused for absence from this meeting.

Which motion prevailed.

Mr. DePasquale moved

That the Minutes of Council of Monday, March 21, 1977, be approved.

Which motion prevailed.

Mr. DePasquale moved

That this meeting of Council be recessed subject to call of the Chair.

Which motion prevailed.

And Council recessed.

Pittsburgh, Pa.

Monday, April 4, 1977

And the hour of 2:00 o'clock, P.M., having arrived and the time of the recess having expired, Council reconvened and there were present:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't)

And on the motion of Mr. Lucchino,

Council adjourned.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2203. A Resolution entitled, "VACATING Fresco Way, between Sample Street and Meyran Avenue, in the Fourth Ward of the City of Pittsburgh, and providing certain terms and conditions."

Which was read.

The Chair:

Is there any discussion on the bill?

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Calliguri
	(Pres't)

Ayes 8 Noes none

And there being three-fourths of the votes of Council in the affirmative, the bill passed finally in accordance with the provisions of the Act of Assembly of May 22, 1895, and the several supplements thereto.

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Lucchino:

I move to amend this bill in section 2., under bikeways project by inserting an "asterick" after \$75,000.00 and adding "\$50,000.00 to be reimbursed by state." Also under the heading "Total, Dept. of Parks and Recreation" which reads "funds from other sources \$3,740,000.00" shall be amended to read: Funds from other sources \$2,740,000.00".

Mr Lally:

I second the motion.

MOTIONS AND RESOLUTIONS

Mr. DePasquale:

Mr. President, with regard to my charges of malfeasance, there is some question raised as to the constitutionality of Act 311 of the Home Rule Charter and I would like to get an opinion from our Council Solicitor on this matter before I proceed further.

Mr. Calliguri:

Fine, Mr. DePasquale; so directed.

Mr. Lucchino:

Mr. President, recently, the last couple of days, there was an article in the paper about the concession in the City-County Building and how much money we are not receiving. The lease has expired, about two years ago, and nobody has bothered with it. Apparently, \$137,000 in income, gross income, was taken in by that stand and the City and the County splits between them, \$1,500.00, which means \$62.50 a month.

The Zoo Commission has recently been talking about concessionaires and sur-

veys were done by Mr. Hays at the Zoo to determine how much the City would get from giving the concession stands out at the Zoo and that was coming out at between 20 and 30 per cent, which was the average figure. The way it has boiled down, downstairs, is at about 1-1/4 per cent which seems pretty low.

I request that Harold West come up to Wednesday's Committee meeting to give a breakdown as to why they have not dealt with this since the time the lease expired.

Mr. Caliguiri:

The City Clerk is so directed to request that Harold West be present at Wednesday's Committee meeting to answer questions raised by Councilman Lucchino.

Mr. Stone:

In line with that, I think we ought to at least question whether the newspaper reporting is accurate, that the County, because of some difference we have over the renting of the sixth floor, that for some unknown reason, that a portion of that first floor is "on their side of the building" and that that would inure to their benefit solely. I think it ought to be very clearly understood that we could agree, and will contest any opportunity that will divert funds other than where they are supposed to go.

Mr. Caliguiri:

Even though the stand is on their side, even so, we both share in it.

Mr. Lucchino:

I had asked Mr. Albert to try to find the old agreement, dated 1976, and clearly the City is entitled to a portion of the proceeds regardless of whose side the stand is on because it is between the City, County, and the concessionaire. So, I think we have a right to it and we ought to be getting more than \$62.00 a month.

Mr. Stone:

I would like to add, though, no wonder, sometimes citizens get disturbed with government. When we have a building and it has joint ownership, there is a very simple way, with that joint ownership that an intermediate force could handle it all and I think all the parties need a swift kick in the backside for what they have been doing with regard to this building and how they have managed it lately. They are not governmental officials, they are a bunch of kids playing games and I think it ought to quit somewhere along the line.

Mr. DePasquale:

Mr. President, with regards to the anti-litter law that we have on the books, apparently, of late, a lot of people have been violating it and especially business people. I am a little curious about what we have done to enforce this law.

Mr. Caliguiri:

We have an anti-litter law but it has not been enforced any more now than in the past. We recognize, we have a title in the budget, vacant now for going on the second year.

Mr. DePasquale:

The Mayor never filled it?

Mr. Caliguiri:

No, and it is one of the items I intend to look into.

Mr. Givens:

Mr. Lucchino, was that particular litter ordinance, and the position, put under the City Treasurer and was it called "enforcer?"

Mr. Lucchino:

Yes; I believe its called Ordinance Enforcement Officer.

Mr. Givens:

That has been filled and recently the City Solicitor has been working up the citations to deliver and they have been going around and giving warning citations to various businesses including the City's Downtown areas and some outlying areas also.

Mr. Calliguri:

Who filled the position; are you aware of the person in that position?

Mr. Givens:

The position was always in the Budget.

Mr. Calliguri:

We know, but it has been vacant for almost two years and if it is filled, it is only in the last few weeks.

Mr. Givens:

It was under a woman, "Kitty" is her nickname; I forget her last name. It has been filled. I have been looking at the total — not just this litter Downtown, and the fast-food chains, but all the litter throughout the whole City of Pittsburgh, and the vacant lots.

We have been exploring the possibility that it has to be expanded to not cover just to Downtown area, but vacant-lot litter also, one of the most gruesome things we have in the City of Pittsburgh and the most detracting. That is why I know this of firsthand knowledge.

Mr. Calliguri:

Mr. Rush, please find out who that person is in that position.

Mr. DePasquale:

I move that Council recess until the call of the chair.

And Council recessed.

Pittsburgh, Pa.

Monday, April 11, 1977

And the hour of 10:00, A.M. having arrived and the time of recess having expired, Council reconvened and there were present:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Calliguri
	(Pres't)

Mr. Perry appointing Councilman Lucchino and Councilman Lally to escort Mayor Flaherty into the Chambers.

Mr. Perry appointing Councilman Coyne and Councilman DePasquale to escort Council President Richard S. Calliguri into the Chambers.

The meeting was opened by the recitation of the pledge of allegiance to the Flag of the United States of America.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

Mr. Perry:

I wish to present at this time the Honorable Sal Louis Farino, Judge of the Court of Common Pleas who will conduct the ceremonies.

Judge Farino:

We are honored to have with us today Father Charles McDonald, Pastor of St. Philomena's Church who will deliver the invocation.

Father McDonald:

God of Mercy you have made your dwelling among us and you are present wherever men live, make us honor your presence and make us wise and strong

enough to build each other up, to be you city on earth. And in particular God of Mercy on this day, grant to all of these, your sons and your servants, your gift of wisdom which is the gift of your spirit. Send wisdom from heaven that she may be with them and she may work with them so that they may always know what pleases you for wisdom loves and understands all things and she will guide them discretely and guard them with her glory. God of Mercy we ask you these things for you are God forever and ever.

Judge Farino:

It is awesome and thrilling and exciting to witness the transfer of political power.

In the United States such transfer is accomplished without disorder and has become so uneventful that this April 11, 1977 in the City of Pittsburgh, the transition is taking place without even so much as to the interruption of traffic outside this building.

But, despite this somewhat lack of absolute recognition, all of us in this room are keenly aware of the duties that are passing from Pete Flaherty to Dick Caliguiri; all of us in this room are keenly aware of the burdens that are passing from Pete Flaherty to Dick Caliguiri; all of us in this room are keenly aware of the power of the office of the Mayor of the City of Pittsburgh that is passing from Pete Flaherty to Dick Caliguiri. But for his untimely retirement, those powers and duties would have passed to the former President of Council, who I present to you now — the Honorable Louis Mason, Jr.

Mr. Mason:

It is pretty difficult to stand here and say "Honorable." Which one are you talking about? Honorable Pete and Honorable Richard.

This is one of the happiest days in my life to see a friend of long standing assume this great responsibility for the next 7½ or 8 months.

Dick, nobody knows what you can do in 7½ months — not even yourself. The checks and balances are the determining factor and my colleagues — my former colleagues will help in every way I am sure. You and I have been friends for almost 18 years and I can attest to the fact that you have applied your imagination, your skills, your knowhow, your diplomacy and the construction of the aviary, the remodeling of the zoo and working in the Department of Public Works; and you brought to those skills and those talents connected with it to the work of City Council.

You and I have had our knockdowns and dragged out affairs and perhaps one of your most serious critics. On the other hand, you were pretty severe on me in your own inevitable fashion.

There are a lot of things to be done. I know your immediate public remittance relative to the police, relative to the potholes — those are the things that people will see. Now there are things that people will not see and I hope you are able to trade them in the best fashion that you can — are the plans that you will lie down and follow so that the next incoming mayor will have an opportunity to speed up the process that will make Pittsburgh a better place to live, work and play and I intend to be around Richard, and you certainly are welcome at my house at any time for "tea and crumpets" or I'll be sitting on your front doorstep.

Let me say that I hope in these 7½ months that your policy of an "open door" to the Mayor's Office has opened your heart and your mind a little more in the years of my association with you and I will honestly say this: There are community groups that now have a chance to give you the kind of help that you need to capitalize on the spirit for the City of Pittsburgh. The people are ready, the laborers are ready, the industries are ready and we are ready. Thank you very much.

Judge Farino:

Although he will shortly relinquish the position as Chief Executive of a large

metropolitan city, in a few short hours he will receive the power as the second highest office of the United States Department of Justice; for the last time — the Mayor of the City of Pittsburgh — the Honorable Pete Flaherty.

Mayor Flaherty:

Well it is a great thing to see this tremendous turnover here today — here this morning as the office changes from the Flaherty Administration to the new mayor — Dick Calliguri and I really appreciate the smoothness of this transition process. I think it is great for the City and I think it is going to provide for the framework that he needs to carry on the difficult job of the city.

While I am looking forward to the new duties as Deputy Attorney General, it is difficult to cut the strong bonds that have attached me to the city where I was born and raised and where my family hopes to spend many more days right here in the City of Pittsburgh.

For me I guess today is a time of reflection as well as looking to the future. The warmest most lasting memories for me — no matter what happens or where I go will be the days that I have served here as the Mayor of the City of Pittsburgh.

I know when I go to the Capital it will be a difficult position and I won't have the opportunity to be "eyeball to eyeball" with the problems of this community any longer. That is the greatest thing that America has is the closeness with the people and one of the things that I appreciated the most. Because whenever things got rough, I went to the communities and met with the people and they seemed to understand the problems and they seem to understand that maybe you can't solve them by yourself or on that particular day or that particular night, but it gives them hope and it gives you the confidence that you need in this job to succeed.

I know there are other candidates for mayor in the room today and I know

that whoever is successful in the upcoming Mayor's race, I know they too will carry over the great tradition that we have had in the City of Pittsburgh and that is the cooperation of many people and when I think of this, I think of all of the people in this room that have helped me and I'd like to start singling them out by name but if I did I know I would miss probably many of the ones who helped me the most — a lot of them are quiet about the way they helped me and a lot of them just went about their duties and I appreciated that too because there were difficult decisions that I had to make in the past 7 years and 3 months and there will be difficult ones that the next mayor and the mayor after that will have to make also but of all the people I have to single out one person in the room and I hope you won't mind me mentioning my wife, Nancy who is standing right over there — she has been a big help to me.

As I leave office all I can say is: Give the confidence of the City, give the help to the Mayor and to the City Government — City Council members, because I know we worked long and hard together for the benefit of this City and I appreciate the work that City Council does. I think when I took office having been a Council member myself, I think Council has changed and I think it has changed for the better. Council has worked very hard for the benefit of this City and I think Council has their own minds and is doing a great job and it is the best Council the City has ever had.

My directors, my department heads, members of my personal staff — what can I say. If ever I looked good it is because you helped me. You were the ones that did the work. When I came in I said I would get professionals to running this city and we have got good, competent professional people in all the bureaus and in all of the departments. If you will look around you will see how well managed they are and I am proud of each and everyone of you — not only the top department heads but right down to the employees who no longer have talked about his groans on the payroll and they are respected for the job that they do for the City of Pittsburgh.

But, this is Dick Caliguiri's day because he is going to be succeeding me in a few moments — and, it is also a day for the people of the City of Pittsburgh that they are witnessing a change in government and it will continue to move forward in all fields.

I understand that Frank Lucchino is going to make a motion accepting this little letter that I have to present at this time and do so with mixed emotions and hoping that you will invite me back to Pittsburgh many many times in the future and I now present it to Mike Perry, the City Clerk for reading my letter of resignation. Thank all of you very much for your support.

Mr. Perry:

The Chair present: Bill No. 2292.

"To the President and Members of Council.

Dear Gentlemen and Madam:

On Monday, April 11, 1977 at 3:30 p.m. I shall be sworn in as Deputy Attorney General of the United States.

Before assuming my new office I hereby resign as Mayor of Pittsburgh effective at 10:00 a.m. April 11, 1977."

Very truly yours,

PETE FLAHERTY

Which was read.

Mr. Lucchino:

Mr. City Clerk, when you hear the name of Pete Flaherty, a lot of people associate that with austerity, associate that with financial stability, associate that with the solvent city, associate that with professionalism in government. But in making this motion, I'd like to point out what I believe is the foundation of all of those things and that is the absolute honesty of the man. The fact that

the people of Pittsburgh knew that at the highest level of city government, the Mayor was honest and I think on that foundation and only on that foundation can those other things have been accomplished, and in gratitude for his many years of service to the City — both as Mayor and a Member of Council and also with good wishes for his future success and that I move for the letter of his resignation be received and filed and that the resignation be accepted.

Mrs. Masloff:

I hereby second the motion. We thank Pete Flaherty for his service to the City of Pittsburgh in these past years and extend to him our best wishes in his new challenge as United States Deputy Attorney General.

Which motion prevailed.

Judge Farino:

We are honored to have with us today the Honorable Marion K. Finkelhor, Judge of the Court of Common Pleas, who will administer the Oath of Office of the Mayor of the City of Pittsburgh to Councilman Richard S. Caliguiri.

Judge Finkelhor administers the Oath of Office to Richard S. Caliguiri and Mr. Caliguiri signs the Oath.

Judge Farino:

Members of Council and Ladies and Gentlemen, I have the honor to present to you the Mayor of the City of Pittsburgh, Richard S. Caliguiri.

Mayor Caliguiri:

Reverend McDonald, My Colleagues, The Honorable Judges — Marion Finkelhor and Sal Farino, Mayor Flaherty and his wife Nancy, Councilman Mason, Rabbi Isadore Marine, Elected Officials and Guests and My Family and Friends:

I begin my service as Mayor of Pittsburgh at this hour because the people

of this city have twice elected me to City Council and because my colleagues in Council have, very recently and with full knowledge of its implications, elected me to be their President. My gratitude must go to all of those who have given me their confidence, and I promise them that I will demonstrate my gratitude by my vigorous execution of the duties of this office.

I will not operate city government as a holding action, waiting for the election of my successor and his assumption of office nine months from now, in January 1978. I intend instead to make up for a great deal of lost time, to recover a good deal of lost ground, to settle some old issues and to determine some new directions — and, as Jimmy Carter likes to say, you can depend on that.

My hope and intention is that this administration — short as its term may be — will be remembered not as that of an acting Mayor but as that of an active Mayor.

You will agree with me, I think, when I remind you that I am not exactly a new boy in City Government and at City Hall. We have an enormous agenda of unfinished business, and a pent-up demand for a series of new starts. My purpose will be to share that agenda with my colleagues not only in City Hall but at all levels of government — county, state and Federal — with all the people who live in Pittsburgh and with all of those who work here and who depend upon this central city for their urban services.

I can assure all of those whose help I need — whose help this city needs — that this will be an open administration, no secrets, no surprises, no favorites. The media — both press and electronic — will have ready access; but so will every civic agency, every institution, every businessman, large or small, every labor union, and, most important, every neighborhood organization in this city.

There is so much to be done in and for Pittsburgh — so many problems of the present and opportunities for the

future — that we must once again rally every man and woman of good will to this city's cause — and I am sure we can do that, even if this is a political year.

Our people are proud of their accomplishments, and justifiably so — of this city, its neighborhoods and the homes and factories they have built. Real Pittsburghers have never been afraid of hard work. In the past, no task was ever too big, no challenge too great when the well-being of our city was at stake. But we have slipped in recent years. Consciously or unconsciously we have allowed the flame to die which ignited our civic pride and enabled Pittsburgh to rank with the best of America's cities in its commitment to urban progress and renewal. But it's not too late to regain that drive, to restore that pride and rededicate ourselves to the future of this city. That is the appeal that I make today to every man and woman — to join me in building a better Pittsburgh.

Pete Flaherty and I have had our differences but we learned as time went by that it was possible to disagree without being disagreeable. I count myself his friend, and I hope he so regards me. I am sure that all the people of this city, where his popularity has been demonstrated in election after election, join me in wishing him every success in Washington.

Mayor Flaherty brought some excellent people into the city's service. I hope they will stay in this administration if they are in agreement with its policies and — as the formal appointments to state office read in Pennsylvania — “so long as they shall behave themselves well.”

The city government has a long history of honesty and integrity, which Mayor Flaherty maintained and enhanced. You can be sure that our standards of public conduct and our enjoyment of public trust will not suffer while I am Mayor.

The Mayor and Council have supported a fiscal program for Pittsburgh which has maintained its solvency and hus-

banded its sources of revenue. We have been fortunate in the assistance we have received from the Federal Government in general revenue sharing and in other forms of assistance, such as community development funds, manpower and public employment programs, and counter-cyclical relief to the operating budget through the Public Works Employment Act. We have consequently been able to cope with inflationary costs, to the benefit of our national reputation, our public credit, and — more important — to the benefit of our taxpayers.

We have been frugal, and both as Mayor and Council Member, I intend to support such frugality.

But there is a point where frugality itself may become waste. We cannot allow our public services to deteriorate to the point of no return, to take risks with the public safety, to allow our street surfaces to crumble, to fail to make the public investments which will insure our future prosperity.

I will therefore support a policy of prudent investment, directed at maintaining our necessary services at an appropriate level and stimulating private investment in Pittsburgh to spearhead Renaissance II, which can turn this city around again and point Pittsburgh in a new direction, as our first Renaissance did over a quarter century ago.

I have already said that we must declare war on the potholes which pockmark our streets and highways — both city and state. I will accordingly, early in my administration, ask City Council to appropriate additional funds for an expanded street program.

This administration will staff the police force to the full number set by Council and take every proper action to make our people feel secure on Pittsburgh streets and in Pittsburgh homes.

We will staff the new city departments, created by Council, of housing and economic development — not because we desire additional layers of bureaucracy but because city government has not yet

met its full responsibilities in providing homes for its people — at all income levels — and in fostering the enterprises which create jobs and provide our revenues.

For more years than anyone cares to remember, the East Street project has been plagued by inter-governmental conflicts, broken promises, municipal indecision and, yes, even cruelty in dealing with the real human needs of the resident who live in its path. But the time for reappraisal and rethinking is long past — the time for decisive action is long overdue. I will vigorously promote the completion of this vital north-south link with the interstate highway system in close cooperation with state and Federal transportation officials and, most important, the citizens of the East Street Valley.

At long last, we will soon see construction start on our Convention Center. I pledge today that before the year is out, ground will be broken and construction begun on that project.

The state has been very generous — and I may add — very patient with Pittsburgh, in paying the full capital cost of land acquisition and construction of the Center; it is now time for us to do our part.

Also at long last, the Port Authority has been able to proceed with its work on the South Patway, the East Patway and the South Hills Transit Corridor in an atmosphere of political and technical agreement between the city, the county, the state and the Urban Mass Transit Administration. I will do nothing to rupture that agreement, but I will stress with the Port Authority's designers the necessity of having the best possible penetration and circulation patterns in the Golden Triangle and the most convenient, accessible and affordable system of mass transportation for all of our citizens, wherever they may live or work.

I will also instruct the city planning department, and will urge the Port Authority, to begin serious work on a rapid transit system connecting the lower

North Side, the Triangle, Oakland and East Liberty — the Spine Line for Pittsburgh which should have had our first transit priority. But better late than never — and it is now time to undertake the task, even if construction may be ten years away. The energy crisis alone should warn us of the need — and of the ultimate necessity.

In the coming months, and very early in my timetable, I will ask for a program review with the Housing Authority and the Redevelopment Authority, a review which is all the more necessary because of the new programs which we may expect from the Congress and the Carter Administration.

And as Mayor, I will do everything within my power to assist the county commissioners in forming a civic coalition that will help all of us — Pittsburghers and suburban residents alike — in developing a coordinated program which will act to resolve our bridge crisis in Allegheny County.

I may say here and now that it is very dangerous for our future — although some may think it is good short-term politics — to create an adversary relationship between Pittsburgh and its suburbs, to divide our urban community instead of uniting it for the achievement of common goals.

This fact has been made increasingly clear to me through studies such as the investigation currently underway with the help of a Citizens Task Force of the serious problems of solid waste disposal — problems we will meet, late or soon, in ultimate cooperation with our sister municipalities.

In Pittsburgh's interest, we must have mutual understanding and cooperation at every level, from the city neighborhood to the National capital — and that is the spirit with which I will undertake this assignment: from making our proposed community advisory boards viable and workable to intensive lobbying in the city's interest with the Congress of the United States and the great Federal departments.

My agenda is long.

My time is short.

In the land of my ancestors, they said long ago that Rome was not built in a day.

I want to show the people of Pittsburgh what we can do — not perhaps in a day — but in the next nine months. Thank you very much.

Mr. Penny:

The Chair presents Bill No. 2293. Bond from the Fireman's Fund of America in the amount of \$25,000 for Richard S. Caliguiri as Mayor of the City of Pittsburgh.

Which was read.

Mr. Stone:

Mr. Clerk, I move for the approval of the Bond but not without comment.

Having had the opportunity to serve on City Council with Mr. Caliguiri and having had the opportunity to observe him and to observe his ability, his integrity, his business stature and his determination, he has indicated that he will be an active Mayor and not an acting Mayor, we at City Council and the citizens of the City of Pittsburgh welcome this affirmative attitude and determination, and I'm sure that I speak for all the Members of Council in saying that we pledge ourselves to give to our new Mayor, Richard Caliguiri, all the cooperation he needs in the next nine months to move our city actively and forward. Our best wishes and congratulations to him. Thank you.

Mr. Givens:

I second the motion.

Which motion prevailed.

Mayor Caliguiri:

Now I am bonded for \$25,000, I'd like to take this opportunity just for a moment to introduce my family right out in front — another person who goes through a number of campaigns with me and you always need that because it is tough to get up early, my wife, Jean. And the two boys of which I am very proud this morning because they sat in their seats through the speech — my sons Gregg and David. And of course, two people who started it all my parents Mr. and Mrs. Caliguiri.

My brother always says that I forget to introduce him so I am going to give him a special introduction — Bob, stand up — and my sister Virginia, and there are loads of Caliguiri's out there in the audience uncles and aunts also those of the Curto family — please stand up, and also my mother in law, whom I love very much and has taught my wife to cook — Mrs. Virginia Conte. And as Pete said, it's hard to pick people out that have helped you along the way and everyone that I see in this room has done just that and I am so grateful for you being with me before, now, and hopefully in the future. Thank you.

Judge Farino:

We will recognize any Members of Council who wish to be recognized.

Mr. Lally:

Mr. President, I would like to congratulate Mayor Caliguiri and also I would like to offer our congratulations to Mayor Pete Flaherty who is now going to a new position and I, along with the other Members of City Council wish him the best of luck. Thank you.

Mr. DePasquale:

I never passed up an opportunity from Judge Farino or had the chance to speak to so many people and potential voters. I do want to say that I am in a unique position that anyone in the room today, February 28, 1969 I was in the crowd and

the first petition signer of Pete Flaherty and my wife was the second and this happened of all places — a pool table. So Pete, I wish you Godspeed and success in your new job. I might also add that I was the first petition signer for Dick Caliguiri. I would like to say to both of these gentlemen the best of luck in the future.

Mr. Lucchino:

Seventeen years ago I had the opportunity to work for Dick Caliguiri in the Department of Parks and Recreation as an inspector and I look forward to working with him and for him in the next nine months as a Member of Council of the City of Pittsburgh. I agree that he has set a large agenda for the City and I just echo what Councilman Stone has said — "he can certainly look to Council of the City of Pittsburgh for cooperation in accomplishing as much of that agenda that is humanly possible.

I also would say that the same thing that has lead Pete to achieve what he has and that is the absolute integrity and honesty of the man — this applies to Dick Caliguiri and I think that that will be the basic thing and will also enable him to lead this city forward in the next nine months.

Mr. Givens:

No. 1 for Pete Flaherty, I'd like to wish him Godspeed in his new endeavors up there in the new department that he has undertaken because this is one of the highest trusts within our Nation and one that I feel is going to get crime right in the middle of the belly and hopefully that will roll down in the various communities throughout this country of ours and give us the type of stability that we need within our economic field and for Dick Caliguiri, I wish him all of Godspeed and to be sure that I, Dick Givens along with the other Council Members will help him in any way that he can. Thank you.

Judge Farino:

We have with us Rabbi Isadore Marine

of Hillel Academy who will deliver the Benediction. Will you please rise.

Rabbi Marine:

Almighty God, in a world plagued with so much enslavement, we thank Thee for the blessings of freedom, for the privileges which our American democracy bestows upon His people, the blessings of equality through all our races and creeds of equal opportunity for minorities and governments, for the privilege to live in dignity irrespective of ethnic origin and status in society, we pray to Thee to teach us to accept the responsibility that accompany the privileges of freedom, to utilize our talents for the betterment of society, for the preservation of human rights in the fullness of Thy compassion, bless our Mayor and the work of his hands. May his consecration to the sacred task of a better

Pittsburgh be crowned with success. May we, his constituencies lend him our complete loyalty dedicated as the fit and true Americans to the strengthening of democracy, Amen.

Judge Farino:

At this time I will return the meeting to the City Clerk.

Mr. Perry:

There being no further business appearing before this Council, I entertain a motion to adjourn this meeting.

And on the motion of Mr. DePasquale,

Council adjourned.

Municipal Record

ONE-HUNDRED NINETEENTH COUNCIL

MICHAEL A. PERRY ----- City Clerk
WILLIAM F. McCRAE -- Ass't City Clerk

Pittsburgh, Pa.

Monday, April 11, 1977

Michael A. Perry, City Clerk, Chairman
pro-tem

This being the hour of 2 o'clock, the
meeting will come to order.

Mr. Perry:

Will the Clerk please call the roll.

And the roll being called, there were
present:

Mr. Coyne	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. DePasquale
Mr. Lucchino	

Mr. Perry:

We will rise for the pledge of allegi-
ance to the Flag of the United States of
America.

I pledge allegiance to the Flag of the
United States of America, and to the
Republic for which it stands, one Nation
under God, indivisible, with liberty and
justice for all.

Mr. Perry:

The first order of business will be the
nomination and election of President
pro-tem of Council.

Gentlemen and Madame, what is your
pleasure?

Mr. Stone:

Mr. City Clerk, I'd like to move for
the nomination to one of City Council's
most "colorful" members. He comes to
us with a great deal of experience in
city government, having been in the City
of Pittsburgh for about 25 years — 22
of them as a part of the Public Works
Department and five years — since Jan-
uary 5, 1972, as a Member of this just
body — City Council. He has the long-
est seniority among our present body and
he is a man who is able to stand up and
be counted in this day and era — es-
pecially since we all must be counted,
but nevertheless he is a leader more so.
Therefore, it is a pleasure to put into
nomination, Eugene P. DePasquale as
acting President of City Council.

Mr. Lally:

Mr. Chairman, it is a great honor and
privilege to make a second nomination to
a personal friend and fellow Council
Member, Eugene "Jeep" DePasquale.

Mr. Givens:

I have a few words. I would like to third the nomination because even though he does not have dealings in a particular area, he always puts the people first and that is one thing that is most worth of "Jeep" DePasquale.

Which motion prevailed.

Mr. Perry:

Motion that the nominations be closed.

Mr. Lucchino:

I so move.

Mrs. Masloff

I second the motion.

Which motion prevailed.

Mr. Perry:

The Clerk will call the roll on the election of Eugene P. DePasquale as President pro-tem of City Council.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. Givens	Mrs. Masloff
Mr. Lally	Mr. Stone

Ayes	6	Noes: none
Mr. DePasquale abstaining		

And the votes of Council being unanimous, Mr. Eugene P. DePasquale was elected President pro-tem of the Council of the City of Pittsburgh.

Mr. Perry:

Will Mr. DePasquale please approach the chair. Members of Council, ladies and gentlemen, may I present Councilman Eugene P. DePasquale, President pro-tem of City Council.

Mr. DePasquale:

I do want to say that it is a great honor and privilege to be the President pro-tem of Council and if I have everyone's support, there should be no problem.

And as Mayor Flaherty had said, and I have to echo his sentiments — I was assigned to Council six years ago and with several other people — "have gone onto greener pastures." But whatever I do — I think honestly that this is the only year in the history of the City of Pittsburgh that we have had seven members — but this won't be for very long. I think we have to be more responsive now to people's needs and with only seven members I don't think we can do it — even with our youngest, Mr. Givens and Mr. Lally — they did all they could to help in the communities but we would be better off if we had two more members.

I would also like to mention that Sophie did come aboard and she is doing a wonderful job with cable T.V. Amy Ballinger headed that department and now Sophie is continuing it and hopefully we will have cable T.V. sometime in 1978.

I don't have to tell you about Bob Stone's Planning and Redevelopment Department — he is doing a great job also. Incidentally, I'd like Mr. Stone to head the Finance Committee along with his other committee that he has. As you can see, some of us will have a double job, but until we get two more in here, that is the best we can do.

I have to mention that the baby making the noise in the back is my grandson, Chris — along with my daughter, Carol and my brother Bob is here — along with a few other relatives. And, as Dick said, "without them I wouldn't be here today." Since we are sort of

worn out from this morning. I won't carry on any further so we will get on with the meeting. Thank you.

Before I forget, I'd like to mention that my son Greg is in the audience also.

Which was read.

Mr. Lucchino:

Mr. President, on Bill 2223 this is the one for the ten-year solid waste management program that Mr. Williams came in to talk to us about yesterday, and we wanted to see a copy of that application before they submitted it because there had been problems with that and they supplied it to us later.

Mr. Perry:

I received that Friday.

Mr. Lucchino:

I wonder if we can refer that back to the committee and deal with it next week because they never had a deadline on it.

Mr. Lally:

Would it say on there whether there is a deadline?

Mr. Stone:

They were just trying to get as much money as possible.

Mr. Lucchino:

Yes, but we didn't get an answer until January, 1977 and I just want to

make sure that it was done right. I move that the bill be recommitted for this Wednesday's meeting.

Mr. Givens:

I have one comment on the bill. If you look at the contractual agreement of this bureau — City Planning — and you refer back to the various programs, I find that I am very confused. I tried to read through it myself and was very muddled up.

Mr. Stone:

I second the motion.

Which motion prevailed.

Also,

Bill No. 2224. A Resolution entitled, "Providing for the purchase of property from George and Lena Spilka, for street improvements and other public purposes, in lieu of condemnation, certain property at Brighton Road and Kleber Street in the 27th Ward of the City, and providing for the payment."

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Givens:

Mr. President, on the Bill No. 2060, that is dealing with the architectural engineering of Engine Company No. 32 Relocation, I would like to make this amendment to that bill as discussed in last Wednesday's session. Section 1 will remain as is and Section 2 is as follows: "Council will receive a schematic floor plan and site plan, drawn to scale. This plan will be presented to Council prior to any other architectural and/or engineering documents concerning these proposals." Section 3 will then be re-designated Section 2 and in the present ordinance will be re-designated Section 3.

Mr. Lally:

I second the motion.

Which motion prevailed.

Mr. DePasquale:

The amendment is carried.

Mr. Stone:

I have a point Dick. You are making that new one Section 2 and Section 2 then becomes Section 3.

MOTIONS AND RESOLUTIONS

Mr. Lucchino presented

Bill No. 2357. WHEREAS, Allegheny County conducts triennial assessments of real estate; and

WHEREAS, the City of Pittsburgh and South Hills assessments have been raised; and

WHEREAS, the Allegheny County Commissioners are attempting to have special legislation passed to freeze assessments in North Hills; and

WHEREAS, if assessments are frozen in North Hills, residents of the City of Pittsburgh will be required to pay additional taxes to Allegheny County; and

WHEREAS, it is unfair to penalize Pittsburgh residents by not applying assessments equally,

NOW THEREFORE, BE IT RESOLVED

That the Council of the City of Pittsburgh opposes the rollback of the 1976 North Hills and East suburbs assessments. Further, area legislators are urged to oppose such a rollback.

Which was read.

Mr. Lucchino:

I move for adoption.

Mr. Coyne:

I second the motion.

Which motion prevailed.

Mr. Stone:

Maybe somebody can brief me on this. It is my understanding Frank — was this supposed to be a request for special legislation?

If I recall in the newspaper, that was supposed to be turned down sometime this morning. Does anybody have an up-to-date report?

Mr. Lucchino:

Well, the Local Government Committee is studying it and there is going to be a recommendation, but there is no reason why we shouldn't be on the record as opposing that.

Mr. Stone:

There was something to the effect that they would not be coming back today — then I think my question is we are saying let's not do what you are already not doing.

Mr. Lucchino:

I didn't think it would hurt anything.

Mr. Givens:

Mr. President, I have one letter here from the United Nations and they di-

rected that someone from the city government here be designated as a project manager. I believe it is sometime in October of this year a convention will be held.

Mr. Lally:

Mr. Chairman, I recommend the Mr. Givens be the project manager.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

Mr. Givens:

Secondly, we have a very serious thing coming up in the new budget and that is for our community development funds — especially of the amount of road construction that is going to be done very shortly — especially the type of materials, etc. that are to be used in patch-work.

I am also deeply concerned in the type of materials that will be used this year for the servicing of our roads, so I would like to have a hearing from people that are in the business consulting firms — asphalt type companies — to give Council recommendations as to what is the best for our city. Since we are going to be resurfacing somewhere in the neighborhood of 50 to 80 miles of road, I would like to know the best materials that we can use because on some roads — for example Liberty Avenue — that was surfaced three years ago and now it is full of potholes and is falling apart and I would like to know from the experts what they feel is the amount of asphalt that should be put on the road.

There are also a number of other questions that I would like to have answered and I thought a hearing would be most appropriate — to bring in the various experts along with our Department of Public Works and the Mayor's Office.

Mr. DePasquale:

Dick, if I can relate to that, my actual experience with asphalt — I used to get heck because I took too long a job, so they said and they used to put down two inches of binder and a top coat. Normally you put down 1½ inches and one inch top instead of two and it happened that I put down four inches. I don't know all the streets they did off-hand but I remember one in particular was in the Oakland section and Shady Avenue — from Forbes Street to Wilkins — I did that in 1969. The last job I did in 1971 now has a crack on the whole road and it seems that they are fixing them more and more and the material that they are using seems to be of poor quality and I can't seem to get the message through to these people to do it right. I know the material that we used 7 or 8 years ago was better material and we didn't have to repair the roads as often and to fix some roads every six months is absolutely ridiculous.

Mr. Givens:

My point is that we are going to be appropriating I feel a large sum of money and additional sums of money for street repair and I want to be sure as a Council Member to the people of the City of Pittsburgh that the quality work and the composition of materials and the thing that is necessary of the asphalt are such that it meets the requirements that you indicated. Now, to do that, how can I get the assurance before we give the appropriation?

Mr. DePasquale:

Before we do that, let's call in the Director of Public Works and explain to him exactly what you want. I think he should respond first, because if you say as we have done in the past, we might as well not do it at all.

Mr. Givens:

I have gotten to the point — safety-wise for the citizens and the automobiles because many accidents are caused by

potholes and the fact that the roads haven't been maintained and No. 2 — there are many cases where the surfacing was accomplished, so do you feel that a hearing would be appropriate?

Mr. DePasquale:

Very much so because you are talking about millions and millions of dollars. Certainly we should have a hearing to see how they are going to spend it and what type of materials are going to be used.

Mr. Givens:

The budget will be approved here this coming Wednesday and I think it should go back to the agenda for approval. I don't know how quickly we can expedite having a hearing — other than having an emergency meeting.

Mr. DePasquale:

Mr. City Clerk, have the Director of Public Works come to Wednesday's meeting.

Mr. Givens:

The last thing I have to say is about the elevators on the Ross Street entrance.

As you know the County operates the elevator that goes directly to the 9th floor and puts out a heavy workload and if we have a fire and people that work in that part of the building wouldn't be able to get out, it would be a very disastrous thing and I think the Lands and Buildings Department should respond to this — when are they going to put someone on those elevators so that they are operating? I also have to look at the safety factor of this because right now we have two elevators in the front of the building that don't work 9 times out of 10 and I really think those elevators should be operating on the Ross Street entrance.

Mr. Lally:

With one exception. That is the priority of the County. They have to get someone from the County to handle that. We have a committee to meet with the Commissioners and also there has been a contract to handle the maintenance of the elevators and they are in the process of putting that together now.

Mr. Givens:

One last thing Mr. President, can we set up a hearing for an appropriated amendment to the Building Code for the high-rise buildings? This will in fact give us a high-rise building that we don't have in the City of Pittsburgh. It has been debated back and forth quite heavily between the Fire Department and the Building Inspection Department and there will be a number of citizens' organizations formed and construction people, etc., that have worked on this since 1974 and I think we are to sit down now and then Council has to make a firm determination as to what we are going to do.

Mr. DePasquale:

Well taken Mr. Givens.

Mr. Lally:

Mr. Chairman, this morning in the Post-Gazette an article appeared in regards to the Kerotest Manufacturing Corporation that is located on Liberty Avenue. They presently have about 300 employees and they are hoping to hire an additional 100 more employees because they are planning to build a plant at a cost of \$1,500,000 on 50,000 square feet of acreage and I think it is about time that Council and the Mayor's Office — now that we have a mayor that can talk to people — sit down and talk to these people from Kerotest to prevent them from relocating out of the City of Pittsburgh because it would be a terrific loss to the revenue.

Mr. DePasquale:

I do agree that it is about time that we sit down and talk to some of them.

rather than see a number of people moving out of the city. Are you suggesting that we call an emergency meeting?

Mr. Lally:

I would think so to see that it doesn't happen because as you know there are people that have invested money along Penn and Liberty Avenues — they have renovated their properties, restaurants, bars and other places and most of these employees are city residents from Garfield and according to that article they are going to hire additional people when the new plant is built.

Mr. Lucchino:

I was going to say that Jim has a valid point and I think maybe we ought to look at Great High School site in East Liberty — that Light Industrial Property. I'm not sure what exactly they are waiting for somebody to make an offer for some of the land. It is relatively inexpensive and URA is the agent for the School Board to market that land and this may be our first company that would go in there and move ahead. I'm sure they don't even know about it. I don't know who they are trying to market it to, but they are here and I think somebody ought to suggest it.

Mr. DePasquale:

Clerk, we will set a meeting up with them.

Mr. Lucchino:

Put URA in there too.

Mr. Lally:

As quickly as possible.

Mr. DePasquale:

We will have it Wednesday.

Mr. DePasquale:

In regards to the assessment that Mr. Lucchino's bill referred to, I am just as concerned as everyone else is and I am glad to see this resolution go into effect.

I was also reading in the newspaper where Allegheny County fired hundreds of people by raising the real estate tax to six percent and countywide I suspect it will be more. I just want to go on the record as saying that I oppose the six percent real estate taxes because the Board of Commissioners haven't raised it for years and years and now these people that were the framework are now unemployed and also the services are being cut and we are told that they are penalizing us by a tax increase— so I want to go on the record as opposing it.

Mr. Lally:

Does anybody know what it takes for a vote on the budget?

Mr. DePasquale:

Three votes. You have the Three Commissioners and the Budget Controller and the respective row officers.

Mr. Lally:

You wouldn't have an even number I would think.

Mr. DePasquale:

We will get that information.

I just want to go to East Street for a moment. I went to Harrisburg and tried to talk to Mr. James B. Wilson and in all fairness he was asked to leave the room, but I did meet with Mr. Wilson after the meeting in an informal session and along with Secretary Krause we have no assurance from them that the people of East Street will get just compensation — a home-for-a-home. We have 250 families remaining there now and most of them are frustrated to the point where they are willing to sell but not at such a ridiculous price.

I would say that the only simple solution is to treat them fairly and give them a home-for-a-home. And unless he changes his ways, the new Secretary of PennDot has every intention of building a highway and the residents of the East Street Valley will go on suffering.

Before we adjourn this meeting, I was just handed a message by the City Clerk that Mary Anne Hruska, who is the Stenotype-Reporter sitting over there to the right, has won the title of "MISS TALL PITTSBURGH OF 1977" on April 15, 1977 and will compete for the Title of "MISS TALL INTERNATIONAL" in Portland, Oregon on July 9, 1977.

I would like to say that we wish her the best of luck in the future.

Mr. Stone moved

That the Minutes of Council of Monday, April 11, 1977, be approved.

Which motion prevailed.

And on a motion of Mr. Stone,

Council adjourned.

Also, with an affirmative recommendation,

Bill No. 2216. A Resolution entitled, "Resolution determining and authorizing the advertisement for a Public Sale of \$13,200,000.00, principal amount, General Obligation Bonds of 1977, Series A, for the purpose of financing a portion of the cost of the acquisition and construction of the City of Pittsburgh's 1977 Capital Improvement Program; capitalizing one year's interest; paying the costs of issuing the Bonds and establishing the useful life of the Projects.

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Stone:

Mr. President relative to Bill No. 2216, I'd like to move to amend Section 1 of the maturity schedule to read as follows:

Year	Amount
1979	\$390,000.00
1980	415,000.00
1981	440,000.00
1982	465,000.00
1983	495,000.00
1984	525,000.00
1985	555,000.00
1986	590,000.00
1987	625,000.00
1988	660,000.00
1989	700,000.00
1990	740,000.00
1991	785,000.00
1992	835,000.00
1993	885,000.00
1994	935,000.00
1995	995,000.00
1996	1,050,000.00
1997	1,115,000.00

Mr. Luchino:

I second the motion.

Which motion prevailed.

The Chair:

If I may for a moment on Bill 2216 on the obligation bonds, is that part of the reconstruction program Mr. Calliguri was talking about?

Mr. Stone:

I move to have it come to the table on Monday.

The Chair:

We have a hearing set for that don't we Mike?

Mr. Perry:

Yes.

Mr. Givens:

Is there any discussion on the bills, Mr. President?

The Chair:

I was just going to ask that.

Mr. Givens:

I'd like to make some comments, Mr. President on the total bond issue. If we look at everything 13.2 million on the bond issue, 3.2 on the note that we have and another \$2 million coming in giving us a total of about \$18,242,000 and the bonds we are paying about 6 to 6.11 percent interest. On the note we had a much better deal — its generally a five-year note as it goes, we are paying 50 percent of the going interest rate which generally alludes to 4 some percent per year.

But in going over the last total year, we are talking about Renaissance I and Renaissance II — Renaissance I cost the City a heck of a lot of money and we

have been on a 20 year-note and to give you a little example of the interest of the days on a 20-year note on a bond issue of \$13,200,000. the City of Pittsburgh residents will pay \$8 million interest on that \$20 million note and each year we keep on adding a little more. We are just finishing up — if one goes back and looks over the fiscal records of the Dave Lawrence era, wherein Renaissance I, there were 20-year notes — in some cases 30 years I believe and if you look in the review from 1968 . . .

The Chair:

If I may interrupt you for a moment. On those 20-year notes, what is the amount?

Mr. Givens:

Those amounts — I can't recall what the amounts were. All I know is that the City did very little borrowing because we have outstanding — it ran on the average of 12.3 percent of our total budget that we have paid to our indebtedness.

These bonds have now matured where-in the City of Pittsburgh is now coming out of it, but in reality we are still into it because of our expenditures. For example, in 1968 we had \$79,000. That has grown steadily until this year we have \$132,000 and each year this increases: 1972 — \$100,000; 1973 — \$108,000; 1975 — \$114,000; 1976 — \$128,000 and in 1977 — \$132 million for the total, and the total indebtedness now for the City of Pittsburgh stands at \$174 million.

The main thing that I am trying to say here is that the indebtedness still continues to grow. One thing disturbs me very much that was brought out during the period of the time of the budget and that is that the people are being paid out of the bond funds and as presented by our finance chairman officer — Eddie Alberts — \$1.6 million was being paid to the engineers, etc., out of that bond fund moneys and each year it is \$1.6 million and if you think of the interest, it is something that this Council is going to have to address itself to in the future.

I will say that this will be the last time that I will sponsor any bond or note where people are paid out of instead of the General Fund, because it's "buy now, pay later" to the people of the City of Pittsburgh and I hope that sometime — anytime that you borrow money you are going to pay for it and if there is something in the future that we could reduce to by generating the revenues out of the General Funds where the people — in the future — of the City of Pittsburgh will not have to pay for it. That's all I have.

The Chair:

Is there any discussion on the bill?

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. Givens	Mrs. Masloff
Mr. Lally	Mr. Stone

MOTIONS AND RESOLUTIONS

The Chair presented

Bill No. 2395. WHEREAS, the Pennsylvania Department of General Services has allocated approximately \$25.6 million for the construction of the Pittsburgh Convention Center; and

WHEREAS, the bid for the Pittsburgh Convention Center exceeds the above amount by approximately \$4.2 million because of inflationary conditions in our nations economy; and

WHEREAS, the members of the Council of the City of Pittsburgh believe further delay would cause a hardship on the City's efforts to attract more convention business to the City.

NOW, THEREFORE, BE IT RESOLVED

That the Mayor and members of Council of Pittsburgh strongly support and urges the Pennsylvania Department of General Service to accept the bids and allow the beginning of the construction of Pittsburgh's Convention Center.

Which was read.

The Chair:

If I may take the liberty for a moment. I think my feeling is also shared by Council that if the bids aren't accepted and the \$4 million isn't allocated, I firmly believe that this will be the end of the Convention Center. But if they re-bid it without allowing for the \$4 million, there's probably a difference of \$100,000-\$200,000 either way so they are going to have to go back and get the money some time and that may take years.

We have had enough delay on the convention center — and what it means to the City of Pittsburgh and the Coun-

ty of Allegheny — I think any further delay will doom it so gentlemen, what is your pleasure?

Mr. Lally:

Just to elaborate a little bit. In the construction trades we have a two-year contract signed and under the terms of the length of the contract for the convention center would be built within a period of two years, otherwise, like you said they will escalate the cost and there will be a new contract that is put back for any time at all there will certainly be new contracts which are executed and certainly there will be another inflationary raise. I would say that I have to support you 100 percent because it is something that is needed real badly and I second the motion.

Which motion prevailed.

Mr. Coyne:

I am wondering whether or not the bids can be accepted without some way of knowing where the additional funding is going to come from and if there has been any discussion on where the additional funding is going to come from.

The Chair:

Actually — the way the motion reads, we are asking to accept bids and if they accept them, to give us the other money.

Mr. Coyne:

From the General Service.

The Chair:

This still has to be done in the proper way.

Mr. Lally:

They have to go back over the specs and probably cut out some of the parts of the building like they had to do at

the stadium. That was \$29 million and then two years later when they went back to the drawing boards it was \$35 million.

Mr. Coyne:

I just wondered if it wouldn't be better rather than going back and taking something out of the plans that we wouldn't urge the state to increase the amount allocated for the center, or else go on record ourselves as being in favor . . .

Mr. Stone:

That's implied in it, Bill.

The Chair:

Mr. Kosick was kind enough to inform me that the Secretary of the General Services made a statement today that they have a formula in their department that can allow them to grant the extra money.

Mr. Lally:

Good. That means that they will accept the bids.

The Chair:

If that's done, then our purpose is served.

Mr. Stone:

I'd like to say that relative to the resolution that was presented, I wholeheartedly subscribe to it because I think if we were to do what Mr. Lally just indicated — go back and try to cut out some of the services and at the same time some of those bids would go up because of escalation — we'd be getting less and paying more.

In addition thereto I would like if this body so disposed, to add an amendment to it. I don't think there's any question that we are in a Competitive market and

we need a convention center which is competitive. From the figures which we had from the various competitive sources — Detroit, Buffalo and Cleveland, I think that their available convention centers are larger than the one that is proposed for Pittsburgh. We ended out with one which was a compromise and regrettably in size — not as much space and it should have been and I would hope that they would have new dimensions, new hopes and new possibilities of attainment and therein I would like to propose this amendment to it and in addition that the Pennsylvania Department of General Services further investigate the possibility of enlarging the size of the convention center, or at least providing for the possibility of enlarging the size of it in the future.

The Chair:

Bob, with one exception. We went through that again and as you well know it wasn't big enough or we didn't think it was big enough but it was something we thought we would go ahead with. We preferred it to be larger and the amendment may put us back to where we were.

Mr. Stone:

Not exactly. Let me give you an example. Depending on what they do with the wall treatment toward the river they could go over the tracks and hit the river. Depending on what they do to the right of it which is where the railroad tracks come down which may be abandoned — if they keep that wall for instance, a beam across where you can take it out and go sideways that gives us a potential increase possibility. The hotel site was supposed to be across Liberty Avenue, if the front of it is treated properly, we can break through that wall and even pick up that available space on the other side and that's the thing that I am thinking about now. We should not lock ourselves in completely. I had a tremendous tour of the Cleveland Convention Center and the Executive Director is a personal friend of mine. We went in a gold cart through the whole mammoth convention center and they can obviously

handle a great deal of things. To think that we can compete with that without having more available space — I spoke to Mr. Bishop who's probably handled more of the leasing of space at the auditorium — which we are using now as our "convention center" and he indicates that it's just not enough and we ought to have more, but if we are not going to enlarge it at least we ought to provide for the potential to enlarge it and we had some resistance in the past and I hope that we can get some cooperation with the city and state to enlarge it but again we go back to it. We felt we needed one and the reason we needed it is that it has to be competitive so let's now hopefully try to add — without any further delay — at least the possibility of enlarging it.

The Chair:

In effect Bob you are saying that if the state decides to enlarge it we wholeheartedly concur, am I right? If we pass this amendment they have to enlarge it.

Mr. Stone:

They investigate the possibility of enlarging it while they are continuing it — no further delay.

Mr. Lally:

All I want to say — Bob, as far as the amendment — as far as the construction I'm all for anything that would be in addition to it but don't you think it would be jeopardizing the whole project by putting an amount on there?

Now the bid has been accepted and now we say it is too small for us.

Mr. Stone:

I still think it is too small. I think we went into a compromise to get it but what about the possibility of doing something with — this is only a plan change of providing some treatment on the sides toward the right which is where that railroad track is abandoned

and you can go right. What is wrong with going over Liberty Avenue? There was an attempt to do that, if you will recall, in the original plans. I think we ought to keep that potential there.

The Chair:

Your point is well spoken Bob but I have to agree with Jim, because it will cause some confusion and this is all that I am concerned with.

Mr. Lucchino:

This is one of my concerns is that it already has been bid and if it has already been bid Bob, I'm not sure on how they can go back and change those plans and specifications and wouldn't that jeopardize that where we are now?

Mr. Stone:

It wouldn't do anything.

Mr. Lucchino:

Apparently for it to be bid, the architects had to have finished drawing the plans up and they have already been submitted to the contractors, upon which bids were made and that is the concern that I have — we might jeopardize it by re-bidding it on that basis.

The Chair:

If you want to go ahead and at the same time you want to see if you can go back to the shore again.

Mr. Stone:

I'll respect the wishes of this body but I'd like to make an amendment.

Mr. Givens:

I think that in conjunction with the information that was received from the General Services — that department that handles the various funds for the con-

vention center but possibly could be amended to indicate that this Council would be in favor of them trying to come up with an additional \$4.2 million rather than — the way it reads right now — we are going ahead with the contract.

The Chair:

The Director is saying that he has a formula and they will work it out.

The Chair:

There is no second to Mr. Stone's amendment.

Mr. Lally:

I move for adoption of the Resolution.

Mr. Givens:

I second the motion.

Which motion prevailed.

The Chair presented:

Bill No. 2396. Communication from Mayor Caliguiri submitting the name of John E. Ruff as Director of the Department of Public Works.

Which was read, received and filed .

Also,

Bill No. 2397. Resolution approving and confirming the appointment of Mr. John E. Ruff as Director of the Department of Public Works.

Which was read.

Mr. Lucchino:

I move to hold for two weeks.

Mr. Givens:

I second the motion.

Which motion prevailed.

The Chair:

As it is a policy — in the past — we always have people up here at Wednesday's meetings — the ones that are appointed — to check them out.

Mr. Stone:

We will bring him in at Wednesday's meeting.

Mr. Givens:

I just have one suggestion here Mr. President and Members of Council.

I don't know how many of you were invited to attend a meeting on April 12, sponsored by the Americans For Energy Independence at which discussions were heard for ways to conserve energy and protect our jobs and our citizens and they have chosen Allegheny County as the test community to see what could be done.

The County Government is leading this effort and we in the City Government should strive to assist. The Mayor, from what I have been told, is considering establishing a task force on energy conservation to coordinate citizens conservation efforts in the city. Much of this Council's involvement and coordination can be a valuable contribution to area residents because it is a countywide project known as PACESETTER will try to initiate such programs as synchronizing traffic lights and the turning over the air-conditioning systems.

[These concerns affect all citizen residents and thus, Council can appoint a sub-committee on energy to help coordinate the City and the County's effort.

Mr. Lally:

Mr. Chairman, he emergency ADI Committee that Councilman Givens is speaking about — they had a meeting this

morning and all the Council Members were invited and there was a nice representation there from the city forces. I would say four or five from the Mayor's staff along with 60 or 70 citizens, union officials and Edgar Spears from the U. S. Steel, Mr. Simmons — and there has been a task force set up and they are hoping to get President Carter here on May 2 or May 9 to finalize this whole program — this is something very important at this stage in time.

The Chair:

Jim, naturally we will be attending other meetings but I will appoint a committee of Council members and we will also get citizens to get involved.

The Chair:

Any other motions and resolutions?

I have a comment or two and it's not under motions and resolutions. I see over the weekend that the majority of the County Commissioners saw fit to raise our taxes to a millage of 5.7 I believe which is close to 6 mills and I went on the record saying that I was opposed to it because of the services they had cut and in the past we have had those services and the taxes — now all of a sudden last year we lost the discount which was a tax increase and now they say if it is raised to 6 mills it is going to affect over 500,000 people in the City of Pittsburgh so we are strongly opposed and there is nothing we can do about it. I will personally go on the record as saying that it is a bad move and it is unnecessary.

Mr. Stone moved

That the Minutes of Council of Monday, April 18, 1977 be approved.

Which motion prevailed.

And on a motion of Mr Stone,

Council adjourned.

The Chair presented

No. 2476. Resolution providing a residency exemption for Mr. Edward deLuca, in the position of Director of the Department of City Development.

The Chair:

The usual procedure is a two-week waiting period.

Mr. Perry:

The residency waiver will go to the Committee on Wednesday.

The Chair:

We won't go over it today?

Mr. Perry:

It automatically goes into Committee.

Mr. Stone:

If I may Mr. President, I think everyone knows that I have said very, very loud and clear that I will not vote for a non-city resident to a commission, board or city department. I think we have gone too long with it and I am trying to get everybody to understand that.

I want it clearly understood that it is not an attack on the person or an attack upon his qualifications, but I am still sticking with the thing that it is about time we use people within the City of Pittsburgh to sit on the boards and commissions and directorships.

Mr. Lally:

Mr. President and Councilman Stone, I don't know if your memory serves you right but we did at that time say we would waiver the residency clause.

Mr. Coyne:

What is the procedure for voting on the residency waiver? Is that a two-week delay?

Mr. Stone:

Bill, it goes through like an ordinance.

Mr. Lally:

I think we have already expressed our points already.

Mr. Stone:

I think my record on City Council has indicated that we have never done it and I will not do it now.

The Chair:

If I may take the liberty for a moment. I share your concern Mr. Stone. I feel the same way because we have to draw the line somewhere and now is the time to draw it here.

If I may refresh Mr. Coyne's and Mr. Lally's memories, we were told by Mr. deLuca that he was moving back to Pittsburgh and would be a resident very shortly.

Mr. Coyne:

He commuted back and forth every day. He doesn't live in the city, he lives in Fox Chapel.

Mr. Lucchino:

Mr. Chairman, before we go on — with regard to deLuca, I would move that we suspend Rule 8 and have that bill come to Council this Wednesday so we can get the matter resolved because I do think that they are relying on the previous specifications and rather than hold the matter up we will get it cleared up.

Mr. Givens:

I second the motion.

Which motion prevailed.

Also,

No. 2477. Communication from Council's Citizens Task Force on Refuse Dis-

posal requesting reimbursement of costs for their Tour of Transfer Station and Landfill on May 20, 1977. Cost not to exceed \$150.00 for rental of the Bus, chargeable to and payable from Code Account No. 1001-1, Miscellaneous Services, Supplies, Equipment, etc., City Council.

Which was read.

The Chair:

Is there any discussion on the bills?

Mr. Givens:

On Bill 2382 — that is the \$2 million that the City of Pittsburgh has discussed this morning with the Mayor.

I am deeply concerned in regards to the type and quality of the asphalt they plan to use on the projects — which is still \$8 million, and I have been assured by the Administration that we can't conceive these specifications in-house unless they are ready contractually to go out and seek people with the qualifications to do this particular test.

The Chair:

Is there any other discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

MOTIONS AND RESOLUTIONS

Mr. Lucchino presented

Bill No. 2483. WHEREAS, the Jones and Laughlin Steel Corp. has been in Pittsburgh for many years and employs a great many people; and

WHEREAS, the Jones and Laughlin Steel Corp. desires to modernize its steelmaking facilities by installing electric furnaces; and

WHEREAS, the U. S. Environmental Protection Agency is demanding that Allegheny County refuse to grant a permit to allow said installation; and

WHEREAS, Allegheny County intends to grant the permit over the objection of the U. S. Environmental Protection Agency.

NOW, THEREFORE,

BE IT RESOLVED, That the Council of the City of Pittsburgh fully supports the actions of Allegheny County in granting a permit to Jones and Laughlin Steel Corp. for the installation of electric furnaces.

Which was read.

Mr. Lucchino moved for adoption.

Mr. Stone seconded the motion.

Which motion prevailed.

The Chair presented

Bill No. 2484. Communication from Mayor Caligiuri submitting the name of Paul Brophy as the director of the department of Housing for the City of Pittsburgh.

Which was read, received and filed.

Also,

Bill No. 2485. Resolution that the appointment by the Mayor of Mr. Paul Brophy of 3183 Shady Avenue, Pittsburgh, Pennsylvania, be and the same is hereby approved and confirmed as Director of the Department of Housing for the City of Pittsburgh.

Which was read.

The Chair:

I would like to make a comment in regards to the appointment of Mr. Brophy. Unless my memory serves me incorrectly, both Councilman Caliguiri and Councilman Lucchino stated that the position of the housing coordinator wouldn't be a permanent position and that they would fill that position as soon as the department is formed.

Although we did allocate \$25,000 for the department, but not for the Director or staff and therefore I question the Mayor asking that Mr. Brophy — whom I feel isn't quite qualified and experienced enough — be in this position. Worst of all, the agency has never done anything at any time and even has difficulty explaining what they're trying to do!

As you know I have doubts about Action Housing itself. I say it is funded by corporate "fancy pants" and asking, "What have they done?" And, on that basis I am very opposed to Mr. Brophy or anybody else filling that position. I know it is rough for Mr. Pietragallo having both jobs at one time but he is doing them very well and I don't think we need another position in there. Therefore, I say we stick with the original agreement.

Mr. Lucchino:

Just to clarify the in-house. The theory of the housing coordinator is that he was on the Mayor's staff and would receive approximately \$25,000 a year, but that was a position that wouldn't be needed again until 1978 once the housing department director position was filled.

In any event the Mayor did appoint this person and I think he should have the opportunity to name whomever he chooses to that position, and I would also think that with regard to Mr. Pietragallo I think it is very difficult to hold two jobs within housing and I think if we add this position it will release some of the duties of Mr. Pietra-

gallo so he can devote full time to his job and to get our housing projects moving ahead because what we are trying to do is to get neighborhood housing rehabilitated and moving ahead. That just clarifies my position as to the two jobs that were in the budget.

Mr. Lucchino moved, in accordance with past practice, to hold the appointment for two weeks.

Which motion prevailed.

The Chair:

Since 949 we have had the so called housing bill and there has been a very small dent made so far. Mr. Brophy is not going to increase it any and I don't think that Action-Housing should be in that position. At any rate we did vote to hold for two weeks.

Mr. Lally:

Mr. President, I know I, along with the other Councilmen, received a letter from the Utility Workers Union of America, Local No. 433, in regards to the Allegheny County Sanitary Authority (ALCOSAN) reducing services of checking, repairing, greasing and cleaning of the instrument that insures that all waste goes to the Alcosan treatment plant for purification before it returns to the river.

On Wednesday, I would like to have Mr. Creehan and also John F. Joyce, who is the president of this union, to come to City Council. If this is true — some of the wording in this letter is not too good and certainly a concern of the citizens of the City of Pittsburgh in regards to the drinking water and the other services that Alcosan performs. With the permission of Council, I would like to have Mr. Creehan here Wednesday.

The Chair:

The City Clerk is so instructed.

Mr. Givens:

Mr. President, I have something that I haven't touched on. I think the Pittsburgh Press brought an article out that the state went from a 2-2½ percent wage tax increase and that half percent more or less would be used for the school systems throughout the State of Pennsylvania.

If one had read that particular story, it would indicate for example, that the City of Philadelphia contributed \$23 million and they would receive about \$55 million in return. The City of Pittsburgh contributed \$7 million and we would receive \$8 million in return.

I don't want to bring politics into the Council Chambers, but I am trying to get the facts straight and the message across that the Fire Inspection Report indicates that there are 205 public school buildings versus the 240 private and parochial school buildings. In another article in the Press, which was dated May 5, Mr. Lucchino stated that he wants to give \$1 million for city refuse and he is trying to move that, but I am very deeply concerned about the revenues of the City of Pittsburgh.

There has been a declining enrollment in the public school system while it continues to rise in the parochial schools and I think it is putting an educational burden on the parents of these students attending these schools, and I would like to bring this out as a Councilman that we are going to get into a deep dilemma with the school systems within the City of Pittsburgh and I don't want to represent these increases.

The Chair:

I think your point is well taken, Mr. Givens. I'm sure all of Council shares your concern. Any further motions and resolutions?

Mr. Lally moved

That the Minutes of Council of Monday, May 2, 1977 be approved.

Which motion prevailed.

And on a motion of Mr. Stone,

Council adjourned.
